Here is an introspective poignant portrait of an American family during a time of sweeping changes Now nearly sixty years after it first appeared Suckow's finest work still displays a thorough realism in its characters actions and aspirations the uneasy compromises they are forced to make still ring true Suckow's talent for retrospective analysis comes to life as she examines her own people Iowans descendants of early settlers through the lives of the Ferguson family living in the fictional small town of Belmond Iowa Using her gift of creating three dimensional living characters Suckow focuses on personal differences within the family and each member's separate struggle to make sense of past and present to confront a pervasive sense of loss as a way of life disappears **Country People** Ruth Suckow, 2021-08-30 In *Country People* Ruth Suckow masterfully depicts the lives of rural Americans in the early 20th century exploring themes of isolation community and the dichotomy between tradition and modernity Written in a realist style Suckow employs vivid descriptions and psychologically nuanced characterizations creating a tapestry of interconnected stories that shed light on the struggles and aspirations of ordinary individuals in small town America Her keen observations and empathetic portrayal of character draw the reader into the intimate world of her subjects making the narrative resonate with authenticity amid the backdrop of post World War I societal changes Ruth Suckow a prominent figure in American literature often found inspiration in her own Midwestern upbringing Born in Iowa her experiences with the rural lifestyle shaped her understanding of the complexities of human relationships within tight knit communities Suckow's commitment to portraying the depth of country life was influenced by her desire to capture authentic voices often overlooked in contemporary narratives This dedication to regionalism along with her nuanced perception of human behavior is evident throughout her work *Country People* is a compelling exploration of the themes that define the essence of rural existence For readers interested in understanding the deeper sociocultural layers of early 20th century America Suckow's insightful storytelling and profound character development will not only captivate but also provoke reflection on the universal human condition In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the

Ruth Suckow, 1926. Short stories of Iowa farm and village life. Cf. Hanna A. Mirror for the nation. *Folk Nation*. Simon J. Bronner, 2002. This lively reader traces the search for American tradition and national identity through folklore and folklife from the 19th century to the present. Through an engaging set of essays, *Folk Nation* shows how American thinkers and leaders have used folklore ranging from Paul Bunyan and Davey Crockett to quilts, cowboys, and immigrants to express the meaning and mystique of their country. Simon Bronner has carefully selected statements by public intellectuals and popular writers as well as by scholars, all chosen for their readability and significance as provocative texts during their time. The common thread running throughout is the value of folklore in expressing or denying an American national tradition. **The Best of the Lot**

Ruth Suckow, 2017-01-21. Ruth Suckow (August 6, 1892 – January 23, 1960) was an American author. Suckow was born in Hawarden, a small town in Sioux County on the Big Sioux River in far northwestern Iowa, where her father was the pastor of the Congregational church. After leaving Hawarden in early 1898, the Suckow family lived in a number of towns in northern Iowa. In 1907, Suckow's father accepted a position at Grinnell College. Suckow graduated from Grinnell High School in 1910 and entered the college that fall. While a student at Grinnell, she became involved in dramatics. Suckow left Grinnell College to study at the Curry School of Expression in Boston from 1913 to 1915. Her novel *The Odyssey of a Nice Girl* (1925) reflects that experience. She left Boston to join her mother and sister, who were living in Colorado for health reasons, and enrolled at the University of Denver. She earned a B.A. in 1917 and an M.A. in English in 1918. Suckow is sometimes recalled as a regionalist, but she did not consider herself such a writer. She said that she wrote about people, situations, and their meaning. Her fiction was often set in Iowa but was not parochial in outlook. Today, her writing has value for readers who enjoy good storytelling as well as for social historians looking for details about life in the early 20th century, particularly in the small towns of Iowa. Suckow's childhood home has been preserved at Calliope Village in Hawarden, Iowa. *Women in American Theatre*. Helen Krich Chinoy, Linda Walsh Jenkins, 2006. First full-scale revision since 1987.
