Lemmons,2011-05-11 Many commentators assume John s reference to the chosen lady and her children in 2 John 1 refers to the church But what if there really was a respected Christian sister in the community to whom John entrusted his epistle What might have been this woman s life story What might she remember of the apostle whom Jesus loved Thom Lemmons s biblically based fiction third in his popular Daughters of Faith series recounts what life might have been like for this woman whom he envisions as a young Nubian mother In his dynamic portrait of Amanis we become eyewitnesses of the last days of the apostolic era gleaning insights into our own ways of dealing with monumental change within the church and society today **The True Life** ,1890 *A Guide To Access God's Authority* Arvind Ephraim,2019-11-04 Seeing my mother suffering from various health issues as a child led me to this journey to find a true living God which ended with the encounter with Him and getting enlightened by His love I have seen the same with many people around who don t know how to deal with sickness and traumas in their personal lives and the lives of their loved ones But the good news is there is an answer and remedy for it in Jesus The Bible is not a religious book it s the Word from God which teaches how to deal with sickness evil spirits and life situations You don t have to live in defeat when you have God s given authority Let this book help understand what your authority is and how much God thinks about you and wants to see you as a conqueror This book also teaches you how to pray and use the Word of God as your authority and also the benefits of the application of Blood of Jesus along with your faith **The Ladies' Repository** ,1846 Grace to Grow Kristel Ward,2022-12-06 Encounter God s

stories Everyone loves them and long before they were officially recognized as God's Word the accounts in our present day Bible were preserved and passed along because they were great stories They had all the essential ingredients great characters heroism villainy and the triumph of the human spirit And at the heart of each there was the same profound message we have a God who is passionately in love with us and cannot rest until we show that same passionate love to one another This is what Jim Philipps wants his readers and catechists in particular to understand and share He guides them through Bible basics by sharing the stories of remarkable men and women in the Old and New Testaments He explores the intriguing parables of Jesus as well as stories from Acts of the Apostles and the adventures of St Paul Finally he takes a reverent look at the scriptural basis of a storytelling tool that has caught generations of Christians in its power the rosary and in particular the reflections on the mysteries of light which tell the story of the ministry of Jesus Each brief chapter includes a bit of Bible scholarship to help readers place the story in its proper context a reflection that offers a deeper experience of the story and a series of questions and activities that make personal connections to everyday life This is a great introduction to the Bible and its stories and a wonderful resource for catechists and all who want to share and explore these stories with others **Just Walk Across the Room** Bill Hybels,2008-09-09 What if you knew that by simply crossing the

room and saying hello to someone you could change that person's forever Just a few steps to make an eternal difference It

has nothing to do with methods and everything to do with taking a genuine interest in another human being All you need is a heart that is in tune with the Holy Spirit and a willingness to venture out of your Circle of Comfort and into another person's life Just Walk Across the Room brings personal evangelism into the twenty first century Building on the solid foundation laid in Becoming a Contagious Christian Bill Hybels shows how you can participate in the model first set by Jesus who stepped down from heaven 2 000 years ago to bring hope and redemption to broken people living in a fallen world Now it's your turn Your journey may not be as dramatic but it can have a life changing impact for someone standing a few steps away from you and for you as well as you learn the power of extending care compassion and inclusiveness under the guidance of the Holy Spirit The highest value in personal evangelism is cooperating with the Spirit says Hybels This means playing only the role you're meant to play walking when the Spirit says to walk talking when he says to talk and falling silent when he suggests that you've said enough Hybels encourages you to live in 3D Developing friendships Discovering stories Discerning appropriate next steps as a means of learning to understand the Holy Spirit's promptings With fresh perspectives from his own reflections and experiences collected during his most recent decade of ministry Bill Hybels shows with convincing and inspiring clarity the power of this personal richly relational approach to evangelism The stakes are high The implications are eternal And you may be only a conversation away from having an eternal impact on someone's life if you will just walk across the room
