The Society of Jesus in Ireland, Scotland, and England, 1589-1597 Thomas M. McCoog, S.J., 2016-02-24 English Catholic voices once disregarded as merely confessional are now acknowledged to provide important perspectives on Elizabethan society Based on extensive archival research this book builds on previous studies for the first thorough investigation of the Jesuit mission to England during a critical period between the unsuccessful armadas of 1588 and 1597 a period during which the mission was threatened as much by internal Catholic conflict as it was by the crown To address properly events in England the study fully engages with the situation in Ireland Scotland and the continent so as to contextualize the ambitions methods and effects of the Jesuit mission For England felt threatened not only by the military might of Spain but also by any assistance King Philip II might provide to Catholics earls and a vindictive James VI in Scotland powerful nobles in Ireland and English Catholics at home and abroad However it is the particular role of the Jesuits that occupies central place in the narrative highlighting the way in which the Society of Jesus typified all that Elizabethan England feared about the Church of Rome Through an exhaustive study of the many facets of the Jesuit mission to England between 1589 and 1597 this book provides a fascinating insight not only into Catholic efforts to bring England back into the Roman Church but also the simmering tensions and disagreements on how this should be achieved as well as debates concerning the very nature and structure of English Catholicism A second volume **The Society of Jesus in Ireland Scotland and England 1598 1606** will continue the story through to the early years of James VI I s reign

The Society of Jesus in Ireland, Scotland, and England 1541-1588 Thomas M. McCoog, S.J., 2021-10-11 This volume is the first comprehensive study of the work of the Society of Jesus in the British Isles during the sixteenth century Beginning with an account of brief papal missions to Ireland 1541 and Scotland 1562 it goes on to cover the foundation of a permanent mission to England 1580 and the frustration of Catholic hopes with the failure of the Spanish Armada 1588 Throughout the book the activities of the Jesuits preaching propaganda prayer and politics are set within a wider European context and within the framework of the Society s Constitutions In particular the sections on religious life and involvement in diplomacy show how flexibly the Jesuits adapted their way of proceeding to the religious and political circumstances of the British Isles and to the demands of the Counter Reformation

Jesuit Image Theory Walter S. Melion, Karl A.E. Enenkel, Wietse de Boer, 2016-06-10 The Jesuit investment in images whether verbal or visual virtual or actual pictorial or poetic rhetorical or exegetical was strong and sustained and may even be identified as one of the order s defining characteristics Although this interest in images has been richly documented by art historians theatre historians and scholars of the emblem the question of Jesuit image theory has yet to be approached from a multi disciplinary perspective that examines how the image was defined conceived produced and interpreted within the various fields of learning cultivated by the Society sacred oratory pastoral instruction scriptural exegesis theology collegiate pedagogy poetry and poetics etc The papers published in this volume investigate the ways in which Jesuits reflected visually and verbally on the status and

functions of the imago between the foundation of the order in 1540 and its suppression in 1773 Part I examines texts that purport explicitly to theorize about the imago and to analyze its various forms and functions Part II examines what one might call expressions of embedded image theory that is various instances where Jesuit authors and artists use images implicitly to explore the status and functions of such images as indices of image making Contributors include Wietse de Boer James Clifton Ralph Dekoninck Karl Enenkel Pierre Antoine Fabre David Graham Agn s Guiderdoni Anna Knaap Walter Melion Jeffrey Muller Hilmar Pabel Aline Smeesters Andrea Torre and Steffen Zierholz Reformations Carlos M.
