John Willison

Sacrament Of Night:

Sacrament of Night Louise Cooper, 1997 They've been visiting the human world for centuries the strange frail totally colorless denizens of the Twilight Dimension Lured by the color the brightness the sheer vitality of mankind's world they mean no harm but few of them ever return home Foss Agate well to do physician and dabbler in the supernatural sciences has a burning ambition to break the secret of the gateway between the worlds by capturing a living twilight creature But his captive is no ordinary twilight dweller Charn in an emissary of his queen sent on a mission to discover the fate of her son and heir who vanished years ago within the human world Torn by loyalty to Foss and compassion for his victim is his daughter Calliope a young girl who cannot help but fall prey to Charn's spell and who holds the key to a long hidden secret But before she can unlock the door to the past she must overcome the fear that threatens to destroy her Fear of the unknown Fear of the Sacrament of Night
