Sacred Play Anne F. O'Reilly, 2004-07-24 Examination of the soul and spirituality in Irish theatre *Sacred Play* Anne F. O'Reilly, 2004 Examination of the soul and spirituality in Irish theatre **Silenced Voices** Csilla Bertha, Donald E. Morse, 2008 This book is a timely reminder of how theatre can not just entertain but enlighten and transform us too The five plays it collects are wonderfully theatrical moving fluidly from absurdism to tragedy and from satire to the darkly comic The translators give us versions that will stimulate and delight readers performers and audiences And by giving voice to the forgotten playwrights of Central Europe they also deeply enrich our understanding of the relationship between art ethics and politics in Europe both in the past and the present **BOOK JACKET** **The Theatre of Martin McDonagh** Lilian Chambers, Eamonn Jordan, 2006 With such plays as *The Beauty Queen* 1996 *The Cripple of Inishmaan* 1997 *The Lonesome West* 1997 *A Skull in Connemara* 1997 *The Lieutenant of Inishmore* 2001 and *The Pillowman* 2003 Martin McDonagh has made a huge reputation for himself in internationally winning multiple awards for his work and enjoying universal critical acclaim Most recently he won an Oscar for his short film *Six Shooter* 2006 This collection of essays is a vital and significant response to the many challenges set by McDonagh for those involved in the production and reception of his work The volume brings together critics and commentators from around the world who assess the work from a diverse range of often provocative approaches What is not surprising is the focus and commitment of the engagement given the controversial and st Whether for or against this is an essential read for all who wish to enter the complex debate about the Theatre of Martin McDonagh **Irish Theatre** Eamonn Jordan, 2023-09-27 This book on modern and contemporary Irish theatre traces how social cultural and economic capital are circulated in order to demonstrate complex and often contradictory outlooks on equality inequality Individual chapters analyse property ownership and inheritance wealth acquisition employment conditions educational access intercultural encounters sexual intimacy and violation and acts of resistance protest and solidarity This book addresses complex intergenerational intercultural racial sectarian ethnic gender and inter and intraclass dynamics from the perspective of ranked objectifying exploitative and coercive relationships but also in terms of commonalities complicities reciprocations and retaliations Notable are the significances of wealth precarity and shaming the consequences of anti materialistic dramaturgical leanings the pathologising of success the fraught nature of solidarity and the problematics of merit divisive partitioning and muddled m salliances Ultimately the book wonders about how Irish theatre distinguishes between tolerable and intolerable inequalities that are culturally and socially but principally economically derived *The Oxford Handbook of Modern Irish Theatre* Nicholas Grene, Chris Morash, 2016-07-28 The Oxford Handbook of Modern Irish Theatre provides the single most comprehensive survey of the field to be found in a single volume Drawing on more than forty contributors from around the world the book addresses a full range of topics relating to modern Irish theatre from the late nineteenth century to the most recent works of postdramatic devised theatre Ireland has long had an importance in the

world of theatre out of all proportion to the size of the country and has been home to four Nobel Laureates Yeats Shaw and Beckett Seamus Heaney while primarily a poet also wrote for the stage This collection begins with the influence of melodrama and looks at arguably the first modern Irish playwright Oscar Wilde before moving into a series of considerations of the Abbey Theatre and Irish modernism Arranged chronologically it explores areas such as women in theatre Irish language theatre and alternative theatres before reaching the major writers of more recent Irish theatre including Brian Friel and Tom Murphy and their successors There are also individual chapters focusing on Beckett and Shaw as well as a series of chapters looking at design acting and theatre architecture The book concludes with an extended survey of the critical literature on the field In each chapter the author does not simply rehearse accepted wisdom all of the contributors push the boundaries of their respective fields so that each chapter is a significant contribution to scholarship in its own right

Bloody Living Rhona Trench,2010 This book deals with the process of negotiation with the past in the present through the plays of Marina Carr The title frames the work connoting the path towards destruction and the sense of lethargy acquired along the way The book offers an in depth and extensive reading of Carr s plays In doing so it surveys some of the destructive issues represented in the works and provides a series of social and cultural contexts to which the concerns in the works are related Carr is best known for her trilogy The Mai Portia Coughlan and By the Bog of Cats and more recently Woman and Scarecrow The Cordelia Dream and Marble The plays are regularly concerned with notions of identity in the context of self destruction self estrangement and displacement This book applies Julia Kristeva s theory of abjection to Carr s plays in an effort to structure the loss the author identifies in the works Themes of memory history and myth are examined in the context of these concerns in provocative and confrontational ways
