A. Carson) Matthew Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone In fact Martin Luther argued that justification is the doctrine on which the church stands or falls This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history the Bible theology and pastoral practice revealing the enduring significance of this pillar of Protestant theology When Wright is Wrong Phillip D. R. Griffiths, 2019-01-14 In today's world the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith

alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel [Romans](#) Thomas R. From Death to Life John J. Cobb,2012-07-18 For the past thirty years John J Cobb has devoted himself to teaching the foundational truths of the Christian faith His first work Lord When A Biblical Perspective on the Second Coming embodies the authors passion for the accuracy and purity of Gods word His latest work From Death to Life is just another example of his passion for the doctrines of God as it explores some of the core doctrines of the Christian faith such as The Doctrine of God Mans Total Depravity Sin Justification Election Predestination These and others covered in From Death to Life are crucial to the Christians understanding of who they are and the tremendous love God has for us The author is convinced that the main reason so many Christians are so easily misled by false teachers today is a lack of

understanding of these doctrines The authors desire is that all who read this book will be strengthened in their faith and rediscover their love for God and His word *The Grace of Christ, Third Edition* Eric Roessing,2023-09-28 The purpose of this book is to communicate as clearly as possible Paul s gospel of God in its depth from what I have learned over five decades of studying Paul s letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul s gospel can only be known by the Spirit of God through comparing Paul s Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther s grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God s saving righteousness is revealed from Christ s faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him *Covenant Theology* Phillip D. R. Griffiths,2016-06-10 God has always dealt with his people through the covenant yet covenant theology from a Baptist perspective is a teaching that is all too often neglected Many Baptists don t know why they are Baptist If questioned they are most likely to respond by alluding to the mode of baptism rather than its underlying theology This book is easily accessible providing the reader with a clear understanding of the historical Baptist position The work points out the errors inherent in the Reformed paedobaptist paradigm and seeks to show that the only covenant of grace is the new covenant in Christ *The Pursuit of Holiness* Jerry Bridges,2016-09-19 Over 1 5 million copies sold Be holy for I am holy commands God to His people But what does that look like in everyday life Because of grace we don t have to earn our salvation but sometimes that leaves us wondering what our part in holiness should be In this bestselling and long esteemed resource renowned author Jerry Bridges helps us see where we should rely on God and where we should accept responsibility and exercise discipline Both compassionate and convicting this theological guide to living a holy life encourages you to dive into Scripture and discover what it means to have Holiness in body Holiness in spirit Habits of holiness Joy in holiness It now features an added study guide for personal use or group discussion so you can dive deeper into this staple of Jerry Bridges s classic collection Whether you are just beginning your new life as a Christian or you are continuing your journey this established and esteemed resource will fuel your spiritual growth and challenge you to joyfully obey God s call to be holy One of the most important books produced in the past fifty years John MacArthur pastor at Grace Community Church **The Grace of Christ** Eric Roessing,2016-07-29 Martin Luther and other Reformers were instruments in Gods hand to recover the gospel in the Holy Scriptures Nevertheless it is an irony that along with the gospel there was still law in the sense of law as rule of life in the teaching of the Reformers On the issue of the law even Luther was not as consistent as was Paul the apostle In *The Grace of Christ* the saving righteousness of God which justifies the ungodly in Christ and frees us from trusting in our righteousness is given its central place as it is in the

gospel of God Rom 1 1ff At the same time the new creation in Christ is also given its rightful due Following the apostles teaching in terms of what Paul means by both justification and new creation in Christ The Grace of Christ like no other book shows that both of these realities exclude any idea of the law of Moses as the rule of life for those in Christ Paul is not an antinomian The new creation in Christ is our rule Gal 6 15 16 Roessing does not base his position on only this one text but rather shows how Paul consistently teaches this truth in many places and ways even though the flesh rejects it And Roessing is not alone in this view he is close to that of Gerhard O Forde and even closer to that of Wolfhart Pannenberg But this issue of the believers rule is just one of the aspects of grace covered in The Grace of Christ For those who want to learn something of the depth of the things freely given us by God The Grace of Christ the law in light of the Gospel sets forth those things so that the spiritually hungry will want to behold the grace of God in Christ as he is set forth in these pages and to return again for more

Judaism and the Early Christian Mind Robert L. Wilken, 2004-09-30 Unlike most studies of the thought of the early Church which have concentrated on the Christian encounter with Hellenism this investigation of the writings of Cyril of Alexandria reveals the crucial influence of the polemical conflicts with Judaism voiced by the early fathers After tracing the relationships between Christians and Jews during the first four centuries A D Mr Wilken demonstrates how Cyril s exegetical writings two thirds of the extant corpus grew directly out of his polemical positions He then discusses the influence of such thinking on Cyril s christology and on his controversy with Nestorius the bishop of Constantinople during the early fifth century His concluding analysis of the larger problem of Christian attitudes toward the Jews concentrates on the difficulties raised by the Christians inability to understand Judaism as anything other than an inferior foreshadowing of Christianity
