Abridged for the use of young persons** Thomas ROBINSON (Vicar of St. Mary's, Leicester.),1816 Scripture Characters Thomas Robinson,1834 *Scripture Characters ... A new edition, etc* Thomas ROBINSON (Vicar of St. Mary's, Leicester.),1824 Messiah's proper deity, argued from Scripture; also, His atonement; and the divinity of the holy Spirit: with strictures on the way of a sinner's acceptance with God, and on some Unitarian publications Niel Douglas,1807 **Arkansas Libraries** ,1982 **Scripture Characters, Or a Practical**

Improvement of the Principal Histories in the Old and New Test Robinson,1824 The Sunday School Helper ,1878

Throughout the Bible fire symbolizes God's presence power and works during the Exodus God led the Israelites by day in a pillar of fire while at Pentecost tongues of flame rested upon the heads of believers filled with the Holy Spirit Ultimately this divine fire is intended to kindle within us a passion for God and for doing his will The FireBible's notes and commentary will show readers how the spiritual empowerment that began at Pentecost is available today and is a gift to modern followers of Christ This unique volume's detailed book introductions notes and other features will greatly benefit anyone interested in living the Christian life in the fullness of the Spirit **Christian Theology for the People** Willis Lord,1875 **The Suffering Servant of the Lord,**

Second Edition David J. MacLeod,2019-06-18 The Suffering Servant of the Lord A Prophecy of Jesus Christ is a major new study of the fifty third chapter of Isaiah It is exegetical expositional devotional and Christological It is exegetical in that it is based on a careful study of the text It is expositional in that it explains the meaning of chapter to both its original and modern readers The book will give preachers and teachers help in outlining and illustrating their sermons and lectures It is devotional in that this marvelous chapter addresses the deepest need of people the need for forgiveness of sin and peace with God It is Christological in that it focuses on the person of Jesus Christ MacLeod writes I have finished this work more convinced than ever that the passage is a straightforward prophecy of Jesus Christ written by the prophet Isaiah some seven hundred years before the birth of the Savior **Fire Bible-NIV-Student** Donald Stamps,2009-10 The Fire Bible's notes and commentary will show you how the spiritual empowerment that began at Pentecost is available today and is a gift to modern followers of Christ The Sunday at Home ,1864 Virgins, Harlots and Sex David Chesney,2011-02-14 AN Earthy Look At Christianity Many biblical terms have a consistent symbolic significance from Genesis to Revelation eg nudity light and

darkness virgins harlots Nudity occurs in three of the most significant events in the whole Bible and in every case it is best understood symbolically This book demonstrates that symbolism is so powerful it can for example change the status of Isaiah's virgin birth prophecy from an absurdity to an astonishing fulfilment of prophecy Harlots described in the book as God's warning lights also figure very prominently in the biblical coverage of both Jews and Christians Another key theme is to show that the raw seed concepts of the Hebrew Bible evolve so neatly into the Christian New Testament viewpoint over a 1000 years that readers may conclude uninspired biblical script writers could not have organized it Here are some quotes from the book that introduce intriguing and or provocative new trains of thought 1 If you think linking sex with religious experience is a bit rich then you need to do some more Bible study 2 Indulgence in adultery is the most obvious of the sins proscribed in the Ten Commandments that could trace directly to hormonal influences 3 Should we be joining Haters Anonymous Schadenfreude Anonymous or Egotists Anonymous in order to qualify for a better land and to actually enjoy it 4 Some of our excretory functions are less than ideal for a brand new earth the creator team could have done better by us if they wanted to 5 It is tacitly assumed God did not conduct experiments in His creation efforts No need to He knows the end from the beginning But Other challenging insights emerge in connection with Lot's use of his daughters as sex sops the possible symbolic significance of the Mosaic decree to cut off a lady's hand if she squeezed testicles the massaging of data in St Matthew's genealogies a religious uncertainty principle and the reason God doesn't do something to stop the frightful things happening in the world This is not a book built on hype and emotion It makes extensive use of scholarly sources but has a light hearted journalistic approach and is easy to read In exploring the spiritual import of sexual issues in nature and revelation it offers fresh perspectives on the bitter creation evolution debate the gross and genocidal behavior of the chosen people the currently unacceptable biblical restrictions on human sexual behavior and the decidedly low key role of women in organized religion Innovative succinct engaging thought provoking and sometimes shocking
