## **Roman Shadows:**

Shades of Meaning: Shadows in Medieval Manuscript Illumination Dominique DeLuca, 2025-03-27 Are there shadows in medieval art Studies on the role of shadows in art history have either glanced over or ignored the medieval period yet people of the Middle Ages certainly saw and thought about shadows and recorded their ideas about these phenomena in texts and images This book examines references to shadows in science religion and folklore of the Middle Ages Through the lens of fifteenth century manuscript painting it investigates visual metaphorical and supernatural shadows in art to discover what shadows meant to the medieval viewer *Roman Shadows* Ron Burns, 1992 Destined for a life of ease after he marries into one of Rome's wealthiest families Roman senator Gaius Livinius Severus finds his rest and recreation put on hold when Cicero asks him to spy on certain prominent politicians *Architectural Shades and Shadows* Henry McGoodwin, 1904

**Magic Shadows** Martin Quigley, 2022-07-21 In *Magic Shadows* Martin Quigley delves into the complex interplay between illusion and reality capturing the fragile boundary that separates the two Set against the backdrop of a changing cultural landscape Quigley employs a lyrical style enriched with vivid imagery and intricate symbolism drawing on a diverse literary context that includes elements of magical realism and existential philosophy The narrative unfolds through a tapestry of interconnected stories each revealing the characters innermost hopes and fears while challenging the reader to question the nature of their own perceptions and experiences Martin Quigley an accomplished writer and cultural critic brings to this work a wealth of personal experiences and a deep understanding of the human psyche Having explored themes of identity and authenticity in his previous writings Quigley's knowledge of psychological intrigue serves to enhance the depth and nuance of *Magic Shadows* His fascination with the ways in which art and life intersect is evident throughout reflecting his belief that storytelling itself is an act of magic that can transform our understanding of reality This compelling exploration of human consciousness and the art of narrative will resonate with readers who appreciate works that challenge the boundaries of genre and invite introspection Ideal for those seeking a profound yet accessible read *Magic Shadows* invites audiences to lose themselves in its enchanting depths and emerge with a renewed perspective on life and art **Britain and Its Empire in the Shadow of Rome** Sarah J. of the visual system Shadows are at once a massive problem for vision which must distinguish them from objects or material features of objects and a resource signaling the presence location shape and size of objects Casati and Cavanagh draw up an inventory of information retrievable from shadows showing their amazing variety They present an overview of the visual system distinguishing between measurement and inference They discuss the shadow mission the work done by the visual brain to parse and perhaps discard the information from shadows shadow ownership the association of a shadow with the object that casts it shadow labeling the visual system's ability to tell shadows from nonshadows and the shadow concept our knowledge about shadows as a category Casati and Cavanagh then apply the theoretical apparatus they have developed for shadows to other phenomena illumination reflection and transparency Finally they examine the art of the shadow paying tribute to artists exploration of shadow analyzing a series of artworks reproduced in color from a rich and fascinating art historical corpus

Shadows Roberto Casati, 2007-12-18 In this original wide ranging and endlessly thought provoking work of popular nonfiction a leading science writer uncovers the pervasive presence of shadows in our world For Plato shadows were the symbol of our limitations For Galileo they knocked the Earth from the center of the cosmos They are a source of fear and a symbol of ignorance and they loom large in art and design mythology and folklore physics and metaphysics and architecture and urban planning From shadows puppets and the psychology of shadows to the role of shadows in astronomy and the influence of shadows on the architectural profiles of our cities Roberto Casati awakens our fascination in this tour de force of investigation and imagination
