author's intent In Tao Yuanming and Manuscript Culture Xiaofei Tian shows how readers not only experience authors but produce them by shaping texts to their interpretation Tian examines the mechanics and history of textual transmission in China by focusing on the evolution over the centuries of the reclusive poet Tao Yuanming into a figure of epic stature Considered emblematic of the national character Tao Yuanming also known as Tao Qian 365-427 c.e. is admired for having turned his back on active government service and city life to live a simple rural life of voluntary poverty The artlessness of his poetic style is held as the highest literary and moral ideal and literary critics have taken great pains to demonstrate perfect consistency between Tao Yuanming's life and poetry Earlier work on Tao Yuanming has tended to accept this image interpreting the poems to confirm the image Tao Yuanming and Manuscript Culture is a study of how this cultural icon was produced and of the elusive traces of another historical Tao Yuanming behind the icon By comparing four early biographies of the poet Tian shows how these are in large measure constructed out of Tao Yuanming's self image as projected in his poetry and prose Drawing on work in European medieval literature she demonstrates the fluidity of the Chinese medieval textual world and how its materials were historically reconfigured for later purposes Tian finds in Tao's poetic corpus not one essentialized Tao Yuanming but multiple texts continuously produced long after the author's physical demise Her provocative look at the influence of manuscript culture on literary perceptions transcends its immediate subject and has special resonance today when the transition from print to electronic media is shaking the literary world in a way not unlike the transition from handwritten to print media in medieval China

August Wilson Mary Ellen Snodgrass, 2015-03-10 Award winning African American playwright August Wilson created a cultural chronicle of black America through such works as *Ma Rainey's Black Bottom*, *Fences*, *Joe Turner's Come and Gone*, *The Piano Lesson*, and *Two Trains Running*. The authentic ring of wit, anecdote, homily, and plaint proved that a self-educated Pittsburgh ghetto native can grow into a revered conduit for a century of black achievement. He forced readers and audiences to examine the despair generated by poverty and racism by exploring African American heritage and experiences over the course of the twentieth century. This literary companion provides the reader with a source of basic data and analysis of characters, dates, events, allusions, staging strategies, and themes from the work of one of America's finest playwrights. The text opens with an annotated chronology of Wilson's life and works followed by his family tree. Each of the 166 encyclopedic entries that make up the body of the work combines insights from a variety of sources along with generous citations; each concludes with a selected bibliography on such relevant subjects as the blues, Malcolm X, irony, roosters, and Gothic mode. Charts elucidate the genealogies of Wilson's characters, the Charles Hedley and Maxson families, and account for weaknesses in Wilson's female characters. Two appendices complete the generously cross-referenced work: a timeline of events in Wilson's life and those of his characters, and a list of 40 topics for projects, composition, and oral analysis. **I Was Born This Way,**
