**Predestination** Greg Kame, 2021-03-11 The doctrine of predestination is an important starting point for the study of Christian theology thought from a Reformed theological perspective This doctrine is essential because it is one of the central themes from the Bible that has been the reason for many debates among many theologians in the history of the church Despite the different views held by mainline Protestant theologians like Martin Luther John Calvin and Jacobus Arminius this book points to Scripture as the basis for Reformed soteriology It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students pastors Bible teachers and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today

*Women and the New Testament* Lesly F. Massey, 2012-02-24 The status of women in all societies throughout history seems linked to religion Even in Christendom where the elevation of women has been pursued to the greatest extent there continue to be major disagreements among religious leaders This book is a critical examination of New Testament teachings on the social and religious status of women A provocative and challenging alternative to the traditional interpretation of relevant passages is offered The author sees the liberation of women from male dominance as a significant underlying theme in the New Testament and Christian fundamentalism as a major hindrance to it

Paul's Spirituality in Galatians P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today s culture Spirituality is essentially how one s beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one s faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community How do one s religious traditions cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition culture and personal preference This book provides a context for understanding Paul s foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today

A World of Inequalities Lucinda Mosher, 2021-02-16 In this volume leading Christian and Muslim scholars respond to the global crisis of inequality by demanding and modeling interreligious

dialogue Essays explore the roots of these realities how they are treated in Christian and Muslim traditions and texts and how the two faiths can work together to address inequality The Great Divide and the Salvation Paradox David P. Griffith,2022-04-07 The church in its first centuries split on whether Christ saved everyone or a few Universalism versus Exclusivism In the sixth century the church settled the issue seemingly and held that Universalism was heresy This book reviews this history as well as what provoked it Scripture on its face gives two contradictory accounts of salvation s extent everyone is ultimately saved and everyone is not In contrast to both Exclusivism and Universalism the book takes Scripture s two accounts of salvation s extent as true that is as a paradox This is the approach the church has taken with other scriptural paradoxes Saying one God is three or one Son is both God and man appeared to be contradictory too but to embrace Scripture entirely these were seen as paradoxical The Trinity modeled how one can be three and the hypostatic union modeled how one can be two For the paradox of salvation s extent the answer lies in the individual s divisibility in the afterlife one can be two That is in ultimate salvation each individual can be both saved and unsaved **Book 3 Authority**

**PB** Kurt Jurgensmeier,2012-08-22 Is Scripture really our ultimate authority Authority is what dictates what we will believe and do Accordingly J I Packer rightfully remarks The problem of authority is the most fundamental problem that the Christian Church ever faces Most Christians solve the issue by simply saying The Bible is my final authority But such a view forgets that there is a human being between us and the Bible which is why there are a multitude of interpretations of the Bible that people live by Reformed theologians claim that a testimony of the Spirit confirms to us what is true But there is no biblical or practical support for this Accordingly we are back to our God given reason and the right and responsibility of private judgment as our ultimate subjective authority by which we live by Postmoderns are right then to assert that our own reason is the god we live by But they are wrong to ignore that our ultimate objective authority is God Who our reasoning will be judged by Apostle Paul Robert Orlando,2015-02-26 The Apostle Paul s dramatic and much discussed conversion on the road to Damascus radically changed the course of his life as well as the Christian religion Can a new narrative and a new perspective be brought to this twothousand year old storyand centuries of critical thought and study The writer and filmmaker Robert Orlando believes it can Apostle Paul A Polite Bribe is a dramatic and challenging book inspired by his controversial film of the same name This ground breaking look at Paul s life draws on extensive research into Paul s letters and the book of Acts to reveal his human attitudes and insecurities Orlando constructs a fresh take on Paul s life especiallyhis collection for the Jerusalem church and proposes thatPaul as one of Christianity s most celebrated converts may have needed more than faith and fervour to convince the other apostles to accept his vision of ministry Apostle Paul A Polite Bribe illustrates how a vision of promise eventually leadsto a hopeless prison cell and ultimately a new religion challenging the traditional perspective and inspiring new thought about one of the best known founders of the Christian religion Judas Iscariot Richard Harvey,2018-07-23 The name Judas Iscariot usually provokes a negative response as the disciple who

betrayed his Lord to death It is difficult to think of another person dead for so long who is so closely associated with betrayal In recent times some commentators have urged a rethink on Judas arguing that he has been unfairly treated This book will show that the traditional picture of Judas as a traitor best fits the biblical evidence It also establishes two other points Firstly although Judas was a human being he had the literary features of an idol Secondly the earliest gospel Mark clearly establishes his guilt and Matthew and Luke show how uniquely guilty Judas was Hesed and the New Testament Karen Nelson,2023-05-24 In the Hebrew Bible *hesed* steadfast love loyalty devotion denotes an important concept that is relevant to interpersonal relationships in every generation In this book Karen Nelson investigates New Testament engagement with that concept and the exegetical value of recognizing such engagement This investigation employs an original hybrid of two methodological approaches intertextuality used to consider how New Testament authors appropriate texts that evoke *hesed* or *hesed* and categorization used to analyze and compare instances of the categories *hesed* and *hesed* within the Hebrew Bible and the New Testament Nelson's work challenges assertions that the New Testament equivalent of *hesed* is *agapē* love or *charis* grace Rather she contends that *hesed* and *hesed* are more likely to be evoked by the terms with which they are most often rendered in the Septuagint *eleos* and *hosios* respectively Nelson rereads selected New Testament pericopes in light of *hesed* highlighting points about ongoing devotion to kinship and covenantal relationships often overlooked in those contexts and showing how New Testament authors and figures utilize the *hesed* tradition to critique the contemporary socioreligious situation and encourage belief enduring commitment and appropriately changed lifestyles Addressing a topic that spans the Hebrew Bible and the New Testament this study will be of value to biblical scholars especially those who are interested in semantics

*Biblical Theological Investigations into the Righteousness of God* Albert J. Coetsee,Francois P. Viljoen,2024-03-19 Scripture reveals that God has various attributes One of the attributes that Scripture frequently refers to is God's righteousness The attribute of God's righteousness enjoys a lot of scholarly attention in systematic theologies Fewer studies however are devoted to investigating God's righteousness from a Biblical Theological perspective This is exactly what this publication does it provides a number of Biblical Theological investigations into the attribute of God's righteousness by investigating specific verses chapters and corpora from Scripture and indicates how these portray God's righteousness as part of the developing unfolding and progressive storyline of the text This includes research on topics that have not been adequately explored in the past The chapters contained in this volume are written by Old and New Testament scholars and the target audience is fellow Old and New Testament scholars and scholars interested in God's attributes *The Soteriological Use of Call by Paul and Luke* Ian Hussey,2018-07-12 The congruence of the theology of Paul and Luke is a matter of debate In particular according to many scholars the soteriologies of Paul and Luke are divergent This volume argues that the usage of language by both Paul and Luke suggests that it may be a common element in their soteriologies The author demonstrates that language is an important concept in the soteriologies of Luke and Paul and that although there

are contrasts there are a number of points of comparison Crucial to this common understanding is the association of language with the OT covenants election covenant meals and an expectation of the eschatological banquet As a result of this prominent and consistent usage by Paul and Luke the language of deserves a higher place in the Christian understanding of salvation This has implications for Christian life and practice

**Encountering God in Tyrannical Texts** Frances Taylor Gench,2015-05-15 The Bible includes any number of tyrannical texts that have proved to be profoundly oppressive in the lives of many people Among them are Pauline texts that have circumscribed the lives and ministries of women throughout Christian history What are people who honor Scripture to do with such texts and what does it mean to speak of biblical authority in their presence In *Encountering God in Tyrannical Texts* Frances Taylor Gench provides strategies for engaging such texts with integrity that is without dismissing them whitewashing them or acquiescing to them and as potential sources of edification for the church Gench also facilitates reflection on the nature and authority of Scripture *Encountering God in Tyrannical Texts* provides access to feminist scholarship that can inform preaching and teaching of problematic Pauline texts and encourages public engagement with them

*Israel and the Church* Ronald E. Diprose,2025-08-14 Modern Israel and its relations with its Arab neighbors has been conspicuously in the daily news ever since World War II Until that time the concept of Israel and a continuing Jewish people had been hovering in the distant background of Christian thought and doctrine since the post apostolic era In this important work Dr Diprose demonstrates the uniqueness of Israel and its special place in the divine plan By carefully reviewing relevant New Testament and post apostolic writings the author traces the origin and development of Replacement Theology the concept that the Church has completely and permanently replaced ethnic Israel in the outworking of God's plan throughout history challenging its origin and role in the development of Christian thought on the future of ethnic Israel

Theology of the New Testament Frank S. Thielman,2011-03-22 Studying the theology of the New Testament can be a daunting task even to the knowledgeable Bible student or pastor Each of the twenty seven books written by various authors has its own theological emphasis and nuances How do we elicit a coherent message from such theological diversity especially given that some of the theological statements in the New Testament seem to be at odds with one another Is such an endeavor achievable or even valid *Theology of the New Testament* takes a balanced approach in response to these challenges Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole He not only examines each book's theological content individually but also in relation to the rest of the New Testament particularly within each of the three theological units that comprise the New Testament the gospels and Acts the Pauline epistles and the general epistles and Revelation This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books In the end Thielman finds a unified theological vision of the New Testament anchored in the centrality of Jesus Christ Frank Thielman's *Theology of the New Testament* is an outstanding

achievement The book is marked by scholarly depth exegetical rigor and theological profundity Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents Thomas R Schreiner Professor of New Testament The Southern Baptist Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher Its clear style lucid organization and sound theological insight make it a prime resource for serious students in both the academy and the church Karen H Jobes PhD Associate Professor of New Testament Westmont College

**Divine Simplicity** Steven J. Duby, 2015-12-17 Steven J Duby examines the doctrine of divine simplicity This discussion is centered around the three distinguishing features grounding in biblical exegesis use of Thomas Aquinas and the Reformed Orthodox and the writings of modern systematic and philosophical theologians Duby outlines the general history of the Christian doctrine of divine simplicity and discusses the methodological traits and essential contents of the dogmatic account He substantiates the claims of the doctrine of divine simplicity by demonstrating that they are implied and required by the scriptural account of God Duby considers how simplicity is inferred from God s singularity and aseity as well as how it is inferred from God s immutability and infinity and the Christian doctrine of creation The discussion ends with the response to major objections to simplicity namely that the doctrine does not pay heed to the plurality of the divine attributes that it eradicates God s freedom in creating the world and acting toward us and that it does not cohere with the personal distinctions to be made in the doctrine of the Trinity

**The Case for Progressive Dispensationalism** Robert Saucy, 2010-12-21 Debate abounds on the future of Israel and Israel s relation to the church not only between dispensationalists and non dispensationalists but among dispensationalists themselves In the past that debate has sometimes been acrimonious and proponents of the differing viewpoints have found little common ground In recent years however views have been modified and developed so that the dialogue is increasingly by cooperation and a mutual exploration of diverse ideas The Case for Progressive Dispensationalism is intended to enlighten the debate in that same irenic spirit The book is solidly dispensational in perspective in affirming that the Old Testament prophecies are completely fulfilled in the future that the nation of Israel has a prophetic future and that Israel is not the church Dr Saucy departs from classic dispensationalism however in showing that 1 the fulfillment of Old Testament prophecy begins in the present church age and 2 the church is not a parenthesis in God s program but represents a continuity with the Old Testament messianic program This modified dispensationalism seeks to satisfy many of the objections of non dispensational approaches to eschatology while retaining the crucial elements of biblical interpretation that characterize dispensational thought

[Preparing for Christian Ministry](#) David P. Gushee, Walter C. Jackson, 1996-09-01 Encouragement for students to reflect on the nature and task of ministry in the 21st century and to seek education to equip them for ministry

**Mercy for All** Robert D. Anderson, 2023-12-20 This is a study in the interpretation of Paul with a focus on an interpretation of Romans 9 to 11 as a defense of God s faithfulness to Israel The study begins with reviews of three

historical approaches to studying Paul's relationship to the Judaism of his era the third anchoring Paul with the Judaism of his time Second Temple Judaism It then moves to an interpretation of his writings from a broad framework within that Jewish sociocultural paradigm The study suggests that Paul's letter to the Romans provides a defense of Judaism and Romans 9 to 11 provides an argument for God's faithfulness to Israel Romans 11 particularly 11:25-32 presents a picture of Israel's redemption and how gentiles relate to Israel's redemption through the mercy they have received via Israel Gentiles are seen as instrumental in the redemption of Israel Romans 11:25-32 should be read as a missional paradigm to Israel **A Light to the Nations** Stanley M. Burgess, Paul W. Lewis, 2017-03-02 The essays in this volume which are written by friends, colleagues and former students are dedicated to Gary B. McGee as a memorial to his life work and service As a professor with a clear calling to teach he modeled this passion at the Open Bible College, Des Moines, Iowa, Central Bible College, Springfield, Missouri, and the Assemblies of God Theological Seminary, Springfield, Missouri He exuded the understanding that quality teaching, superior scholarship, a genuine Pentecostal spirituality, and an irenic spirit can and should go together Within the title of this volume, A Light to the Nations, two aspects become clear First, each person is called to be a light to the nations as Gary McGee modeled Second, and foundational to the first, is the reality that Jesus Christ is the ultimate light and our energies, study, discussions, and life in general should rely on this fact As a reflection of Gary McGee's life and ministry, these two aspects are focused through three lenses which are the three sections of this volume: Ecumenism, Missions, and Pentecostalism The essays represent a diversity of subjects and denote various explorations by colleagues and friends of Gary B. McGee
