A Rich Brew Shachar M Pinsker, 2018-05-15 Finalist 2018 National Jewish Book Award for Modern Jewish Thought and Experience presented by the Jewish Book Council Winner 2019 Jordan Schnitzer Book Award in the Jewish Literature and Linguistics Category given by the Association for Jewish Studies A fascinating glimpse into the world of the coffeehouse and its role in shaping modern Jewish culture Unlike the synagogue the house of study the community center or the Jewish deli the caf is rarely considered a Jewish space Yet coffeehouses profoundly influenced the creation of modern Jewish culture from the mid nineteenth to mid twentieth centuries With roots stemming from the Ottoman Empire the coffeehouse and its drinks gained increasing popularity in Europe The

otherness and the mix of the national and transnational characteristics of the coffeehouse perhaps explains why many of these cafés were owned by Jews why Jews became their most devoted habitués and how cafés acquired associations with Jewishness Examining the convergence of cafés their urban milieu and Jewish creativity Shachar M Pinsker argues that cafés anchored a silk road of modern Jewish culture He uncovers a network of interconnected cafés that were central to the modern Jewish experience in a time of migration and urbanization from Odessa Warsaw Vienna and Berlin to New York City and Tel Aviv A Rich Brew explores the Jewish culture created in these social spaces drawing on a vivid collection of newspaper articles memoirs archival documents photographs caricatures and artwork as well as stories novels and poems in many languages set in cafés Pinsker shows how Jewish modernity was born in the café nourished and sent out into the world by way of print politics literature art and theater What was experienced and created in the space of the coffeehouse touched thousands who read saw and imbibed a modern culture that redefined what it meant to be a Jew in the world

Yiddish in Weimar Berlin Gennady Estraiakh, 2017-12-02 Berlin emerged from the First World War as a multicultural European capital of immigration from the former Russian Empire and while many Russian emigres moved to France and other countries in the 1920s a thriving east European Jewish community remained Yiddish speaking intellectuals and activists participated vigorously in German cultural and political debate Multilingual Jewish journalists writers actors and artists invigorated by the creative atmosphere of the city formed an environment which facilitated exchange between the main centres of Yiddish culture eastern Europe North America and Soviet Russia All this came to an end with the Nazi rise to power in 1933 but Berlin remained a vital presence in Jewish cultural memory as is testified by the works of Sholem Asch Israel Joshua Singer Zalman Shneour Moyshe Kulbak Uri Zvi Grinberg and Meir Wiener This volume includes contributions by an international team of leading scholars dealing with various aspects of history arts and literature which tell the dramatic story of Yiddish cultural life in Weimar Berlin as a case study in the modern European culture

Berlin David Clay Large, 2007-10-15 In the political history of the past century no city has played a more prominent though often disastrous role than Berlin At the same time Berlin has also been a dynamic center of artistic and intellectual innovation If Paris was the Capital of the Nineteenth Century Berlin was to become the signature city for the next hundred years Once a symbol of modernity in the Thirties it became associated with injustice and the abuse of power After 1945 it became the iconic City of the Cold War Since the fall of the Wall Berlin has again come to represent humanity's aspirations for a new beginning tempered by caution deriving from the traumas of the recent past David Clay Large's definitive history of Berlin is framed by the two German unifications of 1871 and 1990 Between these two events several themes run like a thread through the city's history a persistent inferiority

complex a distrust among many ordinary Germans and the national leadership of the unloved city's electric atmosphere fast tempo and tradition of unruliness its status as a magnet for immigrants artists intellectuals and the young the opening up of social economic and ethnic divisions as sharp as the one created by the Wall

Filmkünstler und Filmkunst ... ,1928 Literary Passports Shachar Pinsker,2010-12-13 Literary Passports is the first book to explore modernist Hebrew fiction in Europe in the early decades of the twentieth century It not only serves as an introduction to this important body of literature but also acts as a major revisionist statement freeing this literature from a Zionist nationalist narrative and viewing it through the wider lens of new comparative studies in modernism The book's central claim is that modernist Hebrew prose fiction as it emerged from 1900 to 1930 was shaped by the highly charged encounter of traditionally educated Jews with the revolution of European literature and culture known as modernism The book deals with modernist Hebrew fiction as an urban phenomenon explores the ways in which the genre dealt with issues of sexuality and gender and examines its depictions of the complex relations between tradition modernity and religion

Homes Away from Home Sarah Wobick-Segev,2018-09-11 How did Jews go from lives organized by synagogues shul and mikvehs to lives that if explicitly Jewish at all were conducted in Hillel houses JCCs Katz's and even Chabad In pre emancipation Europe most Jews followed Jewish law most of the time but by the turn of the twentieth century a new secular Jewish identity had begun to take shape *Homes Away From Home* tells the story of Ashkenazi Jews as they made their way in European society in the late nineteenth and twentieth centuries focusing on the Jewish communities of Paris Berlin and St Petersburg At a time of growing political enfranchisement for Jews within European nations membership in the official Jewish

community became increasingly optional and Jews in turn created spaces and programs to meet new social needs The contexts of Jewish life expanded beyond the confines of traditional Jewish spaces into sites of consumption and leisure sometimes to the consternation of Jewish authorities Sarah Wobick Segev argues that the social practices that developed between 1890 and the 1930s such as celebrating holydays at hotels and restaurants or sending children to summer camp fundamentally reshaped Jewish community redefining and extending the boundaries of where Jewishness happened

Käsebier Takes Berlin Gabriele Tergit,2019-07-30 In English for the first time a panoramic satire about the star making machine set in celebrity obsessed Weimar Berlin In Berlin 1930 the name K sebier is on everyone s lips A literal combination of the German words for cheese and beer it s an unglamorous name for an unglamorous man a small time crooner who performs nightly on a shabby stage for laborers secretaries and shopkeepers Until the press shows up In the blink of an eye this everyman is made a star a star who can sing songs for a troubled time Margot Weissmann the arts patron hosts champagne breakfasts for K sebier Muschler the banker builds a theater in his honor Willi Frchter a parvenu writer makes a mint off K sebier themed business ventures and books All the while the journalists who catapulted K sebier to fame watch the monstrous media machine churn in amazement and are aghast at the demons they have unleashed In *K sebier Takes Berlin* the journalist Gabriele Tergit wrote a searing satire of the excesses and follies of the Weimar Republic Chronicling a country on the brink of fascism and a press on the edge of collapse Tergit s novel caused a sensation when it was published in 1931 As witty as Kurt Tucholsky and as trenchant as Karl Kraus Tergit portrays a world too entranced by fireworks to notice its smoldering edges

Yiddish Writers in Weimar Berlin Marc Caplan,2021-01-05 In *Yiddish Writers in Weimar Berlin* Marc Caplan explores the reciprocal encounter between Eastern European Jews and German culture in the days following World War I By concentrating primarily on a small group of avant garde Yiddish writers Dovid Bergelson Der Nister and Moyshe Kulbak working in Berlin during the Weimar Republic Caplan examines how these writers became central to modernist aesthetics By concentrating on the character of Yiddish literature produced in Weimar Germany Caplan offers a new method of seeing how artistic creation is constructed and a new understanding of the political resonances that result from it *Yiddish Writers in Weimar Berlin* reveals how Yiddish literature participated in the culture of Weimar era modernism how active Yiddish writers were in the literary scene and how German speaking Jews read descriptions of Yiddish speaking Jews to uncover the emotional complexity of what they managed to create even in the midst of their confusion and ambivalence in Germany Caplan s masterful narrative affords new insights into literary form Jewish culture and the philosophical and psychological motivations for aesthetic modernism
