Romantic Hawaii Boye De Mente, 2005-06 When the first white men showed up in Hawaii in 1778 it was the middle of a long fall and winter festival during which various sexual techniques were demonstrated by nude hula dancers couples engaged in a bowling for partners game and people played various other competitive sports The foreign explorers assumed that the Hawaiians never worked and that sex was a universal sport so to speak American missionaries soon put a stop to this enlightened custom and tried their best to completely and permanently ban hula dancing and surfing in the nude of course But as time passed and the first generation of missionaries went to their reward surfing hula dancing and the pursuit of sexual pleasures regained some of the ground they had lost Today s Hawaii is not as laid back as it was in its pre missionary days but the sun the sand the surf and the islands still work their seductive magic on residents and visitors alike For vacationers going to Hawaii is like a honeymoon whe ther they are newlyweds or not [The Origins of Human Violence! - Male Dominance, Ignorance, Religions & Willful Stupidity!](#) Boyé De Mente, 2010-05-24 Despite the ages that have passed since homo sapiens developed the ability to think and behave in ways that transcended our animal origins and in remarkable ways distinguished us from other primates male humans in particular have continued to exhibit animalistic behavior and today remain fixated on violence not only toward other humans but also toward animals other species of life and the Earth itself There is more to the story of why so many human males are prone to engage in violence and remarkably most of this story has to do with attempts by men to establish controls and high standards for human behavior that to an astonishing degree had the opposite effect The author says the reason for this dichotomy is that these religious inspired attempts were based on the misunderstanding misuse and abuse of human sexuality combined with the fundamental ignorance and willful stupidity of human males He explains why and how this incredible situation developed and continues today and includes some extraordinary recommendations **Arizona's Lords of the Land!** Boye Lafayette De Mente, 2010-05-24 Arizona s Navajo Indians the largest tribe of Native Americans in the U S with a Reservation larger than 10 of the smaller states arrived in the area several thouand years agos an amazing event chornicled in their oral history and in key words in their language Author Boye Lafayette De Mente has used these key words to reveal not only the history but the extraordinary culture and wisdom of the Navajos Far from being simple savages when they first encountered white men in the 1500s they had a long tradition of poetry and healing that equaled that of European nations The book also details the virtual extinction of the Navajos in the 1860s by the U S military and their comback from this Fearing Time an amazing saga of American arrogance ignorance and inhuman treamtment of an extraordinary people [America's Famous Hopi Indians!](#) Boye Lafayette De Mente, 2010-05-29 The oral history of Arizona s Hopi Indian tribe tells them that they were the first human beings to inhabit the North and South American continents and that they arrived aboard large rafts island hopping across the Pacific Ocean not by the land bridge that once connected Alaska and Siberia The details of their arrival splitting up into

groups and going in different directions to populate the two continents are so detailed that it is hard to believe that they are just myths concocted for some ulterior purpose In this provocative title the author known for his code word books on the cultures of China Japan Korea and Mexico uses key Hopi words as windows to reveal the traditional beliefs customs and spirit of the Hopi people The spiritual based lifestyle they created was in many ways far superior to those that developed in Europe and other parts of the world especially in their understanding of both humans and nature and the cosmos at large Perhaps most astounding of all in the story of the Hopi is their tradition of prophecies and their incredible accuracy Why the Japanese Are a Superior People!
