

THE ROOTS OF AMERICAN COMMUNISM

BY **THEODORE DRAPER**

The untold story of the formative years of the Communist party in America: a vividly revealing and fully documented survey of its origins, its founding in 1919, its underground activities, and its emergence as a unified, legal party. By tracing the party's earliest ties to Russia and the Comintern, it helps us to understand what is happening to communism throughout the world today.

Roots Of American Communism

Theodore Draper

Roots Of American Communism:

The Roots of American Communism , In his special prescient way Theodore Draper himself had the final words on American Communism It is like a museum of radical politics In its various stages it has virtually been all things to all men There are many ways of trying to understand such a movement but the first task is historical In some respects there is no other way to understand it or at least to avoid seriously misunderstanding it Every other approach tends to be static one sided or unbalanced Draper correctly notes that the formative period of the American Communist movement has remained a largely untold and even unknown story In part the reasons for this are that the Communist movement although a child of the West grew to power in the Soviet East But Draper rescues this chapter with deep appreciation for the fact that communism was not something that happened just in Russia but also in the United States This is a must read for scholars and laypersons alike

BOOK JACKET *The Roots of American Communism* Theodore Draper,1963-08-26 The definitive history of the evolution of the Communist party in America from its early background through its founding in 1919 to its emergence as a legal entity in the 1920s An outstanding contribution to knowledge and understanding of the Communist movement in this country George F Kennan *The Roots of American Communism* Theodore Draper,1977-01-01 The definitive history of the evolution of the Communist party in America from its early background through its founding in 1919 to its emergence as a legal entity in the 1920s An outstanding contribution to knowledge and understanding of the Communist movement in this country George F Kennan **The Roots of American Communism** Victor W. Turner,2017 In this definitive history of the evolution of the Communist Party in America from its early background through its founding in 1919 to its emergence as a legal entity in the 1920s Theodore Draper traces the native and foreign strains that comprised the party He emphasizes its shifting policies and secrets as well as its open activities He makes clear how the party in its infancy was transformed from a new expression of American radicalism to the American appendage of a Russian revolutionary power a fact that Draper develops in his succeeding volume *American Communism and Soviet Russia* In his special prescient way Theodore Draper himself had the final words on American Communism It is like a museum of radical politics In its various stages it has virtually been all things to all men There are many ways of trying to understand such a movement but the first task is historical In some respects there is no other way to understand it or at least to avoid seriously misunderstanding it Every other approach tends to be static one sided or unbalanced Draper correctly notes that the formative period of the American Communist movement has remained a largely untold and even unknown story In part the reasons for this are that the Communist movement although a child of the West grew to power in the Soviet East But Draper rescues this chapter with deep appreciation for the fact that communism was not something that happened just in Russia but also in the United States This is a must read for scholars and laypersons alike This volume is conceived as an independent and self contained study of the American Communist movement Draper correctly notes that the formative period is largely untold and even unknown In

part the reasons for this are that the Communist movement although a child of the West grew to power in the Soviet East Draper appreciates the fact that communism was not something that happened only in Russia but also took place in the United States That experience is the focus of this volume Provided by publisher [American Communism and Soviet Russia](#) Theodore Draper, 2017-07-05 This companion volume to The Roots of American Communism brings to completion what the author describes as the essence of the relationship of American Communism to Soviet Russia in the first decade after the Bolsheviks seized power The outpouring of new archive materials makes it plain that Draper's premise is direct and to the point The communist movement was transformed from a new expression of American radicalism to the American appendage of a Russian revolutionary power Each generation must find this out for itself and no better guide exists than the work of master historian Theodore Draper American Communism and Soviet Russia is acknowledged to be the classic authoritative history of the critical formative period of the American Communist Party Based on confidential minutes of the top party committees interviews with party leaders and public records this book carefully documents the influence of the Soviet Union on the fundamental nature of American Communism Draper's reflections on that period in this edition are a fitting capstone to this pioneering effort Daniel Bell in Saturday Review remarked about this work that there are surprisingly few scholarly histories of individual Communist parties and even fewer which treat of this crucial decade in intimate detail Draper's account is therefore of great importance Arthur M Schlesinger in The New York Times Book Review says that in reading Draper's closely packed pages one hardly knows whether to marvel more at the detachment with which he examines the Communist movement the patience with which he unravels the dreary and intricate struggles for power among the top leaders or the intelligence with which he analyzes the interplay of factors determining the development of American Communism And Michael Harrington in Commonweal asserted that Draper's book will long be a definitive source volume and analysis of the Stalinization of American Communism [American Communism and Soviet Russia](#) Theodore Draper, 2003 This companion volume to The Roots of American Communism brings to completion what the author describes as the essence of the relationship of American Communism to Soviet Russia in the first decade after the Bolsheviks seized power The outpouring of new archive materials makes it plain that Draper's premise is direct and to the point The communist movement was transformed from a new expression of American radicalism to the American appendage of a Russian revolutionary power Each generation must find this out for itself and no better guide exists than the work of master historian Theodore Draper American Communism and Soviet Russia is acknowledged to be the classic authoritative history of the critical formative period of the American Communist Party Based on confidential minutes of the top party committees interviews with party leaders and public records this book carefully documents the influence of the Soviet Union on the fundamental nature of American Communism Draper's reflections on that period in this edition are a fitting capstone to this pioneering effort Daniel Bell in Saturday Review remarked about this work that there are surprisingly few scholarly histories

of individual Communist parties and even fewer which treat of this crucial decade in intimate detail Draper's account is therefore of great importance Arthur M Schlesinger in The New York Times Book Review says that in reading Draper's closely packed pages one hardly knows whether to marvel more at the detachment with which he examines the Communist movement the patience with which he unravels the dreary and intricate struggles for power among the top leaders or the intelligence with which he analyzes the interplay of factors determining the development of American Communism And Michael Harrington in Commonweal asserted that Draper's book will long be a definitive source volume and analysis of the Stalinization of American Communism Theodore Draper is the author of many books on contemporary politics and international relations He is a Fellow of the American Academy of Arts Sciences and lives in Princeton New Jersey This is the third work of his to be reissued by Transaction

James P. Cannon and the Origins of the American Revolutionary Left, 1890-1928 Bryan D. Palmer, 2010-10-01 Bryan D Palmer's award winning study of James P Cannon's early years 1890-1928 details how the life of a Wobbly hobo agitator gave way to leadership in the emerging communist underground of the 1919 era This historical drama unfolds alongside the life experiences of a native son of United States radicalism the narrative moving from Rosedale Kansas to Chicago New York and Moscow Written with panache Palmer's richly detailed book situates American communism's formative decade of the 1920s in the dynamics of a specific political and economic context Our understanding of the indigenous currents of the American revolutionary left is widened just as appreciation of the complex nature of its interaction with international forces is deepened

The Soviet World of American Communism Harvey Klehr, John Earl Haynes, Kyrill M. Anderson, 2008-10-01 The Secret World of American Communism 1995 filled with revelations about Communist party covert operations in the United States created an international sensation Now the American authors of that book along with Soviet archivist Kyrill M Anderson offer a second volume of profound social political and historical importance Based on documents newly available from Russian archives The Soviet World of American Communism conclusively demonstrates the continuous and intimate ties between the Communist Party of the United States of America CPUSA and Moscow In a meticulous investigation of the personal organizational and financial links between the CPUSA and Soviet Communists the authors find that Moscow maintained extensive control of the CPUSA even of the American rank and file The widely accepted view that the CPUSA was essentially an idealistic organization devoted to the pursuit of social justice must be radically revised say the authors Although individuals within the organization may not have been aware of Moscow's influence the leaders of the organization most definitely were The authors explain and annotate ninety five documents reproduced here in their entirety or in large part and they quote from hundreds of others to reveal the actual workings of the American Communist party They show that the USSR covertly provided a large part of the CPUSA budget from the early 1920s to the end of the 1980s Moscow issued orders which the CPUSA obeyed on issues ranging from what political decisions the American party should make to who should serve in the party leadership the CPUSA endorsed

Stalin's purges and the persecution of Americans living in Russia **American Communism** James O'Neal, 1927

Hollywood and Anticommunism John J. Gladchuk, 2013-10-11 This work concentrates on tracing the evolution of the so-called red menace phenomenon as a means of demonstrating the correlation between growing American paranoia and the success of the anticommunist campaign 1935-1955 The House Committee on Un-American Activities 1947 investigation of Hollywood the nation's most visible industry served a critical role in conjuring up anti-red hysteria and fanning the flames of virulent anticommunism Using conveniently unjust tactics the Committee painted targeted Hollywood personalities red and established the infamous blacklist certified proof in the minds of many that subversives were indeed conspiring from within A failed attempt on behalf of the Hollywood Ten to demonstrate the Committee's undemocratic nature allowed HUAC to forge ahead with its investigation and establish the anticommunist foundation upon which Joseph McCarthy would construct his campaign Hollywood and Anticommunism stands as an important contribution to McCarthy era literature and should appeal to all interested in the early Cold War and the impact that unwarranted hysteria has had and continues to have on the growth and development of the nation **The Socialist Party of America** Jack Ross (Historian), 2015 At a time when the word

socialist is but one of numerous political epithets that are generally divorced from the historical context of America's political history The Socialist Party of America presents a new mature understanding of America's most important minor political party of the twentieth century From the party's origins in the labor and populist movements at the end of the nineteenth century to its heyday with the charismatic Eugene V. Debs and to its persistence through the Depression and the Second World War under the steady leadership of America's conscience Norman Thomas The Socialist Party of America guides readers through the party's twilight ultimate demise and the successor groups that arose following its collapse Based on archival research Jack Ross's study challenges the orthodoxies of both sides of the historiographical debate as well as assumptions about the Socialist Party in historical memory Ross similarly covers the related emergence of neoconservatism and other facets of contemporary American politics and assesses some of the more sensational charges from the right about contemporary liberalism and the radicalism of Barack Obama **A Conservative History of the American Left** Daniel J. Flynn, 2008-04-29 From Communes to the Clintons Why does Hillary Clinton crusade for government provided health care for every American for the redistribution of wealth and for child rearing to become a collective obligation Why does Al Gore say that it's okay to over-represent the dangers of global warming in order to sell Americans on his draconian solutions Why does Michael Moore call religion a device to manipulate gullible Americans Where did these radical ideas come from And how did they enter the mainstream discourse In this groundbreaking and compelling new book Daniel J. Flynn uncovers the surprising origins of today's Left The first work of its kind A Conservative History of the American Left tells the story of this remarkably resilient extreme movement one that came to America's shores with the earliest settlers Flynn reveals a history that leftists themselves ignore whitewash or obscure Partly the Left's amnesia is convenient Who wouldn't want to forget an ugly history

that includes eugenics racism violence and sheer quackery Partly it is self aggrandizing Bold schemes sound much more innovative when you refuse to acknowledge that they have been tried and have failed many times before And partly it is unavoidable The Left is so preoccupied with its triumphal future that it doesn't pause to learn from its past mistakes So it goes that would be revolutionaries have repeatedly failed to recognize the one troubling obstacle to their grandiose visions reality In unfolding this history Flynn presents a page turning narrative filled with colorful fascinating characters progressives and populists radicals and reformers socialists and SDSers and leftists of every other stripe There is the rags to riches Welsh industrialist who brought his utopian vision to America one in which private property religion and marriage represented the most monstrous evils and gained audiences with the likes of Thomas Jefferson John Adams and James Madison There is the wife swapping Bible thumper who nominated Jesus Christ for president There is the playboy adventurer whose worshipful accounts of Soviet Russia lured many American liberals to Communism There is the daughter of privilege turned violent antiwar activist who lost her life to a bomb she had intended to use against American soldiers There are fanatics and free spirits perverts and puritans entrepreneurs and altruists and many more beyond A Conservative History of the American Left is a gripping chronicle of the radical visionaries who have relentlessly pursued their lofty ambitions to remake society Ultimately Flynn shows the destructiveness that comes from this undying pursuit of dreams that are utterly unattainable

Forging American Communism Edward P. Johanningsmeier, 2014-07-14 A major figure in the history of twentieth century American radicalism William Z Foster 1881 1961 fought his way out of the slums of turn of the century Philadelphia to become a professional revolutionary as well as a notorious and feared labor agitator Drawing on private family papers FBI files and recently opened Russian archives this first full scale biography traces Foster's early life as a world traveler railroad worker seaman hobo union activist and radical journalist and also probes the origins and implications of his ill fated career as a top echelon Communist official and three time presidential candidate Even though Foster's long and eventful life ended in Moscow where he was given a state funeral in Red Square he was as portrayed here a thoroughly American radical The book not only reveals the circumstances of Foster's poverty stricken childhood in Philadelphia but also vividly describes his work and travels in the American West Also included are fascinating accounts of his early political career as a Socialist Wobbly and anarcho syndicalist and of his activities as the architect of giant organizing campaigns by the American Federation of Labor involving hundreds of thousands of workers in the meatpacking and steel industries The author views Foster's influence in the American Communist movement from the perspective of the history of American labor and unionism but he also offers a realistic assessment of Foster's career in light of factional intrigues at the highest levels of the Communist International Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and

hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **A Fire in Their Hearts** Tony Michels, 2009-04-15 In a compelling history of the Jewish community in New York during four decades of mass immigration Tony Michels examines the defining role of the Yiddish socialist movement in the American Jewish experience The movement founded in the 1880s was dominated by Russian speaking intellectuals including Abraham Cahan Mikhail Zametkin and Chaim Zhitlovsky Socialist leaders quickly found Yiddish essential to convey their message to the Jewish immigrant community and they developed a remarkable public culture through lectures and social events workers education societies Yiddish schools and a press that found its strongest voice in the mass circulation newspaper Forverts Arguing against the view that socialism and Yiddish culture arrived as Old World holdovers Michels demonstrates that they arose in New York in response to local conditions and thrived not despite Americanization but because of it And the influence of the movement swirled far beyond the Lower East Side to a transnational culture in which individuals ideas and institutions crossed the Atlantic New York Jews in the beginning exported Yiddish socialism to Russia not the other way around The Yiddish socialist movement shaped Jewish communities across the United States well into the twentieth century and left an important political legacy that extends to the rise of neoconservatism A story of hopeful successes and bitter disappointments **A Fire in Their Hearts** brings to vivid life this formative period for American Jews and the American left **The Communist Experience in America** Harvey Klehr, 2017-07-28 Arguments about whether distinctive features of American society culture political structure economic system or population account for the relative weakness of American radicalism have engaged historians sociologists and political scientists for decades Influential concepts such as frontier theory have been linked with the absence of class conflict in America Other analysts have attributed the failure of the American Left to fierce repression giving red scares and the McCarthy era as illustrations Some have linked the American Left's failure to American immigration winner take all elections and the cultural values of individualism The Communist Party one of America's largest and longest lasting radical groups offers many lessons about how radical political groups can take advantage of or squander their opportunities Klehr focuses on the theme of American exceptionalism and problems that America's capitalist society raised for Marxism and other radical groups **The Communist Experience in America** deals with dissident communist formulations Such groups included a number of talented men who went on to a variety of political and literary careers Klehr also deals with fellow travelers some of whom wrote fascinating essays on American exceptionalism and the decline of political extremism In part Klehr hopes to inspire the same moral outrage about Communism that fuels those dedicated to ensuring that Nazi crimes are never forgotten or obfuscated Communism in practice everywhere in the world also came at enormous human cost Regardless of their other virtues or qualities those who supported or defended Communism from the safety of the United States must be called to account This work does just that in detail and depth **Seeing Reds** Charles H.

McCormick,2010-06-15 During World War I fear that a network of German spies was operating on American soil justified the rapid growth of federal intelligence agencies When that threat proved illusory these agencies staffed heavily by corporate managers and anti union private detectives targeted antiwar and radical labor groups particularly the Socialist party and the Industrial Workers of the World Seeing Reds based largely on case files from the Bureau of Investigation Military Intelligence Division and Office of Naval Intelligence describes this formative period of federal domestic spying in the Pittsburgh region McCormick traces the activities of L M Wendell a Bureau of Investigation special employee who infiltrated the IWW s Pittsburgh recruiting branch and the inner circle of anarchist agitator and lawyer Jacob Margolis Wendell and other Pittsburgh based agents spied on radical organizations from Erie Pennsylvania to Camp Lee Virginia intervened in the steel and coal strikes of 1919 and carried out the Palmer raids aimed at mass deportation of members of the Union of Russian Workers and the New Communist Party McCormick s detailed history uses extensive research to add to our understanding of the security state cold war ideology labor and immigration history and the rise of the authoritarian American Left as well as the career paths of figures as diverse as J Edgar Hoover and William Z Foster Marxian Socialism in the United States Daniel Bell,2018-10-18 First published in 1952 then out of print in recent years this classic account of the American Left is once again available In his introduction to the Cornell paperback edition Michael Kazin reevaluates the book viewing it in the context of subsequent work on the subject and of the recent history of the Left itself *Claude McKay, Rebel Sojourner in the Harlem Renaissance* Wayne F. Cooper,1996-02 Cooper paints a meticulous and absorbing portrait of McKay s restless artistic intellectual and political odyssey The definitive biography on McKay Choice Although recognized today as one of the genuine pioneers of black literature in this century the author of If We Must Die Home to Harlem Banana Bottom and A Long Way from Home among other works Claude McKay 1890 1948 died penniless and almost forgotten in a Chicago hospital In this masterly study Wayne Cooper presents a fascinating detailed account of McKay s complex chaotic and frequently contradictory life In his poetry and fiction as well as in his political and social commentaries McKay searched for a solid foundation for a valid black identity among the working class cultures of the West Indies and the United States He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen and also to influential West Indian and African writers such as C L R James and Aim C saire Knowledge of his life adds important dimensions to our understanding of American radicalism the expatriates of the 1920s and American literature Mr Cooper s most original contribution is his careful and perceptive analysis of McKay s nonfiction writing especially his social and political commentary which often contained prophetic statements on a range of important social political and historical issues New York Times Book Review The Secret World of American Communism Harvey Klehr,John Earl Haynes,Fridrikh Igorevich Firsov,1995-01-01 The hidden world of American communism can now be examined with the help of documents from the recently opened archives of the former Soviet Union Interweaving narrative and documents the authors of this book

present a convincing new picture of the Communist Part of the the United States of America CPUSA providing proof that it was involved in espionage and other subversive activities 16 illustrations **James P. Cannon and the Emergence of Trotskyism in the United States, 1928-38** Bryan D. Palmer, 2021-10-25 Bryan D Palmer reinterprets the history of labour and the left in the United States during the 1930s through a discussion of the emergence of Trotskyism in the most advanced capitalist country in the world Focussing on James P Cannon the founder of American Trotskyism Palmer builds on his previously published and award winning book James P Cannon and the Origins of the American Revolutionary Left 1890 1928 2007 with a deeply researched and elegantly written study of Cannon and the Trotskyist movement in the United States from 1928 38 Situating this dissident communist movement within the history of class struggle both national and international Palmer examines how Cannon and others fought to revive a combative trade unionism thwart fascism and the drift to war refuse Stalinism s many degenerations and build a new Party and a new International both of which would be dedicating to reviving and realizing the possibilities of revolutionary socialism The result is a study that provides a definitive account of the largest and most influential Trotskyist movement in the world in the 1930s a mobilization whose history recasts understandings of the more extensively studied experience of United States working class militancy and the place of the Comintern affiliated Communist Party within it

Unveiling the Magic of Words: A Overview of "**Roots Of American Communism**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Roots Of American Communism**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.

Roots Of American Communism Introduction

In today's digital age, the availability of Roots Of American Communism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Roots Of American Communism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Roots Of American Communism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Roots Of American Communism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Roots Of American Communism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Roots Of American Communism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Roots Of American Communism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Roots Of American Communism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Roots Of American Communism books and manuals for download and embark on your journey of knowledge?

FAQs About Roots Of American Communism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Roots Of American Communism is one of the best book in our library for free trial. We provide copy of Roots Of American Communism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Roots Of American Communism. Where to download Roots Of American Communism online for free? Are you looking for Roots Of American Communism PDF? This is definitely going to save you time and cash in something you should think about.
