Romania During The World War 1 Era:

Romania during the World War I Era Kurt Treptow,2022-09-01 One of the most dramatic periods in modern history the World War I era also marked a turning point in Romanian history This volume is a collection of studies presented by Romanian American and British scholars at the Fourth International Conference of the Center for Romanian Studies held in Iasi and Focsani Romania from 22 27 June 1998 on the occasion of the eightieth anniversary of the end of the great world conflict Articles included Mark Axworthy Through British Eyes Romanian Military Performance in World War I Catalin Turliuc Major Factors which Determined the Conduct of the Great War Valeriu Florin Dobrinescu Ion I C Bratianu The Genius of Greater Romania Diana Fotescu Regina Maria si razboiul de intregire nationala Constantin Hlihor Romania within the Geopolitics of the Great Powers of Europe between 1918 1919 Nicholas M Nagy Talavera Iorga s Role during the Great War 1914 1918 Demetrius Dvoichenko de Markov The Anti Communist White Guards and Romania 1918 Ernest H Latham Jr We Will Do Business Romania and the Baldwin Locomotive Works Kurt W Treptow John Reed and Romania in 1915 Costica Prodan Unele consideratii privind participarea Romaniei la primul razboi mondial 1916 1918 and many others *Romania During the World War I Era* Kurt W. Treptow,2023-04-15

Great War and the Romanians Nicolae ne,Nicolae Petrescu-Comnène,2022-09-01 Written during the First World War this book describes Romania s role in World War I during the critical years of 1916 and 1917 The book analyzes the situation of the Romanians living within the borders of the Austro Hungarian Empire at the time and the causes for Romania s entry into the war The author then discusses Romania s contribution to the war effort during 1916 and the first half of 1917 An important record of events for historians interested in the First World War on the Eastern Front it includes several essential historical documents that illustrate the author s account of the events of the time The book also has a preface by Albert Thomas French minister of Armaments and War Production at that time and Maurice Muret It is a valuable first hand account of Romania s involvement in World War I The author Nicolae Petrescu Comn ne was an important Romanian diplomat of the interwar period He served as ambassador to Switzerland Germany and the Vatican as well as a delegate at the League of Nations before becoming foreign minister from 1938 to 1939 He authored numerous studies on history law and politics

The Routledge History of the First World War Paul R. Bartrop,2024-08-27 The Routledge History of the First World War is a work which in a single volume covers a range of major themes and issues relating to that conflict Providing a comprehensive but readily accessible reference work examining the First World War in accordance with a broad range of themes this book presents the many ways in which study of the First World War can take place and introduces readers to new areas of research often untouched in other studies of the war With a scholarly Introduction and 60 chapters by specialist authors who come from 14 different countries across four continents the book is also intended to open lines of further inquiry from its solid base of academic knowledge The volume demonstrates the war s global and total nature examining the conflict in all major theatres and through the lens of the key

combatants and neutrals It also fully engages with issues of race gender ideology and society during the war This book will appeal to students of all levels scholars and general readers alike interested in the First World War from several different perspectives and research areas The 60 chapters cover topics from numerous angles and provide detailed information about all aspects relating to the First World War

Born to Rule Julia P. Gelardi, 2007-04-01 Julia Gelardi's *Born to Rule* is an historical tour de force that weaves together the powerful and moving stories of the five royal granddaughters of Queen Victoria These five women were all married to reigning European monarchs during the early part of the 20th century and it was their reaction to the First World War that shaped the fate of a continent and the future of the modern world Here are the stories of Alexandra whose enduring love story controversial faith in Rasputin and tragic end have become the stuff of legend Marie the flamboyant and eccentric queen who battled her way through a life of intrigues and was also the mother of two Balkan queens and of the scandalous Carol II of Romania Victoria Eugenie Spain's very English queen who like Alexandra introduced hemophilia into her husband's family with devastating consequences for her marriage Maud King Edward VII's daughter who was independent Norway's reluctant queen and Sophie Kaiser Wilhelm II's much maligned sister daughter of an Emperor and herself the mother of no less than three kings and a queen who ended her days in bitter exile *Born to Rule* evokes a world of luxury wealth and power in a bygone era while also recounting the ordeals suffered by a unique group of royal women who at times faced poverty exile and death Praised in their lifetimes for their legendary beauty many of these women were also lauded and reviled for their political influence Using never before published letters memoirs diplomatic documents secondary sources and interviews with descendants of the subjects Julia Gelardi's *Born to Rule* is an astonishing and memorable work of popular history

The Balkans Mark Biondich, 2011-02-17 *The Balkans* has long been a place of encounter among different peoples religions and civilizations resulting in a rich cultural tapestry and mosaic of nationalities But it has also been burdened by a traumatic post colonial experience The transition from traditional multinational empires to modern nation states has been accompanied by large scale political violence that has resulted in the deaths of hundreds of thousands and the permanent displacement of millions more Mark Biondich examines the origins of these conflicts while treating the region as an integral part of modern European history shaped by much the same forces and intellectual impulses It reminds us that political violence and ethnic cleansing have scarcely been unique to the Balkans As Biondich shows the political violence that has bedevilled the region since the late nineteenth century stemmed from modernity and the ideology of integral nationalism employed by states that were dominated by democratizing or authoritarian nationalizing elites committed to national homogeneity Throughout this period the Balkan proponents of democratic governance civil society and multiculturalism were progressively marginalized The history of revolution war political violence and ethnic cleansing in the modern Balkans is above all the story of this tragic marginalization

Israeli-Romanian Relations at the End of the Ceaușescu Era Yosef Govrin, 2002 Yosef Govrin was the Israeli Ambassador to Romania in the twilight of the communist era

Govrin describes Israeli Romanian relations as he observed them from 1985 to 1989 after which the leader of Romania was deposed **Israeli-Romanian Relations at the End of the Ceausescu Era** Yosef Govrin, 2014-02-25 Yosef Govrin was the Israeli Ambassador to Romania in the twilight of the communist era Govrin describes Israeli Romanian relations as he observed them from 1985 to 1989 after which the leader of Romania was deposed Foreign Aid and State Building in Interwar Romania Doina Anca Cretu, 2024-12-10 The decades following World War I were a period of political social and economic transformation for Central and Eastern Europe This book considers the role of foreign aid in Romania between 1918 and 1940 offering a new history of the interrelation between state building and nongovernmental humanitarianism and philanthropy in the interwar period Doina Anca Cretu argues that Romania was a laboratory for transnational intervention as various state builders actively pursued accessed and often instrumentalized American assistance in order to accelerate reconstructive and modernizing projects after World War I At its core this is a study of how local views ambitions and practical agendas framed trajectories of humanitarian and philanthropic endeavors in postimperial Central and Eastern Europe Conversely it is a reflection on the ways that architects and practitioners of foreign aid sought to transfer notions of democracy civilization and modernity within shifting local and national contexts in the aftermath of the war and after the collapse of European empires At the intersection of the history of interwar Europe and international philanthropy and humanitarianism this book s innovative and explicitly transnational approach provides a new framework for understanding the contours of European nationalism in the twentieth century **Romania In The 1980s** Daniel N. Nelson, 2019-06-04 Among communist states Romania is in several respects a unique case Romania has been the only Warsaw Pact member to deviate consistently from Soviet foreign policy norms and alone within Eastern Europe to avoid oil imports from the USSR The leadership of Nicolae Ceausescu since 1965 has meanwhile governed through a studious commitment to socio economic centralization and control often reminiscent of Stalinist orthodoxy Intellectual freedom artistic liberty and workers rights have changed little relative to Poland Hungary or the transient Prague Spring Such international and domestic policy distinctions as well as a record of impressive industrial growth necessitate an effort to understand the dynamics of Romania s socio economic and political life This volume is meant to delineate trends in political social and economic life which will constitute dynamic elements for the Romanian system during the 1980s and beyond Contributors all scholars with lengthy research experience in Romania the Balkans and communist states generally have sought to identify factors likely to be influential during this and ensuing decades In that sense this is a predictive volume containing not crystal ball gazing but the careful identification and assessment of trends influencing Romanian foreign and domestic policies economic and political performance and societal transformations By suggesting elements crucial to socio economic and political change in Romania we hope to make observing this intriguing communist state somewhat less haphazard and more systematic *Romania Company Laws and Regulations Handbook Volume 1 Strategic Information and Basic Laws* IBP USA, *The Central and*

East European Population since 1850 F. Rothenbacher, 2016-04-30 This is the third volume of three on demographics All major fields of demographic change are covered Population figures are given for each population census by sex civil status and age Major demographic developments within the family are described providing a commentary on the main population structures and trends

Romania Investment, Trade Laws and Regulations Handbook Volume 1 Strategic Information and Basic Laws IBP USA, 2013-08 The Fall of Arthur the only venture by J R R Tolkien into the legends of Arthur king of Britain may well be regarded as his finest and most skillful achievement in the use of Old English alliterative meter in which he brought to his transforming perceptions of the old narratives a pervasive sense of the grave and fateful nature of all that is told of Arthur s expedition overseas into distant heathen lands of Guinevere s flight from Camelot of the great sea battle on Arthur s return to Britain in the portrait of the traitor Mordred in the tormented doubts of Lancelot in his French castle Unhappily The Fall of Arthur was one of several long narrative poems that Tolkien abandoned He evidently began it in the 1930s and it was sufficiently advanced for him to send it to a very perceptive friend who read it with great enthusiasm at the end of 1934 and urgently pressed him You simply must finish it But in vain he abandoned it at some unknown date though there is evidence that it may have been in 1937 the year of publication of *The Hobbit* and the first stirrings of *The Lord of the Rings* Years later in a letter of 1955 he said that he hoped to finish a long poem on The Fall of Arthur but that day never came Associated with the text of the poem however are many manuscript pages a great quantity of drafting and experimentation in verse in which the strange evolution of the poem s structure is revealed together with narrative synopses and significant tantalizing notes In these notes can be discerned clear if mysterious associations of the Arthurian conclusion with *The Silmarillion* and the bitter ending of the love of Lancelot and Guinevere which was never written

National-Socialist Archaeology in Europe and its Legacies Martijn Eickhoff, Daniel Modl, Katie Meheux, Erwin Nuijten, 2023-08-14 This edited volume is dedicated to national socialist archaeology as a Europe wide phenomenon It analyses national socialist attempts to denationalize the archaeologies of European nations by creating a new unifying European archaeology on a racial basis From the beginning of the nineteenth century archaeology began to develop into an important force behind processes of nation building At the same time structures of transnational academic collaboration contributed strongly to the internal dynamics of the research field which was primarily organized on a national basis In those European countries that were confronted with national socialist occupation and repression between 1939 and 1945 these transnational archaeological networks were to prove crucial for the development of national socialist archaeological policies This volume will reveal how national socialist archaeology was to an extent valued positively in its time as highly innovative even influencing the archaeology of non occupied countries Although in the final instance it generally failed to displace the national archaeologies in Europe the volume also analyses the long term impact of national socialist rule on the development of European archaeology How did the attempts to create a unified European archaeology after 1945 continue to influence

networks methods and terminologies institutional structures or popular representations of the early past **Romania**

Army, National Security and Defense Policy Handbook Volume 1 Strategic Information and Developments IBP, Inc.,2009-03-20 Romania Army National Security and Defense Policy Handbook **The Walls Behind the Curtain** Harold B. Segel,2012-11-11 Because of their visibility in society and ability to shape public opinion prominent literary figures were among the first targets of Communist repression torture and incarceration Authors such as Aleksandr Solzhenitsyn famously documented the experience of internment in Soviet gulags Little however has been published in the English language on the work of writers imprisoned by other countries of the Soviet bloc For the first time *The Walls Behind the Curtain* presents a collection of works from East European novelists poets playwrights and essayists who wrote during or after their captivity under communism Harold B Segel paints a backdrop of the political culture and prison and labor camp systems of each country detailing the onerous conditions that writers faced Segel then offers biographical information on each writer and presents excerpts of their writing Notable literary figures included are Vaclav Havel Eva Kanturkova Milan Simecka Adam Michnik Milovan Djilas Paul Goma Tibor Dery and Visar Zhiti as well as many other writers This anthology recovers many of the most important yet overlooked literary voices from the era of Communist occupation Although translated from numerous languages and across varied cultures there is a distinct commonality in the experiences documented by these works *The Walls Behind the Curtain* serves as a testament to the perseverance of the human spirit and a quest for individual liberty that many writers forfeited their lives for **International Education** Daniel Ness,Chia-Ling Lin,2015-03-17 This encyclopedia is the most current and exhaustive reference available on international education It provides thorough up to date coverage of key topics concepts and issues as well as in depth studies of approximately 180 national educational systems throughout the world Articles examine education broadly and at all levels from primary grades through higher education formal to informal education country studies to global organizations **The World Reacts to the Holocaust** David S. Wyman,Charles H. Rosenzweig,1996-09-24 Among the issues examined are the extent of the human destruction the degree of collaboration Jewish reactions and efforts to save the Jews **Capitalism in Chaos** Máté Rigó,2022-08-15 *Capitalism in Chaos* explores an often overlooked consequence and paradox of the First World War the prosperity of business elites and bankers in service of the war effort during the destruction of capital and wealth by belligerent armies This study of business life amid war and massive geopolitical changes follows industrialists and policymakers in Central Europe as the region became crucially important for German and subsequently French plans of economic and geopolitical expansion in the late nineteenth and early twentieth centuries Based on extensive research in sixteen archives five languages and four states M t Rigó demonstrates that wartime destruction and the birth of war millionaires were two sides of the same coin Despite the recent centenaries of the Great War and the Versailles peace treaties knowledge of the overall impact of war and border changes on business life remains sporadic based on scant statistics and misleading national foci Consequently most histories remain wedded to the

viewpoint of national governments and commercial connections across national borders Capitalism in Chaos changes the static historical perspective by presenting Europe's East as the economic engine of the continent Rig accomplishes this paradigm shift by focusing on both supranational regions including East Central and Western Europe as well as the eastern and western peripheries of Central Europe Alsace Lorraine and Transylvania from the 1870s until the 1920s As a result Capitalism in Chaos offers a concrete lively history of economics during major world crises with a contemporary consciousness toward inequality and disparity during a time of collapse

History of Romania Kelly Mass, The earliest evidence of human habitation in what is now Romania dates back to prehistoric times but one of the first recorded mentions comes from the writings of the ancient Greek historian Herodotus In his work Histories Book IV written around 440 BC Herodotus described the Getae a Thracian tribe residing in the region that would later become Romania According to Herodotus the Getae were defeated by Persian Emperor Darius the Great during his military campaign against the Scythians This reference marks an important historical mention of the people inhabiting the area The Dacians a branch of the Thracian people are believed to have been closely related to the Getae mentioned by the Greeks The Dacians inhabited a region known as Dacia which included present day Romania Moldova parts of northern Bulgaria and surrounding areas Their culture society and military strength developed significantly making them a prominent force in southeastern Europe The Dacians are often regarded as the ancestors of modern Romanians and their legacy is a crucial element of Romanian national identity

Romania During The World War 1 Era: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Romania During The World War 1 Era : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Romania During The World War 1 Era : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
