Roots Of Nationalism Sri Lanka

Helen Hintjens, Dubravka Zarkov

Roots Of Nationalism Sri Lanka:

The Separatist Conflict in Sri Lanka Asoka Bandarage, 2008-11-19 The book provides a detailed historically based analysis of the origin evolution and potential resolution of the civil conflict in Sri Lanka over the struggle to establish a separate state in its Northern and Eastern provinces This conflict between the Sri Lankan government and the secessionist LTTE Liberation Tigers of Tamil Eelam is one of the world's most intractable contemporary armed struggles The internationally banned LTTE is considered the prototype of modern terrorism It is known to have introduced suicide bombing to the world and recently became the first terrorist organization ever to acquire an air force The iron law of ethnicity the assumption that cultural difference inevitably leads to conflict has been reinforced by the 9/11 attacks and conflicts like the one in Sri Lanka However the connections among ethnic difference conflict and terrorism are not automatic This book broadens the discourse on the separatist conflict in Sri Lanka by moving beyond the familiar bipolar Sinhala versus Tamil ethnic antagonism to show how the form and content of ethnicity are shaped by historical social forces It develops a multipolar analysis which takes into account diverse ethnic groups intra ethnic social class caste and other variables at the local regional and international levels Overall this book presents a conceptual framework useful for comparative global conflict analysis and resolution shedding light on a host of complex issues such as terrorism civil society diasporas international intervention and secessionism

The Oxford History of the British Empire: Historiography Robin W. Winks, 1999 This volume investigates the shape and the development of scholarly and popular opinion about the British Empire over the centuries

From Coffee to Tea Cultivation in Ceylon, 1880-1900 Roland Wenzlhuemer, 2008-01-01 In the early 1880s a disastrous plant disease diminished the yields of the hitherto flourishing coffee plantation of Ceylon Coincidentally world market conditions for coffee were becoming increasingly unfavourable The combination of these factors brought a swift end to coffee cultivation in the British crown colony and pushed the island into a severe economic crisis When Ceylon re-emerged from this crisis only a decade later its economy had been thoroughly transformed and now rested on the large scale cultivation of tea This book uses the unprecedented intensity and swiftness of this process to highlight the socioeconomic interconnections and dependencies in tropical export economies in the late nineteenth century and it shows how dramatically Ceylonese society was affected by the economic transformation

The Oxford History of the British Empire: Volume V: Historiography Robin Winks, 1999-10-21 The Oxford History of the British Empire is a major new assessment of the Empire in the light of recent scholarship and the progressive opening of historical records From the founding of colonies in North America and the West Indies in the seventeenth century to the reversion of Hong Kong to China at the end of the twentieth British imperialism was a catalyst for far reaching change The Oxford History of the British Empire as a comprehensive study helps us to understand the end of Empire in relation to its beginning the meaning of British imperialism for the ruled as well as for the rulers and the significance of the British Empire as a theme in world history This

fifth and final volume shows how opinions have changed dramatically over the generations about the nature role and value of imperialism generally and the British Empire more specifically The distinguished team of contributors discuss the many and diverse elements which have influenced writings on the Empire the pressure of current events access to primary sources the creation of relevant university chairs the rise of nationalism in former colonies decolonization and the Cold War They demonstrate how the study of empire has evolved from a narrow focus on constitutional issues to a wide ranging enquiry about international relations the uses of power and impacts and counterimpacts between settler groups and native peoples The result is a thought provoking cultural and intellectual inquiry into how we understand the past and whether this understanding might affect the way we behave in the future

Reclaiming the Land: A People's Struggle for Identity and Self-Determination Pasquale De Marco, 2025-07-19 In a world grappling with the challenges of ethnic diversity and conflict *Reclaiming the Land A People s Struggle for Identity and Self Determination* offers a timely and insightful examination of ethnocracy a political system characterized by the dominance of one ethnic group over others This book delves into the historical roots political dynamics socio cultural consequences and economic implications of ethnocracy providing a comprehensive understanding of this complex phenomenon Through a multidisciplinary approach the book draws upon political science sociology history economics and law to shed light on the various manifestations of ethnocracy It explores the institutional mechanisms and policies through which dominant ethnic groups maintain their power and control often at the expense of minority groups The book also analyzes the impact of ethnocracy on social cohesion cultural identity economic development and human rights With case studies and examples from around the world the book illustrates the diverse forms that ethnocracy can take and its far reaching consequences It examines the historical legacies of colonialism and imperialism in shaping ethnocratic regimes as well as the challenges of nation building and the management of ethnic diversity in post colonial societies The book also explores the role of international law and institutions in addressing ethnocracy and promoting minority rights Furthermore the book proposes concrete strategies for countering ethnocracy and fostering inclusive societies that respect and protect the rights of all ethnic groups It highlights the importance of constitutional reforms power sharing arrangements decentralization and educational initiatives in promoting pluralism and tolerance The book also emphasizes the role of civil society grassroots movements and international cooperation in challenging ethnocratic rule and building more just and equitable societies *Reclaiming the Land A People s Struggle for Identity and Self Determination* is an essential resource for scholars policymakers activists and general readers seeking to understand the complexities of ethnocracy and its implications for peace justice and human rights It contributes to the growing body of knowledge on ethnocracy and provides valuable insights for those working towards a more inclusive and just world If you like this book write a review

Sri Lankan Tamil Nationalism A. Jeyaratnam Wilson, Alfred Jeyaratnam Wilson, 2000 Through a succession of key stages since Sri Lanka formerly Ceylon became independent in 1948 its Tamil minority historically

concentrated in the north and east but with an important segment in Colombo became alienated from the Sinhalese majority and after peaceful opposition failed to secure its rights resorted to an armed struggle The Tamil Tigers LTTE today appear to hold the key to their people s future While they have suffered setbacks including the loss of the Tamil capital Jaffna they remain a potent guerrilla force able to strike with impunity at both military and civilian targets The Tigers grip on the Tamil population seems secure as does their overseas support and funding from Tamil exiles in Britain Canada and Australia This book offers a concise history of the Sri Lankan Tamil nation its culture social make up and political evolution In a final chapter A J V Chandrakanthan gives a first hand account of life and attitudes inside the embattled Tamil areas today A Jeyaratnam Wilson teaches in the Department of Political Science at the University of New Brunswick He is the author of The Break Up of Sri Lanka and S J V Chelvanayakam and the Crisis of Sri Lankan Tamil Nationalism A J V Chandrakanthan teaches in the Department of Theology at Concordia University Montreal

Sri Lanka Jonathan Spencer, 2002-09-11 In the past decade Sri Lanka has been engulfed by political tragedy as successive governments have failed to settle the grievances of the Tamil minority in a way acceptable to the majority Sinhala population The new Premadasa presidency faces huge economic and political problems with large sections of the island under the control of the Indian Peace Keeping Force IPKF and militant separatist Tamil groups operating in the north and south This book is not a conventional political history of Sri Lanka Instead it attempts to shed fresh light on the historical roots of the ethnic crisis and uses a combination of historical and anthropological evidence to challenge the widely held belief that the conflict in Sri Lanka is simply the continuation of centuries of animosity between the Sinhalese and the Tamils The authors show how modern ethnic identities have been made and re made since the colonial period with the war between Tamils and the Sinhala dominant government accompanied by rhetorical wars over archeological sites and place name etymologies and the political use of the national past The book is also one of the first attempts to focus on local perceptions of the crisis and draws on a broad range of sources from village fieldwork to newspaper controversies Its interest extends beyond contemporary politics to history anthropology and development studies

Human Rights Mechanism in South Asia Shveta Dhaliwal, 2016-10-04 Shveta Dhaliwal teaches at the Rajiv Gandhi National University of Law Punjab Patiala India Her areas of specialisation are geopolitics regional human rights systems comparative political thought and international relations She has published more than 40 research papers and presented over 150 papers in international and national conferences She has authored and three edited books to her credit She is member of the Indian Political Science Association and the Indian Society of International Law and South Asian Foundation

Colors of the Robe Ananda Abeysekara, 2002 Poised to spark debate among scholars of religious studies and other disciplines Colors of the Robe sheds new light on the Sri Lankan Buddhist universe of ethics and politics and more important suggests innovative directions for the global study of religion identity culture politics and violence In a volume that surpasses other studies in tracking identifying and locating Sri Lankan Buddhism in its sectarian ethnic cultural social and

political constructions Ananda Abeysekara lays down a challenge to postcolonial and postmodern theory He argues that although criticisms have undermined the orientalist constructions of culture they cannot help us understand let alone theorize the emergence of contemporary authoritative discourses that define distinctions involving religion and violence identity and difference Supplanting that aim Abeysekara illuminates the shifting configurations that characterize the relations connected with postcolonial religious identity and culture BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Volatile Social Movements and the Origins of Terrorism Christine Sixta Rinehart, 2013 Although many scholars have studied terrorism few scholars have ever studied terrorism from the aspect of its initial origins in social movements Not only is research concerning this phenomenon outdated but there has also been no consensus as to what causes terrorism Many contemporary terrorist organizations were once social movements that formed for a specific purpose using nonviolent tactics to accomplish their agenda Eventually terrorist tactics became the method of choice for these once peaceful social movements Volatile Social Movements and the Origins of Terrorism The Radicalization of Change by Christine Sixta Rinehart focuses on why this transition occurred why did a peaceful social movement transition to a terrorist organization The case studies in this book include the Muslim Brotherhood the ETA the FARC and the LTTE The study focuses on the individual characteristics group dynamics and external forces that caused social movements to use terrorist tactics It is ascertained who made the decision to use terrorism and why and how that person or group of people ascended to a leadership position within the social movement After the person people time and place are found pertaining to the first decision to use terrorism Sixta Rinehart examines why terrorism became an attractive option for each social movement Volatile Social Movements and the Origins of Terrorism asks a necessary question for scholars and researchers in counterterrorism and international policy Under what conditions do social movements resort to the use of terrorist tactics

The Roots of Nationalism Ananda Wickremaratne, 1995 Effect of the educational policies evolved by the British in Sri Lanka on nationalism covers the period 1505 1948

Conflict and Peace in South Asia Manas Chatterji, B. M. Jain, 2008-10-13 South Asia is a distinct geographical entity comprised of seven countries India Pakistan Bangladesh Nepal Bhutan Sri Lanka and Maldives situated in the Indian Ocean This book looks at these countries in a historical context from inter regional and international perspectives

Origins of Political Extremism Manus I. Midlarsky, 2011-03-17 Political extremism is one of the most pernicious destructive and nihilistic forms of human expression During the twentieth century in excess of 100 million people had their lives taken from them as the result of extremist violence In this wide ranging book Manus I Midlarsky suggests that ephemeral gains together with mortality salience form basic explanations for the origins of political extremism and constitute a theoretical framework that also explains later mass violence Midlarsky applies his framework to multiple forms of political extremism including the rise of Italian Hungarian and Romanian fascism Nazism radical Islamism and Soviet Chinese and Cambodian communism Other applications include a rampaging military Japan

Pakistan Indonesia and extreme nationalism in Serbia Croatia the Ottoman Empire and Rwanda Polish anti Semitism after World War II and the rise of separatist violence in Sri Lanka are also examined

Communicating Christ in Asian Cities Paul H. De Neui, 2009-06-01 Communicating Christ in Asian Cities Urban Issues in Buddhist Contexts is the sixth volume in a series produced from the annual SEANET Missiological Forum held in Chiang Mai Thailand It developed from a keen awareness that certain urban concerns for evangelistic mission must be addressed in a unique way when viewed within the myriad and complex cultures found within Asian Buddhism All authors included here write from many years of experience as Evangelical mission theologians scholars pastors and practitioners working within Asian urban Buddhist contexts This book is divided into three sections with the first focused on foundational issues of ministry within the framework of Asian Buddhist cities The second section includes four chapters addressing several contextual issues specific to peoples within Asian Buddhist cities The final section includes three chapters on the topic of strategic means of evangelization found useful in specific Asian urban Buddhist contexts

State, Nation and Ethnicity in Contemporary South Asia Ishtiaq Ahmed, 1998-01-01 Preface

Conflict, Peace, Security and Development Helen Hintjens, Dubravka Zarkov, 2014-08-13 Whilst classical approaches linked development with peace security has become central to understandings of both war and peacetime This book uniquely reflects on how to deal with the convergence of war and peace in the context of global economic and geo political development It addresses methodological challenges in contemporary approaches to conflict violence security peace and development Two dominant contemporary approaches are selected for debate on methodologies and ethical choices rational choice and identity based theorizing The chapters are arranged as dialogues around contending approaches to better understand how the interlocking fields of violent conflict peace development and security can be researched and understood The book considers how theoretical and methodological approaches relate to different ethical and political choices including around engagement and intervention in the four interwoven fields Theoretical methodological and ethical issues emerge from the critical reviews of academic discourses and case study based chapters from across the world including Sri Lanka Ghana Colombia and Rwanda This book is an invaluable resource for postgraduate students and researchers in Development Studies Conflict Studies Peace Studies and Security Studies

Lost Victory Raj K. Mehta, 2010 Anyone who has studied the over 30 year old Sri Lankan conflict with detachment will perhaps agree that not other phrase can define the Prabhakaran conundrum better than Lost Victory He had almost succeeded in his goal of getting a Tamil Eelam with most of his conditions agreed to by the Sri Lankan Government

The Encyclopedia of the Sri Lankan Diaspora Peter Reeves, 2013 Well over a million people of Sri Lankan origin live outside South Asia The Encyclopedia of the Sri Lanka Diaspora is the first comprehensive study of the lives culture beliefs and attitudes of immigrants and refugees from this island The volume is a joint publication between the Institute of South Asian Studies NUS and Editions Didier Millet It focuses on the relationship between culture and economy in the Sri Lanka diaspora in the context of globalisation increased

transnational culture flows and new communication technologies In addition to the geographic mapping of the Sri Lanka diaspora in the various continents thematic chapters include topics on long distance nationalism citizenship Sinhala Tamil and Burgher diaspora identities religion and the spread of Buddhism as well as the Sri Lankan cultural impact on other nations

Contemporary Terrorism Studies Diego Muro, Tim Wilson, 2022 When do individuals radicalise Can terrorism be rational How can we define terrorism What is the role of women in terrorism Can states be terrorist World leading experts answer these questions in Contemporary Terrorism Studies the first textbook to provide a multi disciplinary methodologically plural and richly diverse introduction to terrorism studies Contemporary Terrorism Studies covers the main approaches in terrorism studies and is structured into three comprehensive sections The first on The State of Terrorism Studies maps the development and historical context of the discipline and looks to the future of terrorism studies Part two on Issues and Debates in Terrorism Studies examines key contentious questions and debates such as the role of women technology and the media in terrorism The final part part three on Countering Terrorism focuses specifically on counterterrorism its instruments foreign policy legal frameworks and organisations Overall text will engage students and establish a confident understanding of the subject The textbook has been developed with pedagogical features to help enhance student learning Each chapter contains case studies to highlight real world examples of political violence questions for reflection to encourage critical thinking and suggestions for further reading which provide useful sources for further reading essays and exam preparation Furthermore a consistent accessible tone and jargon free writing style makes Contemporary Terrorism Studies the clearest guide to understanding terrorism Digital formats and resources Contemporary Terrorism Studies is available for students and institutions to purchase in a variety of formats and is supported by online resources The e book offers a mobile experience and convenient access along with hyperlinks to question pointers and a library of web links helping you to broaden your knowledge and understanding terrorism studies www.oxfordtextbooks.co.uk/ebooks Student resources additional case studies guidance on accessing databases pointers for tackling the questions for reflection and suggested web links organised by chapter are available online Lecturer resources customisable PowerPoint slides to adapt and use in teaching

The Hindu Nation MK Raghvendra, 2021-03-18 The Hindu Nation begins with an introduction examining nationhood in India and then traces the political conflict to Nehruvian cultural policy after 1947 In today's world no religion can claim to be superior to any other But in pursuing modernity and inculcating the scientific and secular outlook Nehruvian rationalism created an elite liberal class that was sceptical about the majority religion but this was not extended to other religions because of a misunderstanding of secularism In promoting Westernised education the preservation of local knowledge was neglected and Hinduism lost respect among the educated elite born into it The elite class became the intermediary with the West which now dominates the academic study of India Further prompted by the sceptical attitude of many liberal Indians Western academics and intellectuals accord Hinduism less respect compared to other religions and treat

it as superstition Traditional Indians who revere Hinduism but are products of the same lopsided system respond by attributing false value to India s prehistory and its past Hinduism is not a religion but a collection of practices associated with the space now called India Author M K Raghavendra examines what being a Hindu means and asks whether its practices are reconcilable with global modernity and compatible with justice and egalitarianism While examining the obstacles a modern Hindu nation faces including the fixed ways of a large public this extensively researched book also suggests measures to make India successful as a global power and Hinduism widely respected
