A Dictionary for the Modern Pianist combines nearly four hundred entries covering classical and popular pianists noted teachers terminology germane to the piano s construction and major manufacturers both familiar firms and outstanding independent builders who have risen to the forefront in recent years Speaking to the needs of the modern performer it also includes entries on jazz and pop artists digital pianos and period instruments As a resource for professionals and students A Dictionary for the Modern Pianist is also accessible to more general readers as all of its topics are presented in clear readable expositions Drawing on the most recent research of numerous specialists author Stephen Siek emphasizes the piano s uniquely rich heritage giving pianists a renewed appreciation for the famous artists and teachers who have shaped their art Transcending simple alphabetical definitions the dictionary s careful attention both to legacy and detail make it an invaluable addition to any pianist s library Titles in the Dictionaries for the Modern Musician series offer novice and advanced musicians key information on the field of study and performance of a major instrument or instrument class Unlike other encyclopedic works contributions to this series focus primarily on the knowledge required by the contemporary musical student or performer From quick definitions of confusing terms to in depth overviews of history and tradition the dictionaries are ideal references for students professionals and music lovers of all kinds **The Musical Quarterly** Oscar George Sonneck,1919
Traditional World Music Influences in Contemporary Solo Piano Literature Elizabeth C. Axford,1997-11-06 Identifies pieces in contemporary solo piano literature that show world music influences not traditionally associated with the standard repertoire of Western European art music The resulting annotated bibliography therefore includes pieces which use or attempt to emulate non Western scales modes and folk tunes and rhythmic percussive or harmonic devices and timbres
Musical Heritage Review ,1985 **The Composer-pianists** Robert Rimm,2002 The recordings made by Marc Andre Hamelin in recent years have cast new light on an extraordinary group of composers Alkan Busoni Feinberg Godowsky Medtner Rachmaninov Scriabin and Sorabji whose works heralded a Golden Age of virtuosic writing for the piano The Eight as author Robert Rimm has termed these composer pianists have much in common traits shared in our own age with Marc Andre Hamelin their foremost interpreter For all their evident differences of age nationality and philosophy they each created music of unprecedented ingenuity often complex and of immense scale that stretched the limits of the piano s

capabilities And all were genuine virtuosos with the technical resources to play these demanding works in public The volume includes rare photographs and concludes with an extensive bibliography listings of the complete solo piano works of The Eight and discographies of their solo piano recordings In exploring the art of those who knew their instrument both as composers and as pianists this book serves in the words of pianist Stephen Hough both as a fascinating exhaustive study of the riches of the past and as a stimulating inspiration for the future BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
