Ruth A Love Story With Secrets For Living:

Ruth Derick Bingham, 1992 This love story begins with tragedy but then out of the womb of all tragedy there comes something beautiful which if the tragedy had never occurred would never have been seen Yet it is more than a love story between a desperately poor girl and a very wealthy landowner it is a story of love for God of love for his people and all that they believe Facing loneliness poverty and alienation from the culture in which she was Ruth allowed God to have his way with her life and accepted the rough with the smooth as the matchless Divine Potter slowly moulded her into the person he wanted her to be The message of Ruth is very clear God always goes where he is wanted Back cover *Ruth Ellis: My Sister's Secret Life* Muriel Jakubait, Monica Weller, 2012-11-01 The secret double life of Ruth Ellis and the Establishment cover up that led to her unjust hanging Ruth Ellis the last woman to be hanged in Britain was convicted fifty years ago for shooting her lover David Blakely The case became a notorious part of British criminal history and was turned into the film *Dance with a Stranger* The story that has been perpetuated ever since is that of a peroxide tart who killed in a fit of passion Yet crucial questions were left unasked in the original trial Ruth Ellis's sister Muriel Jakubait knew her longest of all She has never given up her search for justice Now after fifty years she has decided to reveal the hard facts about their shared upbringing and seek to piece together the full true story of her sister As she is at pains to point out the jealous killer tag has never been substantiated This is a story of power espionage lies loyalty poverty sex and betrayal It suggests a third man may have pulled the trigger for the fatal shots And that he belonged to a web of espionage into which Ruth Ellis fell long before the shooting Above all it indicates that Ruth was being run by Stephen Ward at least a decade before his name became public in the Profumo Scandal Muriel's motive is about more than proving her sister Ruth's innocence It's about reclaiming the right to tell the story of her own family stripped bare of the many tabloid myths that have accrued over the decades She shows that Ruth was somebody damaged at a very early age who strove to make something of herself only to be caught up in something much bigger and end up paying with her life **An Atomic Love Story** Shirley Streshinsky, Patricia Klaus, 2013-10-23 A gripping narrative of the love and betrayal of J Robert Oppenheimer told through the lives of three unique women Set against a dramatic backdrop of war spies and nuclear bombs *An Atomic Love Story* unveils a vivid new view of a tumultuous era and one of its most important figures In the early decades of the 20th century three highly ambitious women found their way to the West Coast where each was destined to collide with the young Oppenheimer the enigmatic physicist whose work in creating the atomic bomb would forever impact modern history His first and most intense love was for Jean Tatlock though he married the tempestuous Kitty Harrison both were members of the Communist Party and was rumored to have had a scandalous affair with the brilliant Ruth Sherman Tolman ten years his senior and the wife of another celebrated physicist Although each were connected through their relationship to Oppenheimer their experiences reflect important changes in the lives of American women in the 20th century the conflict between career and marriage the

need for a woman to define herself independently experimentation with sexuality and the growth of career opportunities Beautifully written and superbly researched through a rich collection of firsthand accounts this intimate portrait shares the tragedies betrayals and romances of an alluring man and three bold women revealing how they pushed to the very forefront of social and cultural changes in a fascinating volatile era **Living Your Happily Ever After** Dr. Robert W.

The Secret Life of Albert Entwistle Matt Cain,2022-05-31 This rollicking romance entrapped me True in its detail and its scope it is amusing yet heart breaking Ian McKellen Perfect for fans of Fredrik Backman and TJ Klune this humorous life affirming and charmingly wise novel tells the story of how the forced retirement of a shy closeted postman in northern England creates a second chance with his lost love as he learns to embrace his true self connect with his community and finally experience his life s great adventure Indie Next List Selection Library Reads Selection Every day Albert Entwistle makes his way through the streets of his small English town delivering letters and parcels and returning greetings with a quick wave and a how do Everyone on his route knows Albert or thinks they do a man of quiet routines content to live alone with his cat Gracie Three months before his sixty fifth birthday Albert receives a letter from the Royal Mail thanking him for decades of service and stating that he is being forced into retirement At once Albert s simple life unravels Without the work that fills his days what will he do He has no friends family or hobbies just a

past he never speaks of and a lost love that fills him with regret And so rather than continue his lonely existence Albert forms a brave plan to start truly living to be honest about who he is and to find George the man with whom he spent one perfect spring and summer long ago One painful yet exhilarating step at a time Albert begins searching for George and revealing his story to those around him As he does something extraordinary happens Albert finds unlikely allies new friends and the courage to help others even as he seeks the happiness he s always denied himself Beautifully written funny and wise The Secret Life of Albert Entwistle is a book to fall in love with and to be inspired by one that proves it is never too late to live to hope and to love A Note from Matt Cain the author of The Secret Life of Albert Entwistle One of the things that inspired me to write this novel was all the joy I felt at seeing gay men like myself being embraced by British society I think you d be hard pushed to find any other minority community in the UK that was as hated feared and vilified as gay men were fifty years ago and is now as widely celebrated and loved Acceptance of gay men has become a touchstone of British values within less than a decade something that even the most optimistic commentators couldn t have predicted I wanted to write a book that would celebrate this And I sincerely hope The Secret Life of Albert Entwistle makes its readers feel good about themselves and the part they ve played in bringing about this extraordinary social shift Matt Cain **The Story of My Life** Helen
