Roman Inquisition The Index And The Jews:

The Roman Inquisition, the Index and the Jews Stephan Wendehorst, 2004-10-01 In comparison to the Iberian Inquisitions little research has been done on the attitude of the Roman and Universal Inquisition to the Jews The present volume deals with the relations between the Catholic Church Jews and Judaism and the potential of the now accessible sources in the archive of the Congregation for the Doctrine of the Faith in Rome for throwing new light on this intricate relationship It starts with contributions by Kenneth Stow Piet van Boxel Hanna W grzynek Amnon Raz Krakotzkin Eleazar Gutwirth Michael Studemund Hal vy and Sandra Neves Silva on key areas of the encounter between the Roman Church and the Jews such as papal policy censorship and the Converso milieu It moves on to presentations of archival material from the Congregations of the Roman Inquisition and of the Index by Claus Arnold Antje Br cker and John Tedeschi and concludes with sketches of ongoing and prospective research projects by Stephan Wendehorst Ariella Lang and Hubert Wolf **The Roman**

Inquisition, the Index and the Jews Stephan Wendehorst, Kluwer Academic Publishers (Dordrecht), 2003 *Catholic Spectacle and Rome's Jews* Emily Michelson, 2024-02-27 A new investigation that shows how conversionary preaching to Jews was essential to the early modern Catholic Church and the Roman religious landscape Starting in the sixteenth century Jews in Rome were forced every Saturday to attend a hostile sermon aimed at their conversion Harshly policed they were made to march en masse toward the sermon and sit through it all the while scrutinized by local Christians foreign visitors and potential converts In *Catholic Spectacle and Rome's Jews* Emily Michelson demonstrates how this display was vital to the development of early modern Catholicism Drawing from a trove of overlooked manuscripts Michelson reconstructs the dynamics of weekly forced preaching in Rome As the Catholic Church began to embark on worldwide missions sermons to Jews offered a unique opportunity to define and defend its new triumphalist global outlook They became a point of prestige in Rome The city's most important organizations invested in maintaining these spectacles and foreign tourists eagerly attended them The title of Preacher to the Jews could make a man's career The presence of Christian spectators Roman and foreign was integral to these sermons and preachers played to the gallery Conversionary sermons also provided an intellectual veneer to mask ongoing anti Jewish aggressions In response Jews mounted a campaign of resistance using any means available Examining the history and content of sermons to Jews over two and a half centuries *Catholic Spectacle and Rome's Jews* argues that conversionary preaching to Jews played a fundamental role in forming early modern Catholic identity

The Censor, the Editor, and the Text Amnon Raz-Krakotzkin, 2007-08-06 By bringing together two apparently unrelated issues the role of censorship in the creation of print culture and the place of Jewish culture within the context of Christian society the author advances a new outlook on both allowing each to be examined through the conceptual framework usually reserved for the other **2003** Dan Diner, 2014-07-24 No detailed description available for 2003

Christian Images and Their Jewish Desecrators Katherine Aron-Beller, 2024-01-09 In *Christian Images and Their Jewish*

Desecrators historian Katherine Aron Beller analyzes the common Christian charge that Jews habitually and compulsively violated Christian images identifying this allegation as one that functioned alongside other anti Jewish allegations such as ritual murder blood libel and host desecration to ultimately inform dangerous and long lasting prejudices in medieval and early modern Europe Through an analysis of folk tales myths legal proceedings and religious art Aron Beller finds that narratives alleging that Jews committed violence against images of Christ Mary and the disciples flourished in Europe between the fifth and seventeenth centuries She then explores how these narratives manifested differently across the continent and the centuries finding that their potency reflected not Jewish actions per se but Christians own concerns about slipping into idolatry when viewing depictions of religious figures In addition Aron Beller considers Jews own attitudes toward Christian imagery and the ways in which they responded to and rejected or embraced such allegations By examining how desecration allegations affected Jewish individuals and communities spanning Byzantium medieval England France Germany and early modern Spain and Italy Aron Beller demonstrates that this charge was a powerful expression of the Christian majority s anxiety around committing idolatry and their eagerness to participate in practices of veneration that revolved around visual images an anxiety that evolved through the centuries and persists to this day
