Lash,2021-12-06 Using the Roosevelt Churchill correspondence British War Cabinet and Foreign Office files and Roosevelt Map Room papers Joseph P Lash takes a fresh

look at men and events in the critical months between the outbreak of World War II in September 1939 and Pearl Harbor. He brings out the similarities and contrasts between Roosevelt and Churchill where they were great or flawed, how each sought to manipulate the other but always in the framework of common purposes, most importantly their understanding of the importance of sea power and of the necessity of Anglo-American naval supremacy. Joseph Lash has written an excellent account full of shrewd personal and political insights and based on a real command of the sources and an ability to organize his material into a continuously interesting narrative. Much of the story is familiar but Mr Lash has added some telling new details from the archives at Hyde Park and in the British Public Record Office. The New York Times: A rich account of a remarkable collaboration during the pre Pearl Harbor years of WW II. Throughout Lash examines with candor and admiration how FDR manipulated Congress, the bureaucracy and public opinion, working with Churchill on the phrasing and timing of steps toward American entry into the war. Kirkus: Joseph Lash has once again demonstrated his gift for blending diligent historical research with the human drama of an extraordinary relationship. His chronicle of Roosevelt and Churchill is absorbing and exciting; it will also be an invaluable document for any future exploration of the struggle for democratic survival in this century. James A. Wechsler, Editorial Page Editor, New York Post: A splendid work, incisive in its analysis, compelling in its narrative, sensitive in its judgments. It is quite worthy of its protagonists and what more can one possibly say. Arthur Schlesinger Jr.: A perceptive, well organized and well written exploration both of his two main characters and of a large supporting cast. The book is a pleasure to read. History: The publication of Lash's book is an important event in the historiography of World War II. Lash has accomplished an impressive historical synthesis. Reviews in American History: There is much to praise in this volume, a book which undoubtedly will be widely read. Lash is a first rate writer and researcher. Political Science Quarterly: A fascinating book. The Virginia Quarterly Review: The major strands of this story have long been familiar but the author adds many revealing and colorful details; he writes superbly. Foreign Affairs: This is a beautifully written book which captures the spirit of the two leaders and is well worth the time spent reading it. Lash offers some thoughtful insights into the personalities of both Churchill and Roosevelt as well as some perceptive comments on their relationship. His picture is clear: Roosevelt and Churchill, for all of their faults, were the great men which the times demanded. The American Historical Review: **Churchill and Roosevelt, Volume 2**. Warren F.
