American writer sent to Venice to do the autobiography of a famous Greek American opera singer's scandalous life discovers instead his own passions men and music *How Long Has This Been Going On* Ethan Mordden,2025-09-23 *How Long Has This Been Going On* brings together a rich and varied cast of characters to tell the tale of modern gay America in this remarkable epic novel Beginning in 1949 and moving to the present day Mordden puts a unique and innovating spin on modern history An adventurous adroit and fascinating novel by one of the finest gay writers of our time **AIDS and American Apocalypticism** Thomas Lawrence Long,2012-02-01 Since public discourse about AIDS began in 1981 it has characterized AIDS as an apocalyptic plague a punishment for sin and a sign of the end of the world Christian fundamentalists had already configured the gay male population most visibly affected by AIDS as apocalyptic signifiers or signs of the end times Their discourse grew out of a centuries old American apocalypticism that included images of crisis destruction and ultimate renewal In this book Thomas L Long examines the ways in which gay and AIDS activists artists writers scientists and journalists appropriated this apocalyptic rhetoric in order to mobilize attention to the medical crisis prevent the spread of the disease and treat the HIV infected Using the analytical tools of literary analysis cultural studies performance theory and social semiotics *AIDS and American Apocalypticism* examines many kinds of discourse including fiction drama performance art demonstration graphics and brochures biomedical publications and journalism and shows that while initially useful the effects of apocalyptic rhetoric in the long term are dangerous Among the important figures in AIDS activism and the arts discussed are David Drake Tim Miller Sarah Schulman and Tony Kushner as well as the organizations ACT UP and Lesbian Avengers **Created Equal: Why Gay Rights Matter to America** Michael Nava,Robert Dawidoff,2025-10-16 Why should Americans who are not gay care about gay rights In *Created Equal* Michael Nava and Robert Dawidoff argue that the movement for gay equality is central to the continuing defense of individual liberty in America Beginning with an examination of the determined assault on gay issues by the religious right the authors show how this sectarian movement to legislate private religious morality into law undermines the purpose of American constitutional government the protection of the individual's right to determine how best to live his or her life The book starts from the premise that gay men and lesbians are first and foremost American citizens and then looks to what rights belong to every individual American citizen arguing from the Declaration of Independence and the Constitution Addressing their argument to the great majority of their fellow Americans Dawidoff and Nava emphasize that what is at stake is not the fate of the gay community but the future of constitutional principle and the rights of free individuals in American society *The Necessary Hunger* Nina Revoyr,1998-03-15 Basketball player Nancy Takahiro's life changes as her father and the mother of the All State shooting guard move in together Rivalry becomes intense friendship as the girls prepare to leave their inner city neighborhood to face future that is no longer easily defined
