Romance In Arithmetic:

Romance in Arithmetic Margaret E. Bowman,1950 Interview for a Wife (a marriage of convenience historical western romance) Ruth Ann Nordin, A widowed father of two bound to a wheelchair and a barren widow looking for a place to stay might discover that despite one s imperfections love is possible When her husband died Deanne Grayson didn t shed a tear She did however worry that his death meant she d have to return to her hometown in Kentucky Fortunately she stumbles upon an ad in the paper from a man in Lincoln Nebraska who is interviewing for a wife Widower Bill Harvey is in need of a wife to help him run his general store Plus it would be nice to have help raising his two young children But being confined to a wheelchair doesn t exactly make him confident when it comes to a more intimate union with a woman So when Deanne comes in for an interview he makes a stipulation He ll marry her but they won t be consummating the marriage So the marriage will be more of a partnership than a romance A marriage of convenience suits Deanne just fine She s not looking for love As long as she doesn t have to return to her hometown she ll be happy It s not long before Bill starts to have desires he put behind him after the accident that confined him to a wheelchair Yes it was his decision to treat their marriage like a partnership but after he gets to know her he starts to want more Exactly how can he someone who is only half a man expect a woman to want a real marriage with him
