Teamsters was one of this country's most corrupt unions with close ties to organized crime. Hundreds of officers drew enormous salaries while doing no work. Pension funds were drained to build Las Vegas casinos. Ultimately many Teamster leaders were either sent to prison or killed. But because he was willing to put members first, Carey and the Teamsters were able to defeat UPS and the major trucking companies along with their many enemies in the mob in corporate boardrooms and in the halls of Congress. In the process, Carey tangibly transformed the lives of countless workers. Drawing on transcripts from court hearings, public records, newspaper references, and over fifty first person interviews including several off the record conversations, Reiman brings us the untold story of Carey's meteoric rise and demise.

The Short Stories of Ron Iddon ... The Murray River Collection Ron Iddon, 2011. Eighteen stories of rural Australia and it's all here: drama, adventure, humour, love, lost and won, and just battling on with life. Ron Iddon's Murray River Collection is chock full of characters that some would say could only be Australian. Here you find the country's greatest cricketer but no one knows of him; a Lothario who believes he has found his true love but who is met only with hostility; a young sheep station owner who gives his friend a day on the property that the visitor only just survives; an antiques dealer who has devoted half his working life to tracking down an iconic and immensely valuable piece of Australian heritage; a woman who has cleverly plotted to redeem the unjustly defamed reputation of her late husband; and a young man who befriends that mythic Australian bush creature, the Bunyip. Ron Iddon has got it down as a chronicler of the lives of those Australians who live outside the cities; this man is at the top of his game.
