The British National Bibliography Arthur James Wells,1971 **Searching for Love** Lisa Bradford,2020-04-15 As a little
five year old girl I stood in a courtroom watching my mother choose a man over her three little girls The decision my mother
made that day started me down a road filled with pain rejection and abuse causing me to wonder if love really existed After
being in several foster homes and experiencing more physical and sexual abuse I became even more confused on what love
was and if I would ever experience it As I grew into a teenager I thought I found true love in the arms of an older man
However that relationship started a domino effect of bad relationships falling one by one until all hope of finding love had
faded away The next eighteen years I would walk through a series of events that would challenge and push me to search for
the one thing that could break the chains of my past After years of looking my search led me to finding grace the only thing
powerful enough to erase my past and set me free Whitaker's Cumulative Book List ,1970 **The British Library**
