How Christ Saves Souls—with Us: The Mystery of Co-Redemption Fr. Michael E. Giesler,2022-04-08 There is an important truth too many Christians don t know we are called to actively participate in the redemption Christ won for us on the Cross This is at once simple and complex how can we be co redeemers With a clear and lively style How Christ Saves Souls with Us The Mystery of Co Redemption calls the everyday Catholic to embrace their role as a partaker in Christ s redeeming grace Fr Michael Giesler uses sound theological and scriptural backing to illustrate in practical terms how each of us can truly be another Christ Christ Himself ipse Christus in our words and actions Jesus shared His redeeming power with His followers from the beginning of the Church and He continues doing so throughout the centuries We see co redemptive grace in the lives of the Church s greatest saints but it also radiates in the lives of countless unknown and unsung followers of Christ in many different places and times A little known topic with a transforming message How Christ Saves Souls with Us shows us that by bringing Christ s truth and joy to society we help to establish His kingdom on earth We aid in preparing for His glorious second coming the Parousia when He will establish His definitive Kingdom the new Heavens and earth where God will be all in all

The Homiletic Review, 1892 **The Thinker**, 1893 *The Mystical Presence of Christ* Richard Kieckhefer, 2022-09-15 *The Mystical Presence of Christ* investigates the connections between exceptional experiences of Christ's presence and ordinary devotion to Christ in the late medieval West Unsettling the notion that experiences of seeing Christ's figure or hearing Christ speak are simply exceptional events that happen at singular moments Richard Kieckhefer reveals the entanglements between these experiences and those that occur through the imagery language and rituals of ordinary everyday devotional culture Kieckhefer begins his book by reconsidering the who and the how of Christ's mystical presence He argues that Christ's humanity and divinity were equally important preconditions for encounters both exceptional and ordinary which Kieckhefer proposes as existing on a spectrum of experience that moves from presupposition to intuition and finally to perception Kieckhefer then examines various contexts of Christ manifestations during prayer meditation and liturgy for example with attention to gender dynamics and the relationship between saintly individuals and their hagiographers Through penetrating discussions of a diverse set of texts and figures across the long fourteenth century Angela of Foligno the nuns of Helfta Margery Kempe Dorothea of Montau Meister Eckhart Henry Suso and Walter Hilton among others Kieckhefer shows that seemingly exceptional manifestations of Christ were also embedded in ordinary religious experience Wide ranging in scope and groundbreaking in methodology *The Mystical Presence of Christ* is a

magisterial work that rethinks the interplay between the exceptional and the ordinary in the workings of late medieval religion
