**Rereading Romans from the Perspective of Paul's Gospel** Yung Suk Kim,2019-07-02 Paul did not write a systematic theology or specific church doctrines when he wrote Romans His audience was Roman Christians and his last will was to preach the gospel to all especially gentiles in Spain Through this letter Paul wants to pave the way for a visit to Rome and expects their support on his mission trip to Spain The question is this What kind of the gospel does he want to share with them Traditionally the letter has been read from the perspective of forensic salvation that an individual justification occurs once and for all by faith in Christ This view remains with the so called New Perspective on Paul and Christ s faithfulness has not been explored Rereading the letter with a renewed concept of the good news in the letter this book challenges the traditional reading of Romans and explores Paul s threefold gospel that features the gospel that is God centered Christ exemplified and Christian imitated His main concern is how gentiles can become children of God as well as how Jews may live faithfully in Christ In Romans the good news is the power of God for salvation to everyone who has faith It is not a set of knowledge about God or Jesus Paul is eager to share this gospel of faith with the Roman Christians and to correct some misunderstandings about him since his gospel is viewed as anti Jewish or antinomian

**Romans** Beverly Roberts Gaventa,2024-07-16 In this new contribution to the New Testament Library renowned New Testament scholar Beverly Roberts Gaventa offers a fresh account of Paul s Letter to the Romans as an event both in the sense that it reflects a particular historical moment in Paul s labors and in the sense that it reflects the event God brings about in the gospel Paul represents Attention to that dual sense of event means that Gaventa attends to the literary historical and theological features of the letter Throughout the commentary Gaventa keeps in view central questions of what Paul hoped the letter might accomplish among its listeners in Rome and how his auditors might have heard it when read by Phoebe In posing potential answers to these questions Gaventa touches on vital themes such as the intrusion of the gospel of Jesus Christ that prompts Paul to write in the first place what that event reveals about the situation of all creation how it relates to both Israel and the Gentiles and what its implications are for life in faith The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament providing fresh translations based on the best available ancient manuscripts critical portrayals of the historical world in which the books were created careful attention to their literary design and a theologically perceptive exposition of the biblical text The contributors are scholars of international standing

Him in spirit and in truth And be a living sacrifice holy and acceptable unto the Lord which is your reasonable act of spiritual worship I also want to illuminate biblical understanding to women that it is because of the goodness and lovingkindness of God that they live move and have their beings and because of His compassion and tender mercy that they have not been consumed by the devil And that their bodies are for the Lord and the Lord for the body and encourage women to rise up and come out of Mystery Babylon the Mother of Harlot come out of sexual slavery come out of the house of bondage come out of sexual immorality and sexual uncleanness come out of perversion and adultery And receive with meekness the engrafted word of God which is able to save your soul and make you whole and complete And to admonish women of all backgrounds to take a stand for righteousness holiness sexual purity and receive the word of life and the word of hope that gives them everything pertaining to life and godliness and an eternal future And to pursue peace and godliness because godliness with contentment is great gain it's great wealth it's true riches and brings great profit Jesus Christ is satisfaction guarantee He is the way the truth and the life of God Women don't be depraved of mind and devoid of the truth but walk in present truth and be chaste in your sexual character spirit soul and body and set your heart ablaze and ignite a passion to be zealous for spiritual things and to seek the kingdom and God and be fervent in spirit and love the Lord with all your heart mind soul and strength and love yourself and your neighbor as yourself This is a clarion call for all women all over the world to come out of darkness into God's marvelous light and to turn from the power of Satan to the power of Jesus Christ and be translated into His kingdom and have a godly sound calm well balanced and renewed mind and a transformed caring loving and pure heart

**The Spirit of Atonement** Steven M. Studebaker, 2021-01-14 Steven M Studebaker proposes a Pentecostal approach to a major Christian doctrine the atonement The book moves Pentecostal theology of the atonement from a primarily Christocentric and crucicentric register to one that articulates the pneumatological and holistic nature of

Pentecostal praxis Studebaker examines the irony of Classical Pentecostalism relying on the Christocentrism of Protestantism evangelical atonement theology to articulate its experience of the Holy Spirit as well as the Pneumatological nature of Pentecostal praxis He then develops a Pentecostal theology of atonement based on the biblical narrative of the Spirit of Pentecost and returns to re imagine an expanded vision of Pentecostal praxis based on the theological formation of the biblical narrative The result is a Pentecostal atonement theology that shows the integrated nature of pneumatology creation and Christology in the biblical narrative of redemption It gives theological expression to not only the pneumatological nature of Pentecostal praxis but also the fundamental role of the Holy Spirit in the biblical narrative of redemption The book challenges popular western atonement theologies to re think their Christocentrism and crucicentrism as well as their atomistic tendency to separate soteriology into objective Christological and subjective pneumatological categories
