teachers and students Romans is a letter that has had monumental impact in the history of Christian thought Delving into Romans helps us see more clearly the biblical story of how God reveals his salvation to both Israel and the nations and compels us to read the Old Testament with a hermeneutical lens which identifies Jesus as the centerpiece of Israel's redemptive history Edited by Scot McKnight and Tremper Longman III and written by a number of top notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear minded theological insight to any biblical education or ministry

The Present Truth and the LGBTQ+ Movement Nelson Mercado, 2024-10-15 The Present Truth refers to God's end time messages intended to prepare the world to meet Jesus These messages are found in Revelation 14:6-12 and are also known as the Three Angels Messages However as part of his deceptions Satan is seeking to distract and confuse the church by the LGBTQ ideology Today there are many voices in Christianity and in the Seventh day Adventist Church clamoring for the affirmation of the LGBTQ ideology and lifestyle Pastor Mercado believes that following the road of affirmation will lead to a loss of credibility and will dilute the end time messages of preparation Yet acknowledging that LGBTQ people are already in our churches he provides guidelines on how to treat them redemptively while not compromising biblical values

A Complementary Approach to the Interpretation and Translation of Biblical Metaphors Peter Kamande Thuo, 2021-01-31 In this in depth study Peter Kamande Thuo explores the complexity of accurately understanding interpreting and translating Scripture especially biblical metaphors Engaging the need for a stronger theoretical framework for conceptualizing and communicating metaphors across languages Dr Thuo proposes a complementary approach that utilizes relevance theory to bridge gaps presented by conceptual metaphor theory and cognitive linguistics Yet this book is far more than an abstract theoretical treatise Dr Thuo offers the example of the circumcised heart of Romans 2 as a case study providing practical guidance for his readers as he demonstrates the process of translating such a phrase into Kikuyu So doing he reminds us that the challenge of understanding interpreting and applying biblical metaphors across culture and language is not limited to the work of professional translation Rather it is at the heart of all scholarship discipleship and pastoral teaching and the task of every person engaged in reading the word of God

The Marcan Portrayal of the "Jewish" Unbeliever Neil Ronald Parker, 2008 One of the most lamentable aspects of Christendom's history has been the long standing antipathy of some of its members toward persons of the Jewish faith However the writer of Mark's gospel did not intend to promulgate such antipathy Parker's groundbreaking re assessment of how the evangelist applies Jewish scriptures serves to establish the true nature of Mark's unfavourable depiction of Judaism's custodians as a theological construct The overriding purpose behind Mark's caricature of Jesus' compatriots was to explain the presence of faulty belief or even unbelief among a Gentile readership Subsequent generations have mistakenly given historical credence to Mark's account of Jesus's ministry Regrettably this has resulted in the erroneous theological legitimization of atrocities against the Jews
