Gonzalez,José David Rodríguez,2011-04-01 Conozca su Biblia developed in partnership with the Asociación para la Educación Teológica Hispana and the Evangelical Outreach and Congregational Mission unit of the Evangelical Lutheran Church in America is a unique Bible commentary series written in Spanish by leading Hispanic theologians and Bible educators Justo L. Gonzalez the General Editor for the series is a distinguished biblical scholar and the author of numerous books including *Hechos Acts in this series* I'm Right / You're Wrong Carol R. Baeta,John S. Knox,2023-12-21 Moral disagreement is commonly regarded as a threat to objective morality in scholarly circles and in popular culture perhaps being one of the most significant objections against Christian theistic moral theory Some skeptics argue that as people divide about what is right and wrong often inciting moral evil and causing human suffering the Christian view of an all powerful all knowing and all good God behind morality is inconsistent Accordingly *I'm Right You're Wrong* investigates whether moral disagreement abolishes the traditional Christian view of God and its accepted ontology of morality It further analyzes and proposes the logical problem of moral disagreement applying the methodology proposed by Christian philosopher Alvin Plantinga in his

free will defense Moreover this book discusses key theological and philosophical perspectives regarding God s omniscience
creational power and the human attribute of free will **Called to Serve** Roberto Tinoco,2023-11-28 We have been called
by God for the salvation of our souls in order to live a life surrendered in worship of God but also to have a productive life in
all aspects The child of God has been rescued from the world transformed by God and enabled to serve Christ his church and
others The Christian must dedicate his entire life to service Therefore serving must be one of the most beautiful obligations
that the believer can develop in this world When the child of God serves the Lord and other people he can find purpose in his
life and live with a satisfaction that lasts forever Many Christians are consumers and not reproducers that is they continually
need to be carried and supported since they have not grown enough to support themselves So we must ask ourselves why
does this happen Why are many people in the local church inactive Why do many Christians not know what to do with their
lives This book has been written with the purpose of helping the child of God know why he is here on earth and how he can
live a productive life in Christ The objective of this book is to prepare and train children of God who have recently been
baptized and who want to serve God but do not know how or where to do so Additionally it tries to fill the need of those
pastors who have new people who want to serve God Therefore this book can serve as material for the preparation of male
and female servants for the work of God Finally the child of God will learn that his calling will be realized by serving in a
local Church ministry Unveiling Theological and Doctrinal Concepts Rev. Oscar Garcia,2013-10-04 In the present the
Christianity is going through a time of much confusion of false apostles and false prophets along with false teachings and
erroneous interpretations of the Bible The churches have been infiltrated by homosexuality and bizarre cults the moral crises
at all levels in our society the ravaging crime rapes of children and family violence all demonstrate the urgent need that the
Christian people have to seek in prayer for Gods intervention to heal human beings from their terrible spiritual condition In
this book the reader will find concepts that may help him to grow and to get stronger spiritually Here is a brief list of the
many topics covered in this book More than three hundred Old Testament prophecies about the Messiah that were fulfilled in
Jesus Christ The deity from eternity of the Begotten Son of God that can be seen in both the Old and the New Testament The
evidence of the fullness of the Holy Spirit The return of Jesus by the saints in the Old Testament as well as in the New
Testament and the prophecies that demonstrate the rapture of the heirs of the kingdom of heaven of the born again believers
The prophecies about the millennium and the time of its fulfillment The security of the salvation of the kingdom of heaven of
the children of God The judgment of the nations and the White Throne judgment The resurrection of the dead in the

CAMINANDO HACIA LA MADUREZ - LIBRO 3 JERRY MORRIS, 2010-10-07. Libro 3 de una serie de tres libros. Son herramientas prácticas para mentorear o discipular personas. **Words of Power** Roberto Tinoco, 2025-09-16. The book Words of Power: 52 Lessons for Cell Groups has been designed for small groups and even for preaching. It also aims to highlight the life and power that the Word of God produces in our lives. It is not a focus on miracles and wonders but rather on the transformation that it can bring to our person. From this perspective, the reader will be able to come face to face with an individual reality and be confronted with the truth of the Holy Scriptures. Furthermore, the book is designed to be read individually or to be presented in a small group or a larger audience so each lesson is fluid and does not contain too many points. There are fifty-two lessons providing material for an entire year of exposition. The first nineteen lessons address the Ten Commandments and some related matters. In this first section, the reader will learn about the commandment, its meaning, its purpose, and its teaching for our days. The next section focuses on the spiritual disciplines of the believer, emphasizing worship, prayer, fasting, Bible reading, and church attendance. These teachings highlight the great need for believers not to forget the basics of the Christian life. The following section covers five standalone topics that address matters of utmost importance for the believer but with the same focus, highlighting the impact of the Word of God. Finally, the theme of God's calling and purpose for believers is addressed. In this final section, it is emphasized how God calls, prepares, equips, and sends those He will use in His great work. In this last section, the topics presented can help motivate even the workers of the Word of God. Additionally, they can also support those who desire to serve God in a deeper, more meaningful way. We hope that this book will be a blessing to the entire church and a tool for preachers, teachers, and cell group leaders to utilize. **R.C.**
