**New Argentine Cinema** Jens Andermann, 2011-11-30 Argentine filmmaking from the mid 1990s to the present has enjoyed worldwide success New Argentine Cinema explores this cinema in order to discover the elements that have made for this success in relation to the country's profound political social and cultural crisis during the same period Jens Andermann shows how the most recent wave of films differs markedly from the Argentine cinema of the preceding decade following the end of the dictatorship in 1983 Studying films by Lisandro Alonso Albertina Carri Lucrecia Martel Raul Perrone Martin Rejtman and Pablo Trapero among others he identifies a shift in aesthetic sensibilities between these directors and those of the previous generation as well as a profound change in the way films are being made and their relation to the audiovisual field at large In combining close comparative analyses with a review of the changing models of production editing actorship and location Andermann uncovers the ways in which Argentine films have managed to construct a complex multilayered account of their own present as shot through or perforated by the still unresolved legacies of the past

Prostíbulo de la Palabra Benito Pastoriza Iyodo, 2012-05-07 Prostíbulo de la palabra is Benito Pastoriza Iyodo's fourth collection of poetry The first edition of the book is accompanied by its English translation Brothel of the Word This bilingual volume exposes the reader to a work diverse in themes structure and format The book is a collection that encapsulates the people places beliefs and actions implicit in the concepts presented in the operative terms brothel and word in their physical linguistic and spiritual incarnations The title engenders curiosity about how the poet will interconnect these two concepts A brothel is generally associated with prostitution But knowing that the term prostitution can go beyond the world associated with the sexual act it should be no surprise that the poetic subject moves from the confines of a building the brothel to the environs where prostitution manifests itself in the impure and many times masked manipulation of language and mankind within a broader more global

**Moving Verses** Ben Bollig,2021 Moving Verses analyses the relationship between poetry and cinema in Argentina How do film and poetry transform each another when placed into productive dialogue Case studies include Argentina s most exciting and radical contemporary directors as well as established modern masters with a critical framework drawing on contemporary studies of intermediality and impure cinema **The Latin American Road Movie** Verónica Garibotto,Jorge Pérez,2016-07-28 This volume explores the ways films made by Latin American directors and or co produced in Latin American countries have employed the road movie genre to address the reconfiguration of the geographical sociopolitical economic and cultural landscape of Latin America Politics and Performance in Post-dictatorship Argentine Film and Theatre Philippa J. Page,2011 This comparative study examines the strategies of re politicization and socialization employed in contemporary Argentine film and theatre produced in the wake of the 1976 83 dictatorship It focuses on the socio political facets of performance across a range of films and dramatic compositions This comparative study examines the strategies of

re politicization and socialization employed in contemporary Argentine film and theatre produced in the wake of the 1976-83 dictatorship. It focuses on the socio-political facets of performance across a range of films and dramatic compositions. The book highlights the manner in which the trope of performance represents the place in which film and theatre experiment with generic and mediatic hybridization. Each chapter takes as its point of departure a series of politically motivated appropriations made by cinema and theatre from neighboring genres/media. In each case genre is shown to take on the role of mediator between competing aesthetic forms between aesthetics and politics/aesthetic performance and social performance/reality and fiction/postmodern heterogeneity and an increasingly present modern anxiety regarding the perceived need to preserve artistic purity/autonomy thus restoring what is specific to theatre and cinema's type of communication. Philippa Page has managed the cultural programme at the Maison de l'Argentine in the Cité Internationale Universitaire Paris and continues to research in the field of Argentine performance studies.

**Body, Gender, and Sexuality in Latin American Cinema: Insurgent Skin** Juli A. Kroll, 2022-08-01 Insurgent Skin: Body, Gender, and Sexuality in Latin American Cinema argues that twenty-first-century Latin American cinema about lesbian, feminist, intersex, and transgender themes is revolutionary because it disrupts heteronormative and binary representation and explores new queer signifying modes. Grounded in feminist and queer theory, Insurgent Skin conjugates film phenomenology and theories of affect and embodiment to analyze a spectrum of Latin American films. The first chapters explore queer signifying in Argentinean director Lucrecia Martel's Salta trilogy and the lesbian utopia of Albertina Carri's Las hijas del fuego (2018). Next, the book discusses the female body as uncanny absence in Tatiana Huezo's documentary Tempestad (2016), a film about gendered violence in Mexico. Chapter Five focuses on intersex films and the establishing of queer solidarity and an intersex gaze. The last chapter examines transgender embodiment in the Chilean film Una mujer fantástica (2017) and Brazilian documentary Bixa Travesti (2018).

**Affectual Erasure** Cynthia Margarita Tompkins, 2018-08-23 Affectual Erasure examines how Argentine cinema has represented Indigenous peoples

throughout a period spanning roughly a century Cynthia Margarita Tompkins interrelates her discussion of films with the ethnographic context of the Indigenous peoples represented and an analysis of the affective dimensions at play These emotions underscore the inherent violence of generic conventions as well as the continued political violence preventing Indigenous peoples from access to their ancestral lands and cultural mores Tompkins explores a broad range of movies beginning in the silent period and includes both feature films and documentaries underscored by archival and contemporary film stills She traces the initial erotic projection moving through melodrama to the conventions of the Western into the 1960s focus on decolonization superseded by allegorical renditions and the promise of self expression in late twentieth century documentaries Each section includes an introduction to the sociohistorical events of the period and their impact on film production Analyzed chronologically the films evidence different stages in the projection of the hegemonic Argentine imaginary which fails to envision the daily life of Indigenous peoples prior to conquest or in colonial times and remains in denial of their existence in the present Contemporary Hispanic Cinema Stephanie Dennison,2013 Includes chapters based on presentations made at a symposium entitled Transnational Film Financing in the Hispanic World held at the University of Leeds in 2009

**Telaraña** Rafael Vidarte González,2013-07 Telaraña es una crónica de nuestro tiempo en lo que concierne a unos personajes centrales de ficción que pertenecen a dos generaciones próximas y a un emplazamiento espacial concreto pero que podría fácilmente ampliarse desde Granada hasta cualquier otra ciudad de un país moderno del primer mundo Es una panorámica general que abarca conflictos significativos y muchas veces punzantes si bien no en la misma medida para todas las personas en los que el lector quizás se vea reflejado de alguna manera Así que vamos a ser partícipes acompañados de varios miembros de una

misma familia que tienen formas dispares de situarse ante los acontecimientos y decidir c mo afrontar los dilemas que se presentan a su paso e incluso de c mo capotear las embestidas m s amenazantes que les acechan en momentos impensados A medida que discurren los entresijos de la trama nos identificaremos de alguna manera con ellos les comprenderemos o les denostaremos les animaremos compadeceremos o incluso les amaremos siempre viendo un algo de nuestros propios dilemas de nuestro propio yo en el espejo de sus noveladas identidades
