Romans Du Feu:

The Jews in the Roman Empire Alfredo Mordechai Rabello, 2024-12-11 The focus of this book is on the legal status of the Jews within the Roman Empire and the changes that it underwent when the empire became Christian Conflicts between Roman and Jewish jurisdiction form an important theme while particular studies deal with questions of conversion the observance of the Sabbath and Festivals Hadrian's decree prohibiting circumcision and with the treatment given to the Samaritans In the field of family law Professor Rabello deals with the issues of the patria potestas family courts marriage and divorce and it is in these areas he holds that a basic understanding can be found of how the early Catholic Church treated Jews and Judaism Finding the Plot Loïc Artiago, Diana Holmes, David Platten, 2014-08-11 Plot writes Peter Brooks is so basic to our very experience of reading and indeed to our articulation of experience in general that criticism has often passed it over in silence Reading for the Plot xi Finding the Plot both explores and helps to redress this critical neglect The book brings together an international group of scholars to address the nature effects and specific pleasures of consuming stories If the central focus is on France and popular literary fiction the book's scope like contemporary fiction itself observes no national frontiers and extends across a variety of media The book addresses both the empirical question of which genres and types of text have been and are most popular and the theoretical questions of how plots work what pleasures they offer to readers and why it matters that the plot should not be lost **Recherches Sur L'origine Flamande Du Roman Du Renard** H.
