Newton, Evangeline Newton, 2008-05-01 Suitable for K 12 teachers this book provides the latest research on strategies ideas and resources for teaching Greek and Latin roots including prefixes suffixes and bases to help instruct learners in vocabulary development improve their comprehension and ultimately help learners to read more effectively Written by leading authors and literacy experts this book enhances instruction with an in depth understanding of how to incorporate word roots into vocabulary lessons in all content areas Strategies are presented to help teachers empower students with techniques for using roots to unlock word meaning while expanding their vocabularies and developing a genuine appreciation for words Ideas on how to plan and adapt vocabulary instruction for English language learners are included to help achieve successful results in diverse classrooms This resource is aligned to the interdisciplinary themes from the Partnership for 21st Century Skills and supports the Common Core and other state standards

**'Til Death Or Distance Do Us Part** Frances Smith Foster, 2010-01-12 Conventional wisdom tells us that marriage was illegal for African Americans during the antebellum era and that if people married at all their vows were tenuous ones until death or distance do us part It is an impression that imbues beliefs about black families to this day But it s a perception primarily based on documents produced by abolitionists the state or other partisans It doesn t tell the whole story Drawing on a trove of less well known sources including family histories folk stories memoirs sermons and especially the fascinating writings from the Afro Protestant Press *Til Death or Distance Do Us Part* offers a radically different perspective on antebellum love and family life Frances Smith Foster applies the knowledge she s developed over a lifetime of reading and thinking Advocating both the potency of skepticism and the importance of story telling her book shows the way toward a more genuine more affirmative understanding of African American romance both then and now

*Identifying, Assessing, and Treating Dyslexia at School* Catherine Christo, John M. Davis, Stephen E. Brock, 2009-04-21 As many as one in four children experiences problems with reading Dyslexia the most common learning disability leads to well documented negative effects on school and ultimately adult success Therefore it is critical that school professionals provide early and effective assessment and intervention *Identifying Assessing and Treating Dyslexia at School* equips practitioners with in depth understanding of the disorder and a wealth of practical information for meeting student needs This volume Reviews up to date findings on dyslexia causes prevalence and related conditions Provides research based tools for identifying and addressing dyslexia Offers a detailed framework for case finding and screening diagnostic and psychoeducational assessment as well as age and grade appropriate intervention Explains the roles and responsibilities of school psychologists when it comes to identifying students with dyslexia Focuses solely on dyslexia unlike most other books on learning disabilities As the duties of school psychologists and related education professionals become more complex recognizing and providing services

for students with learning disorders has become progressively more demanding Identifying Assessing and Treating Dyslexia at School offers practitioners an accessible and easy to read reference that they will use for years to come
