Pre modern critical interactions of nature and society can best be studied during the so called Crisis of the 14th Century While historiography has long ignored the environmental framing of historical processes and scientists have over emphasized nature's impact on the course of human history this volume tries to describe the at times complex modes of the late medieval relationship of man and nature The idea of teleconnection borrowed from the geosciences describes the influence of atmospheric circulation patterns often over long distances It seems that there were teleconnections in society too So this volume aims to examine man environment interactions mainly in the 14th century from all over Europe and beyond It integrates contributions from different disciplines on impact perception and reaction of environmental change and natural extreme events on late Medieval societies For humanists from all historical disciplines it offers an approach how to

integrate written and even scientific evidence on environmental change in established and new fields of historical research For scientists it demonstrates the contributions scholars from the humanities can provide for discussion on past environmental changes **Insight Guides City Guide Rome (Travel Guide eBook)** Insight Guides,2018-08-01 Newly updated edition of Insight Guides City Guide Rome is ideal for travellers seeking immersive cultural experiences In depth on history and culture enjoy special features on Roman fashion and Mussolini s Legacy all written by local experts Innovative extras incredible value and unique in the market All City Guides come with a free eBook and regularly updated app unlike comparable competitors products High production values compact cut down format and full colour throughout Exciting opportunities for bespoke promotions please contact your Account Manager for details Content overview in depth on history and culture invaluable maps travel tips and practical information ensure effortless planning inspirational colour photography throughout inventive design makes for an engaging reading experience **In Hot Pursuit** Patricia Ryan,2011-07-15 WHO IS THAT HERO FOR HIRE Roman Fitzpatrick Cool play by the rules ex cop on the outside but scratch the surface a hot blooded man ready and able to do whatever needs to be done Summer Love What you see is what you get photographer and flighty gossip columnist She has a fan who d like to see her out of the picture Assignment Guard a woman who doesn t want guarding Overcome prejudice against flighty gossip columnists Pretend Summer Love isn t the sexiest most desirable woman on the face of the earth Being a bodyguard means staying close as a lover **DK Eyewitness Travel Guide: Rome** ,2013-10-01 Now available in PDF format Experience the best of Rome with DK Eyewitness Travel Guide Rome This newly updated travel guide for Rome will lead you straight to the best attractions this city has to offer whether visiting the Vatican touching the stones of the Colosseum or enjoying gelato in one of the city s beautiful piazzas Expert travel writers have fully revised this edition of DK Eyewitness Travel Guide Rome Themed itineraries help plan trips to Rome by length of stay or by interest Improved neighborhood walking maps now include restaurant locations by area Completely new hotel and restaurant listings now include DK Choice special recommendations New typography and fresh layout throughout You ll still find DK s famous cutaway illustrations of major architectural and historic sights museum floor plans and 3 D aerial views of key districts to explore on foot along with in depth coverage of the city s history and culture The city map is marked with sights from the guidebook and includes a street index a transportation map and a chart showing the walking distances between major sights With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Rome truly shows you this city as no one else can *Eight Months at Rome During the Vatican Council.
