**The Romance of Exploration. How Man Has Opened Up the World.** [With Plates.]. ROMANCE.,1936 **The Romance of Exploration** Karl Sundheim,2013-10 This is a new release of the original 1935 edition **Adult Catalog: Subjects** Los Angeles County Public Library,1970 *ChakraKey* Rick Ireton,2013-03-29 CHAKRAKEY is a book for spiritual students and teachers who seek a greater understanding of the meaning of life If we are to evolve in a loving way here on Earth we will do so because we grow in knowledge of our spiritual nature and begin to love and honor one another as the kind and gentle people we truly are ChakraKey reveals the humanspiritual design Th rough the marriage of two ancient symbols and one symbol recently found in the form of a crop circle ChakraKey is an educational tool that reveals the energetic nature of all humanity and thus our purpose in life It is through understanding and awareness of our human spiritual nature that we are able to transcend our bodies and live in the light of love as spiritual beings We do better when we know better ChakraKey marries ancient Hindu wisdom of the chakra system with the seven candle menorah When the menorah is turned sideways and placed next to the seven energetic points of the human chakra system a map is revealed of our human spiritual design our core essence and love The Knowledge and Wisdom contained within the ChakraKey will provide you with the greatest gift you might ever hope to find the ability to live a life filled with love meaning and purpose For more information about ChakraKey visit [www.chakrakey.com](http://www.chakrakey.com) **Love Me As I Am - gay men reflect on their lives** ,2012 *English Poetry of the Sixteenth Century* Gary F. Waller,2014-07-15 Explores the poetry of the Renaissance from Dunbar in the late 15th century to the Songs and Sonnets of John Donne in the early 17th The book offers more than the wealth of literature discussed it is a pioneering work in its own right bringing the insights of contemporary literary and cultural theory to an overview of the period *Bulletin of the Atomic Scientists* ,1972-12 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **The Sidney Family Romance** Gary Fredric Waller,1993 William Herbert 1580 1630 third earl of Pembroke and Lady Mary Wroth 1587 1653 were first cousins the nephew and niece of Sir Philip Sidney whose family was one of remarkable literary and political importance Herbert was a poet a voluminous letter writer and one of the Jacobean court s richest and most powerful courtiers and politicians Wroth was arguably the most important woman writer of the period she authored the first Petrarchan poetic sequence the first prose romance and one of the first plays in English by a woman In addition to their connections as cousins and as writers they were lovers and the parents of two illegitimate children The Sidney Family Romance is both a cultural biography and a symptomatic reading of the sexual and textual relationships of Herbert and Wroth Waller s analysis of their letters and literary works relies on a variety of critical apparatuses social history current political and social theories of the Jacobean period and most notably feminist psychoanalytic theory In both his biographical information and interpretive

comments Waller focuses on subject construction and gender construction of the early modern period to find that Herbert's poems proceed from his life at court to engage in the gender politics of Petrarchan poetry while Wroth's work proceeds from her disempowered position to project a desire for an autonomy which would lead to mutuality between the sexes Waller tries to find ways of analyzing the inner lives of his subjects in the absence of direct evidence and with a paucity of documentation He examines historical documents including the writings of the two cousins and recent historical research along with contemporary studies of family interactions and gender construction and detailed case histories drawn from nearly a century of clinical and therapeutic studies The author concludes with a discussion of the crisis of gender in the seventeenth century as a contemporary crisis as well Family history has long been central to Renaissance studies The Sidney Family Romance proceeds far beyond any previous works in bringing to bear the very rich and complicated network of ideas observations and literary images in the works of Herbert and Wroth

**BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved**     The National Union Catalog, Pre-1956 Imprints, 1977     **The Many Facets of Love** Thomas Jay Oord, 2009-03-26 Poets theologians romantics scientists and revolutionaries alike have explored the many facets of love Judging by the wide use of the word love and the high praise it typically receives we might think that philosophers have thoroughly analyzed love But this is not the case This book takes a step toward rectifying the neglect of a philosophical analysis of love It brings together fifteen philosophical perspectives that explore some of love's most important facets Most of the essays have theistic or religious concerns in mind     **Where No Man has Gone Before** Lucie Armitt, 2012-11-12 How do women writers use science fiction to challenge assumptions about the genre and its representations of women To what extent is the increasing number of women writing science fiction reformulating the expectations of readers and critics What has been the effect of this phenomenon upon the academic establishment and the publishing industry These are just some of the questions addressed by this collection of original essays by women writers readers and critics of the genre But the undoubted existence of a recent surge of women's interest in science fiction is by no means the full story From Mary Shelley onwards women writers have played a central role in the shaping and reshaping of this genre irrespective of its undeniably patriarchal image Through a combination of essays on the work of writers such as Doris Lessing and Ursula Le Guin with others on still neglected writers such as Katherine Burdekin and C L Moore and a wealth of contemporaries including Suzette Elgin Gwyneth Jones Maureen Duffy and Josephine Saxton this anthology takes a step towards redressing the balance Perhaps above all what this collection demonstrates is that science fiction remains as particularly well suited to the exploration of woman as alien or other in our culture today as it was with the publication of *Frankenstein* in 1818     **The British Library General Catalogue of Printed Books to 1975** British Library, 1985     **Love's Tangled Embrace: A Journey Through the Delights and Dangers of Romance** Pasquale De Marco, 2025-07-10 In this captivating exploration of love we embark on a journey to understand the allure the challenges and the enduring power of this universal emotion

Through insightful analysis and personal anecdotes this book delves into the depths of human relationships revealing the transformative nature of love and its profound impact on our lives Love is a universal desire a longing that resides in the hearts of all humans It is the driving force behind our relationships our families and our communities Love has the power to transform lives to bring joy and fulfillment and to heal wounds It can inspire us to acts of great kindness and compassion and it can help us to overcome adversity Yet love is not always easy It can be elusive fragile and even painful We may experience heartbreak disappointment and rejection in our pursuit of love But despite these challenges love remains an essential part of the human experience It is something that we all need and crave and it is something that we should never give up on This book explores the different types of love from romantic love to familial love to platonic love It examines the role of love in our lives and it discusses the challenges and rewards that come with being in love It also explores the ways in which love can be expressed and celebrated and it considers the impact that love has on our physical emotional and spiritual well being Through this exploration this book aims to provide readers with a deeper understanding of love and its profound influence on our lives It seeks to inspire readers to love more fully more deeply and more unconditionally and to encourage them to celebrate the transformative power of love in all its forms This book is an invitation to join a journey of self discovery and reflection on the nature of love It is a guide for anyone who seeks to understand this complex emotion and to cultivate more love in their own lives and in the world around them If you like this book write a review

**Sexuality and Identity** Leslie J. Moran, 2017-11-30 Born in the late nineteenth century sexuality is a relatively new category within the human sciences in general and law and society scholarship in particular Despite its novelty it is now a central category through which we understand ourselves both as individuals and as members of communities This volume offers a collection of essays selected to reflect the ever widening horizons and diverse methodologies of law and society scholarship on sexual and identity in law The essays offer an insight into some of the key themes and recent developments in this body of work Each in different ways offers an evaluation of the nature meaning and effects of sexuality thereby providing a critical evaluation of the politics of sexual identity as it appears in and through the law

[The Many Faces of Polyamory](#) Magdalena J. Fosse, 2021-05-23 The Many Faces of Polyamory Longing and Belonging in Concurrent Relationships provides new perspectives on polyamory and the longing to belong in the relatively uncharted territory of nonnormative relationships This volume offers a valuable and compelling account on how to approach polyamorous relationships from the clinical perspective While there is no uniform answer Dr Fosse's compassionate and discerning approach that combines relative neutrality an open minded embrace of nontraditional lifestyle choices and skilful attention to countertransference dynamics is likely to be inspiring Dr Fosse exposes the dynamics of love sex jealousy and compersion as they play out in lives of those interested in polyamory and more broadly consensual nonmonogamy Her focus is on relationships worth having With its nuanced clinical focus The Many Faces of Polyamory will be an essential resource for psychotherapists educators students and anyone inside and outside of the

mental health field drawn to the intricacies of sexuality intimacy and how they are intertwined with relational satisfaction

**The Gay Man's Guide to Open and Monogamous Marriage** Michael Dale Kimmel, 2017-06-09 Legal gay marriage is still a relatively new phenomenon As gay men who are now able to get married we find ourselves in a bit of a quandary for many male couples sex is a lot more important for us than it is for heterosexuals Two married men often have a stronger desire for sex wanting more of it and with a wider variety of partners than married opposite sex couples How does this work within the structure of a monogamous marriage Is an open relationship a better structure for gay marriage Assuming that gay marriages will emulate heterosexual marriages is neither a valid nor a helpful assumption But as gay men where does that leave us There are currently no rule books for how a marriage between two men could or should work While there are lots of books about how to plan your gay wedding there are virtually none that address what to do after the honeymoon is over literally and figuratively This book fills that void It offers married gay couples and gay men considering marriage an easy to follow practical framework that they can use to help create adjust and structure their marriages Using helpful examples and first hand quotes throughout Openly gay psychotherapist Michael Dale Kimmel offers a roadmap for gay men who want to be married but have questions and concerns about monogamy and monotony
