Freed,2014-12-05 The Apostle Paul and His Letters presents a detailed examination of the apostle's seminal writings in the Book of Acts Paul was writing primarily to converts who had joined church communities only recently mostly forsaking either Judaism or paganism Paul's emphases on faithfulness toward God the faithfulness of Jesus and his moral teachings are always primary themes The book discusses a range of topics the circumstances that led Paul to write each letter Paul's emphasis on the morality of the believers to whom he was writing the influence of Old Testament Qumran and pagan writings on Paul's own the intellectual and cultural context of the time and how careful attention to Paul's language can shed light on his meaning This book is written for a wide range of interested readers including students pastors church workers and others interested in learning about Paul as a person and his work **The Theology of Paul's Letter to the Romans** Klaus Haacker,2003-11-27 Klaus Haacker a respected expert on Paul's writings presents a compelling introduction to the theology of the Letter to the Romans This volume completes Cambridge's successful New Testament Theology series In keeping with the series it explores the distinctive ideas and issues of the Epistle at greater length than is possible in commentaries or theological dictionaries Professor Haacker focuses on themes such as righteousness suffering and hope and the mystery of Israel in the age of the gospel Engaging with Paul's rhetoric strategy he shows how both ancient Rome and the spiritual heritage of Israel provide contexts for the Letter and help us to understand its message to the original readers and its abiding impact on Christianity The book will be of interest to teachers pastors and students of theology and the New Testament **Romans** F. F. Bruce,2014-06-10 While Romans has been among the most influential books of the New Testament it has also been the subject of some of the church's most heated debates In the concise and informative style that has become the hallmark of the Tyndale Commentaries F F Bruce guides us along the difficult but rewarding paths of this great letter **Galatians and Romans** William Douglas Mackenzie,1912 *Galatians and Romans* Brendan Byrne,2010-11-01 Of all the writings of Paul none have made so signal a contribution to Christian life and identity as the Letter to the Galatians and the Letter to the Romans While written at quite separate stages of his apostolic career and very different in tone the two letters unite in projecting above all a common Vision of God as a God of grace Both call for a human response of faith and love from which will flow a Christian life lived in freedom and hope This commentary brings out these positive emphases in Galatians and Romans while also remaining sensitive to the part these letters have played in divisions between Protestants and Catholics on the one hand and Christian caricature of Judaism on the other The aim is to clarify and shed light where Paul can be obscure as well as to bring out the full riches of his powerful presentation of the Good News for the life of believers today *Romans* Dr. Matthew N.O. Sadiku,2011-09-27 Every serious student of the Bible desires to understand the holy text discover biblical principles and apply the truths to his or her life Romans A Pentecostal Commentary by Christian author Dr Matthew N O Sadiku is designed to help students pastors and Bible teachers understand the book of

Romans in a clear and simple manner Working from the popular New International Version NIV Dr Sadiku provides helpful verse by verse commentary for the book of Romans in a straightforward simple style Because the approach is uniquely Pentecostal Dr Sadiku adheres to the doctrine of biblical inerrancy and adopts a literalist approach to the interpretation of this biblical text Romans is considered by many to be one of the most important books in the Bible as well as the most transformative it was used as the battle cry of Martin Luther against legalism and superstition during the Reformation Dr Sadiku explores new theories on Paul's letters to the Romans and supports his interpretations with historical and cultural background information from the Scriptures and outside sources Dr Sadiku also shares some of the blessings and lessons learned from his study More than a commentary this engaging text will deepen your understanding of Romans and Christ himself

Romans, Galatians Gerald L. Borchert, Roger Mohrlang, 2007 The Cornerstone Biblical Commentary provides students pastors and laypeople with up to date evangelical scholarship on the Old and New Testaments It is designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God's Word by presenting the message of each passage as well as an overview of other issues surrounding the text Publisher

Pillars of Paul's Gospel John F. O'Grady, 1992 An introductory overview of Paul's letters to the Galatians and Romans that integrates the influence of this apostle's personality and history Can be used as a companion text to the Paulist Bible Study Program

The Letter of Paul to the Romans Frederick Fyvie Bruce, 1985 F F Bruce's study on Romans is a contribution to the Tyndale New Testament Commentaries a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities

into question in ways that support Christian teachings affirming the value of post biblical Judaism In doing so he provides both a rich and timely reminder of the ambiguities in Aquinas s thought and makes an important contribution to the literature of supersessionism **James (ICC)** Dale C. Allison, Jr.,2013-05-09 For over 100 years the International Critical

Commentary has had a special place amongst works on the Bible This new volume on James brings together all the relevant aids to exegesis linguistic textual archaeological historical literary and theological to enable the scholar to have a complete knowledge and understanding of this old testament book Allison incorporates new evidence available in the field and applies new methods of studies No uniform theological or critical approach to the text is taken *Habakkuk* J. Alexander

Rutherford,2019-12-20 It is all too common to find commentaries that miss the forest for the trees commentaries that get so caught up in the minutiae of scholarly controversies that they miss what God is saying for His church today This is especially evident when it comes to the book of Habakkuk The Teleioteti Old Testament Commentaries series is an attempt to attain theological depth to pay attention to the forest without neglecting the details of the text without missing the trees To do this a Teleioteti Old Testament Commentary seeks to bring scholarly rigour and thoughtfulness together with faithful attention to the purpose and significance of each book for God s people today It strikes a balance between technicality working through the Hebrew text and its difficulties and practicality applying each major section of the text to contemporary needs Habakkuk is a book that especially needs such an approach After an extensive introduction discussing the significant issues and laying the groundwork for interpreting Habakkuk this commentary walks through the text stanza by stanza and line by line With a balance of theological reflection and exegetical depth a wide variety of readers will find something to take away Habakkuk is a book of discipleship a book written to bring its reader to a deeper faith in Yahweh in the presence of His unthinkable deeds In the midst of oppressive evil at the hands of their Judahite brothers the righteous of Judah cry out to God for salvation His response is the invasion of fearsome Chaldea What appears to be horrid judgment is actually His plan to save those who trust in Him All His people are called to extraordinary faith to believe Him when His deeds are unbelievable In this way and only this way will they be delivered from their oppressors and enjoy God s blessings only by faith can they have life *The*

Strategic Grasp Of The Bible J. Sidlow Baxter,2017-01-10 Within the compass of this substantial volume a major study work Dr J Sidlow Baxter points out the marvel of the structural design of the Scriptures First examining the architecture of the Bible he suggests the basic approach to and expectation of what is to be gained by the study of Scriptures He then makes clear how a certain fitness for delineating the spiritual truths of the Bible may be acquired and so he leads the reader to understand the structure of the Bible as a whole In the second part of his book Dr Baxter points to the two dispensations defined in John 1 17 and offers stimulating comparisons between the Old and New Testaments Further chapters lead toward a clear understanding of the Kingdom of Heaven the Church and the entire New Testament Included in the text are useful outlines and tables to summarize key factors figures pronouncements and turning points which have pivotal or crucial

significance in the total message of the Bible
