**Hourly History**

## **Rommel And Patton:**

**Patton and Rommel** Dennis Showalter, 2006-01-03 General George S Patton His tongue was as sharp as the cavalry saber he once wielded and his fury as explosive as the shells he d ordered launched from his tank divisions Despite his profane posturing manner and the sheer enthusiasm for conflict that made both his peers and the public uncomfortable Patton s very presence commanded respect Had his superiors given him free rein the U S Army could have claimed victory in Berlin as early as November of 1944 General Erwin Rommel His battlefield manner was authoritative his courage proven in the trenches of World War I when he was awarded the Blue Max He was a front line soldier who led by example from the turrets of his Panzers Appointed to command Adolf Hitler s personal security detail Rommel had nothing for contempt for the atrocities perpetrated by the Reich His role in the F hrer s assassination attempt led to his downfall Except for a brief confrontation in North Africa these two legendary titans never met in combat Patton and Rommel is the first single volume study to deal with the parallel lives of two generals who earned not only the loyalty and admiration of their own men but the respect of their enemies and the enmity of the leaders they swore to obey From the origins of their military prowess forged on the battlefields of World War I to their rise through the ranks to their inevitable clashes with political authority military historian Dennis Showalter presents a riveting portrait of two men whose battle strategies changed the face of warfare and continue to be studied in military academies around the globe

**Rommel & Patton** Richard Rohmer, 1986 *Rommel and Patton* Richard Rohmer, 1987

**The Commanders** Lloyd Clark, 2022-11-15 From an acclaimed military historian the interlocking lives of three of the most important and consequential generals in World War II Born in the two decades prior to World War I George Patton Bernard Montgomery and Erwin Rommel became among the most recognized and successful military leaders of the 20th century However as acclaimed military historian Lloyd Clark reveals in his penetrating and insightful braided chronicle of their lives they charted very different often interrupted paths to their ultimate leadership positions commanding hundreds of thousands of troops during World War II and celebrated as heroes in the United States Britain and Germany Patton was born into a military family and from an early age felt he was destined for glory following a disjointed childhood Montgomery found purpose and direction in a military academy Rommel s father was a former officer so his pursuit of a military career was logical Having ascended to the middle ranks each faced battle for the first time in World War I a searing experience that greatly influenced their future approach to war and leadership When war broke out again in 1939 Montgomery and Rommel were immediately engaged while Patton chafed until the U S joined the Allies in 1942 and the three men by then generals collided in North Africa in 1943 and then again climactically in France after D Day in 1944 Weaving letters diary extracts official reports and other documents into his original narrative recounting dramatic battles as they developed on the ground and at headquarters Clark also explores the controversies that swirled around Patton Montgomery and Rommel throughout their careers sometimes threatening to derail them Ultimately however their unique

abilities to bridge the space between leader and led cemented their legendary reputations     *Masters of Battle* Terry Brighton, 2009-03-05 In the Second World War Great Britain the United States and Germany each produced one land force commander who stood out from the rest Bernard Montgomery George Patton and Erwin Rommel These three armour plated egos were the greatest generals of the war and theirs was a very personal contest the clash of mighty armies perceived as a bout between three men All three were arrogant and flawed yet with a genius for the command of men and an unrivalled enthusiasm for combat All had spectacular success on the battlefield But their explosive relationships with each other and with their political masters rivalled the pyrotechnics of their tank battles in determining the conduct and outcome of the war Masters of Battle presents the Second World War as it was experienced by its three most flamboyant controversial and influential commanders     **The Final Encounter** Jane Pejsa, 2006     **Patton, Montgomery, Rommel** Terry Brighton, 2009-11-03 In Patton Montgomery Rommel one of Britain's most accomplished military scholars presents an unprecedented study of the land war in the North African and European theaters as well as their chief commanders three men who also happened to be the most compelling dramatis personae of World War II Beyond spellbinding depictions of pivotal confrontations at El Alamein Monte Cassino and the Ardennes forest author scholar Terry Brighton illuminates the personal motivations and historical events that propelled the three men's careers how Patton's Montgomery's and Rommel's Great War experiences helped to mold their style of command and how exactly they managed to apply their arguably megalomaniacal personalities and hitherto unrecognized political acumen and tact to advance their careers and strategic vision Opening new avenues of inquiry into the lives and careers of three men widely profiled by scholars and popular historians alike Brighton definitively answers numerous lingering and controversial questions Was Patton really as vainglorious in real life as he was portrayed to be on the silver screen and how did his tireless advocacy of mechanized cavalry forever change the face of war Was Monty's dogged publicity seeking driven by his own need for recognition or by his desire to claim for Britain a leadership role in postwar global order and how did this prickly commoner manage to earn affection and esteem from enlisted men and nobility alike How might the war have ended if Rommel had had more tanks and what fundamental philosophical difference between him and Hitler made such an outcome virtually impossible Abetted by new primary source material and animated by Terry Brighton's incomparable storytelling gifts Patton Montgomery Rommel offers critical new interpretations of the Second World War as it was experienced by its three most flamboyant controversial and influential commanders and augments our understanding of each of their perceptions of war and leadership     Patton and Rommel Dennis E. Showalter, 2005 Patton and Rommel served their countries through two World Wars Their temperaments both on and off the battlefield were overwhelmingly contrary but their approach to modern warfare was remarkably similar Written by a prominent military historian this book takes a look at both figures intertwining the stories of the paths they took and the decisions they made during the course of the Second World War and compares the lives and

careers of two men whose military tactics redirected the course of history From publisher description **Patton Vs Rommel** A. N. Cora,2013-06 George S Patton and Erwin Rommel became legendary heroes in World War II Although they came from very different backgrounds they had many common characteristics Both of them commanded brilliant magnificent and impressive operations during the war Earning high appraisal from their colleagues they took their well deserved among the great commanders of history *Patton's Payback* Stephen L. Moore,2022-05-17 A stirring World War II combat story of how the legendary George Patton reinvigorated a defeated and demoralized army corps and how his men claimed victory over Germany's most feared general Erwin Rommel Moore brings you to the battlefield and into the mind of a fearless military genius Brian Kilmeade bestselling author of *The President and the Freedom Fighter* Essential reading Kevin Maurer 1 NYT bestselling coauthor of *No Easy Day* Moore has a smooth prose style and a firm grasp of detail *The Wall Street Journal* In March 1943 in their first fight with the Germans American soldiers in North Africa were pushed back fifty miles by Rommel's Afrika Korps and nearly annihilated Only the German decision not to pursue them allowed the Americans to maintain a foothold in the area General Eisenhower the supreme commander knew he needed a new leader on the ground one who could raise the severely damaged morale of his troops He handed the job to a new man Lieutenant General George Patton Charismatic irreverent impulsive and inspiring Patton possessed a massive ego and the ambition to match But he could motivate men to fight He had just ten days to whip his dispirited troops into shape then throw them into battle against the Wehrmacht's terrifying Panzers the speedy and powerful German tanks that U S forces had never defeated Patton who believed he had fought as a Roman legionnaire in a previous life relished the challenge to turn the tide of America's fledgling war against Hitler and the chance to earn a fourth star **Patton Vs Rommel** A. Cora,2013-06-13 George S Patton and Erwin Rommel became legendary heroes in World War II Although they came from very different backgrounds they had many common characteristics Both of them commanded brilliant magnificent and impressive operations during the war Earning high appraisal from their colleagues they took their well deserved among the great commanders of history **Patton's War** Kevin M. Hymel,2021-11-01 George S Patton Jr lived an exciting life in war and peace but he is best remembered for his World War II battlefield exploits Patton's War An American General's Combat Leadership November 1942 July 1944 the first of three volumes follows the general from the beaches of Morocco to the fields of France right before the birth of Third Army on the continent In highly engaging fashion Kevin Hymel uncovers new facts and challenges long held beliefs about the mercurial Patton not only examining his relationships with his superiors and fellow generals and colonels but also with the soldiers of all ranks whom he led Using new sources unavailable to previous historians and through extensive research of soldiers memoirs and interviews Hymel adds a new dimension to the telling of Patton's WWII story **Patton's Way** James K Morningstar,2017-06-15 Patton's Way is a unique approach to the legend of General George S Patton Jr and his development and application of modern warfare Rather than a biography Patton's Way argues that popular representations

of Patton are built on misconceptions and incomplete understandings about his approach to battle Morningstar addresses the contradiction between the historiographical criticism of Patton's methods and popular appreciation for his successes The author identifies several schools of thought offering explanations yet he notes they all fail to fully comprehend the real Patton The secret to Patton's success was a radical and purposely crafted doctrine developed over several decades The author identifies four core principles in Patton's creed targeting the enemy's morale through shock utilizing highly practiced combined arms mechanized columns relying on mission tactics and flexible command and control and employing multi layered and synthesized intelligence systems to identify enemy capabilities and weak spots These precepts directly contradicted official U S Army doctrine and created misunderstandings that led commanders to truncate Patton's operations in Tunisia Sicily and France Morningstar details how Patton developed and applied each principle and uses the breakout from Normandy as a case study to illustrate Patton's Way in application This book discusses the death and resurrection of Patton's ideas in the U S Army directly following World War II to the present and comments on the status of Patton ideas in the Army today

**World War II Biographies** Hourly History, 2017-11 World War II Biographies Five Books in One Free Bonus Adolf Hitler A Life From Beginning to End Erwin Rommel A Life From Beginning to End Benito Mussolini A Life From Beginning to End George Patton A Life From Beginning to End Joseph Stalin A Life From Beginning to End Adolf Hitler This eBook tells the story of the man behind the monster in concise yet thorough detail Hitler's childhood his early life and dreams of becoming an artist his military career in World War I his subsequent rise to power as the leader of the Nazi Party and his rule during the war are presented in succinct compelling detail packed with historical information that makes for an entertaining and informative read Erwin Rommel He was known as the Desert Fox and outfox his enemies he often did leaving whole armies confounded and demoralized in his wake and yet the one adversary that Erwin Rommel could not outfox was his own government On that rather unlucky day of October 14th 1944 when the S S came knocking on Rommel's door even his legendary heroism couldn't save him from the monstrous regime for which he had once fought so hard Benito Mussolini Benito Mussolini was a figure that was both revered and dreaded He climbed the ladder of power rapidly in Italian politics and he was brought down just as fast Mussolini wished to stir up a united front of nationalism within his people But in the end the only thing he united was their hatred and contempt for him as a despotic leader There were several twists and turns in the life of Benito Mussolini and this book will take you through them all Follow his astonishing rise and his dramatic fall George Patton The name Patton has almost become synonymous with General the two words have become nearly interchangeable in American history When the name General Patton comes to mind we are automatically inundated with themes of strength and tough resolution Patton was a man who seemed to embody the old American ethos of the rugged individual who shattered all expectations decimated the status quo and pulled himself up by his bootstraps succeeding when all odds were against just because he was audacious enough to try In his exploits Patton seems to loom larger than them all

Joseph Stalin There can be no doubt that Stalin is one of the most notorious and controversial figures in history He presents a puzzling paradox for both psychologists and sociologists he was simultaneously revered feared loved and hated during his lifetime So much has been written about the life of Joseph Stalin and yet upon closer inspection he still seems to present us with quite an enigma His cruelty towards his political opponents and dissidents is well known but so are his efforts to go out of his way in lifting up the most downtrodden and desperate members of Soviet society giving them the chance that Tsarist Russia would not

**Selling Strategically** Terry Barge,2016-01-10 In this post recessionary era sales professionals in every business to business sector must up their game significantly in order to create sustainable success for organisations and individuals alike **Selling Strategically A 21st Century Playbook** provides a proven and practical journey through the pivotal sales upgrades necessary to achieve and sustain revenue growth and profitability in a demanding and highly competitive 21st century business environment This book provides both the Why and the How of selling strategically and tracks why this business to business sales methodology plays a key role in delivering sales success for forward thinking organisations It introduces the role of the Sales Strategist and delves deeply into the four key attributes that define that role And to ensure that the book s key sales principles can be applied immediately there is a unique step by step Playbook that provides the essential how to steps

**Cavalry from Hoof to Track** Roman Jarmowycz,2009-10-09 History of cavalry from horses to tanks and helicopters

**Rommel's Desert War** Samuel W. Mitcham,2007-08-16 The most famous battles of one of World War II s most legendary commanders Told largely from Rommel s perspective using his papers and letters In a series of battles marked by daring raids and quick armored thrusts against a numerically superior enemy Erwin Rommel the notorious Desert Fox and his Afrika Korps waged one of World War II s toughest campaigns in the North African desert in 1942 The Axis campaign climaxed in June with the recapture of Tobruk a triumph that netted 33 000 prisoners and earned Rommel a field marshal s baton By fall however after setbacks at Alam Halfa and the 2 battles of El Alamein the Afrika Korps teetered on the brink of defeat which would come in Tunisia 6 months later

**Army** ,2007 *The Performance Factor* Pat MacMillan,2001 A how to book for achieving exceptional results through teamwork for any leader

*The Leadership Trajectory* Patricia S. Yoder-Wise,Karren Kowalski,Susan Sportsman,2020-08-16 Designed to help you excel at every stage of your leadership path this unique and practical text is organized around a nursing and health care leadership trajectory of three core areas The Strategies The Personal and The Environment The Strategies covers necessary actions that you need to take to become more influential in any environment to move yourself and your people to greater contributions The Personal relates to the concepts that you must develop and hone to increase your influence The Environment reinforces how you can exercise the strategies and personal factors in this leadership model through assessing the situations in which you find yourself Reflection questions in each chapter emphasize the importance of the process being discussed as a strategy for growth and to facilitate active reading LL Alert boxes cite examples of actions and statements to avoid LL Lineup summaries

at the end of each chapter help you create an action plan related to the chapter topic Practical approach features straightforward concise content that addresses only the most relevant information on the subject of each chapter The Strategies covers necessary actions that you need to take to become more influential in any environment to move yourself and your people to greater contributions The Personal relates to the concepts that you must develop and hone to increase your influence The Environment reinforces how you can exercise the strategies and personal factors in this model through assessing the situations in which you find yourself
