Russian Orthodoxy Religion And Society After Communism

Jarrett Zigon

Russian Orthodoxy Religion And Society After Communism:

Russian Society and the Orthodox Church Zoe Knox, 2004-06-02 Russian Society and the Orthodox Church examines the Russian Orthodox Church's social and political role and its relationship to civil society in post Communist Russia. It shows how Orthodox prelates, clergy and laity have shaped Russians' attitudes towards religious and ideological pluralism which in turn have influenced the ways in which Russians understand civil society including those of its features pluralism and freedom of conscience that are essential for a functioning democracy. It shows how the official church including the Moscow Patriarchate has impeded the development of civil society while on the other hand the non official church including nonconformist clergy and lay activists has promoted concepts central to civil society.

Russian Society and the Orthodox Church Zoe Katrina Knox, 2004 Russian Society and the Orthodox Church examines the Russian Orthodox Church's social and political role and its relationship to civil society in post Communist Russia. It shows how Orthodox prelates, clergy and laity have shaped Russians' attitudes towards religious and ideological pluralism which in turn have influenced the ways in which Russians understand civil society including those of its features pluralism and freedom of conscience that are essential for a functioning democracy. It shows how the official church including the Moscow Patriarchate has impeded the development.

Religion, Morality, and Community in Post-Soviet Societies Mark D. Steinberg, Catherine Wanner, 2008-11-13 This collection reveals the presence and power of religious belief and practice in public life after the demise of Soviet socialism. Based on recent research and interdisciplinary methodologies *Religion, Morality, and Community in Post Soviet Societies* examines how religious organizations and individuals engage the changing and troubled environment in which they live which presents expanded civil freedom but much everyday uncertainty, unhappiness, injustice and suffering. Page 4 of cover.

Russian Orthodoxy and Secularism Kristina Stoeckl, 2020-07-20 Russian Orthodoxy and Secularism surveys the ways in which the Russian Orthodox Church has negotiated its relationship with the secular state with other religions and with Western modernity from its beginnings until the present. It applies multiple theoretical perspectives and draws on different disciplinary approaches to explain the varied and at times contradictory facets of Russian Orthodoxy as a state church or as a critic of the state as a lived religion or as a civil religion controlled by the state as a source of dissidence during Communism or as a reservoir of anti Western, anti modernist ideas that celebrate the uniqueness and superiority of the Russian nation. Kristina Stoeckl argues that three decades after the fall of Communism the period of post Soviet transition is over for Russian Orthodoxy and that the Moscow Patriarchate has settled on its role as national church and provider of a new civil religion of traditional values.

Orthodox Revivalism in Russia Milena Benovska, 2020-10-12 Orthodoxy has achieved a large scale revival in Russia following the collapse of Communism. However paradoxically although there is a high level of identification with Orthodoxy there is in fact a low level of church attendance. This book based on in depth ethnographic fieldwork explores the social background and moral attitudes of the little flock of believers who actively

participate in religious life It reveals that the complex moral beliefs of the faithful have a disproportionately high impact on Russian society overall that among the faithful there is a strong emphasis on striving for personal perfection but that also there are strong collective ideas concerning religious nationalism and the synergy between the secular and the religious

Believing in Russia Geraldine Fagan,2013 As unease mounts over Russia's direction under Presidents Putin and Medvedev how free are her faith communities Drawing upon hundreds of interviews with religious and state representatives across Russia this book explores religious policy as both a gauge of Kremlin commitment to democratic values and a reflection of national identity

Russian Orthodoxy, Nationalism and the Soviet State during the Gorbachev Years, 1985-1991 Sophie Kotzer,2020-01-22 This book examines how the Russian Orthodox Church developed during the period of Gorbachev's rule in the Soviet Union a period characterised by perestroika reform and glasnost openness It charts how official Soviet policy towards religion in general and the Russian Orthodox Church changed with the Church enjoying significantly improved status It also discusses however how the improved relations between the Moscow Patriarchate and the state and the Patriarchate's support for Soviet foreign policy goals its close alignment with Russian nationalism and its role as a guardian of the Soviet Union's borders were not seen in a positive light by dissidents and by many ordinary believers who were disappointed by the church's failure in respect of its social mission including education and charitable activities

Religion and Secular Modernity in Russian Christianity, Judaism, and Atheism Ana Siljak,2024-11-15 Religion and Secular Modernity in Russian Christianity Judaism and Atheism is a multifaceted account of the engagement between religion and the secular in Russia's Christian Jewish and atheist traditions Ana Siljak brings together an interdisciplinary group of leading scholars to present unique perspectives on the secularization dynamic in Russia and the Soviet Union telling stories about theologians sects churches poets and artists From the Jewish Christian priest Alexander Men to the cross dressing poet Zinaida Gippius to the Soviet promoter of Yiddish theater Solomon Mikhoels Religion and Secular Modernity in Russian Christianity Judaism and Atheism gives a voice to a variety of actors who have grappled with the possibilities of faith and unbelief in an industrialized modern and seemingly secular world Now more than ever as one narrative of Russia's religious history dominates official Russian accounts alternative perspectives of the relationship between Russian religion and secularism should be highlighted and emphasized

The Post-Soviet Russian Orthodox Church Katja Richters,2012 In recent years the Russian Orthodox Church has become a more prominent part of post Soviet Russia A number of assumptions exist regarding the Church's relationship with the Russian state that the Church has always been dominated by Russia's secular elites that the clerics have not sufficiently fought this domination and occasionally failed to act in the Church's best interest and that the Church was turned into a Soviet institution during the twentieth century This book challenges these assumptions It demonstrates that church state relations in post communist Russia can be seen in a much more differentiated way and that the church is not subservient very much having its own agenda Yet at the same time it is sharing the state's and

Russian society's nationalist vision The book analyses the Russian Orthodox Church's political culture focusing on the Putin and Medvedev eras from 2000 It examines the upper echelons of the Moscow Patriarchate in relation to the governing elite and to Russian public opinion explores the role of the church in the formation of state religious policy and the church's role within the Russian military It discusses how the Moscow Patriarchate is asserting itself in former Soviet republics outside Russia especially in Estonia Ukraine and Belarus It concludes by re-emphasising that although the church often mirrors the Kremlin's political preferences it most definitely acts independently

Multiple Moralities and Religions in Post-Soviet Russia Jarrett Zigon, 2011-09-01 In the post-Soviet period morality became a debatable concept open to a multitude of expressions and performances From Russian Orthodoxy to Islam from shamanism to Protestantism religions of various kinds provided some of the first possible alternative moral discourses and practices after the end of the Soviet system This influence remains strong today Within the Russian context religion and morality intersect in such social domains as the relief of social suffering the interpretation of history the construction and reconstruction of traditions individual and social health and business practices The influence of religion is also apparent in the way in which the Russian Orthodox Church increasingly acts as the moral voice of the government The wide-ranging topics in this ethnographically based volume show the broad religious influence on both discursive and everyday moralities The contributors reveal that although religion is a significant aspect of the various assemblages of morality much like in other parts of the world religion in postsocialist Russia cannot be separated from the political or economic or transnational institutional aspects of morality

Russian Orthodoxy Religion And Society After Communism Introduction

In today's digital age, the availability of Russian Orthodoxy Religion And Society After Communism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Orthodoxy Religion And Society After Communism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Orthodoxy Religion And Society After Communism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Orthodoxy Religion And Society After Communism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Orthodoxy Religion And Society After Communism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Orthodoxy Religion And Society After Communism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Orthodoxy Religion And Society After Communism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Orthodoxy Religion And Society After Communism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Orthodoxy Religion And Society After Communism books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Orthodoxy Religion And Society After Communism Books

1. Where can I buy Russian Orthodoxy Religion And Society After Communism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Russian Orthodoxy Religion And Society After Communism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Russian Orthodoxy Religion And Society After Communism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
