## **Sacrament Of Abortion:**

*The Sacrament of Abortion* Ginette Paris, 1992 Controversial interview of psychologist feminist Ginette Paris on pro abortion     Achieving Peace in the Abortion War Ph. D. Rachel M. Macnair, 2008-12 Elections come and go and outcomes depend on events and characters out of the control of any single movement The United States downward trend in abortions however has happened steadily through both Democrat and Republican administrations There are several reasons to believe this is likely to continue The fragility of abortion practice in the United States is becoming increasingly clear People in other countries may also find useful information in the principles explained here The real life experience of doctors and nurses involved in providing abortion show that they are a weakening link in the abortion chain and this book explains reasons why this is so that depend more on psychology than politics There is also a vital opportunity in understanding the human mind's drive for consistency and its link to behavior When knowing about how abortion practice has begun collapsing people find it safer to hear the case against it and to act in a more constructive way toward the genuine needs of pregnant women The social and psychological dynamics of performing and defending abortions offer many opportunities for stopping widespread feticide The more we understand these the more effective we can be as peacemakers in the abortion war     **The Return of the Gods** Jonathan Cahn, 2022-09-06 NEW YORK TIMES Best Selling Author From the author that brought you 6 New York Times best selling books including *The Harbinger* *The Book of Mysteries* *The Oracle* and *The Harbinger II* Is it possible that behind what is taking place in America and the world lies a mystery that goes back to the gods of the ancient world and that they now have returned *The Return of the Gods* is the most explosive book Jonathan Cahn has ever written It is so explosive and so revealing that no description here could do it justice Jonathan Cahn is known for revealing the stunning mysteries many from ancient times that lie behind and are playing out in the events of our times But with *The Return of the Gods* Cahn takes this to an entirely new level and dimension *The Return of the Gods* Cahn takes the reader on a journey from an ancient parable the ancient inscriptions in Sumer Assyria and Babylonia that become the puzzle pieces behind what is taking place in our world to this day specifically in America Is it possible that what we in the modern world take as nothing more than ancient mythology could actually possess a reality beyond our fathoming Who is the Possessor The Enchanter The Destroyer And the Sorceress Could a sign that has appeared all over America and the world be linked to the gods of Mesopotamia And if so what does it actually mean Could the gods have returned to New York City and an ancient mythology played out on the streets in real time Is it possible that the gods lie behind everything from what appears on our computer monitors our televisions and movie screens to the lessons given in our classrooms to the breakdown of the family to wokism to the occult to our addictions to the Supreme Court to cancel culture to children's cartoons to every force and factor that has transformed the parameters of gender to that which appears in our stores on our T shirts and on our coffee mugs to that which is at this very moment transforming America and much of the world Is it possible that behind all these things are ancient mysteries

that go back to the Middle East and ancient Mesopotamia This and so much more most of which we can't even reveal in this description will be uncovered The Return of the Gods is not only one of the most explosive books you'll ever read but also one of the most profound It will reveal the most stunning secrets and truths behind what is happening before your eyes in America and the nations You will see things even in your world in a whole new light With such chapters as The House of Spirits The Avatar The Masters The Deep Magic and The Day of the Goddess The Return of the Gods will take readers on a fascinating unforgettable and mind blowing journey that will leave them stunned and with the ability to see the world as they never have before Be prepared to be blown away as you open up Jonathan Cahn's most explosive book ever The Return of the Gods

*Thealogy and Embodiment* Melissa Raphael, 1996-03-01 Thealogy and Embodiment both analyses and contributes to spiritual feminism's postmodern construction of the female body as a metaphor and medium of divine generativity Addressing religious studies and women's studies students and all those interested in contemporary spirituality Raphael counters reformist feminism's recurrent criticism of goddess feminism as naively essentialist and sub-political She presents spiritual feminism as a set of religio-political manoeuvres that powerfully resist such patriarchal degradations of female natural generativity as environmental destruction weight reducing diets and menstrual taboos

From Pro-life to Pro-choice: The Dramatic Shift in Seventh-day Adventist's Attitudes Towards Abortion Nic Samojluk, 2011-06-28 A study of Adventist literature showing the dramatic shift by the Seventh day Adventist North American Church attitude towards one of the most fundamental rules designed by God for the protection of human life the Sixth Commandment which forbids the murder of innocent human beings A careful research indicating that financial profit moved the church leadership to tolerate the offering of abortion on demand services to the patients of several hospitals owned and managed by the Adventist organization
