Shrovetide In Old New Orleans:

Shrovetide in Old New Orleans Ishmael Reed, 1978 **Sustaining New Orleans** Barbara Eckstein, 2005-10-27 This is an expansive interpretation of New Orleans America's most unique city Eckstein pursues meanings of the phrase sustaining New Orleans from the images that remain through media activities to the competing demands of social justice The African Diaspora Isidore Okpewho, Carole Boyce Davies, Ali Al'Amin Mazrui, 2001-11-09 This book examines the character of New World black cultures and their relationships with the plural societies within which they function This volume seeks a balanced look at the fate of the African presence in Western society as well as insights into the sources of periodic conflict between blacks and others *Résumé de l'auteur* *Archival Reflections* Santiago Juan-Navarro, 2000 Due to its scope and perspective this work has a relevance that extends far beyond the conventional bounds of literary studies Concerned as it is with issues of historical understanding culture and politics it has implications for the literary histories of Spanish America and the United States as well as for the fields of inter American and cultural studies literary theory and historiography **BOOK JACKET** *Encyclopedia of American Humorists* Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature South of Pico Kellie Jones, 2017-03-09 Named a Best Art Book of 2017 by the New York Times and Artforum In *South of Pico* Kellie Jones explores how the artists in Los Angeles's black communities during the 1960s and 1970s created a vibrant productive and engaged activist arts scene in the face of structural racism Emphasizing the importance of African American migration as well as L A's housing and employment politics Jones shows how the work of black Angeleno artists such as Betye Saar Charles White Noah Purifoy and Senga Nengudi spoke to the dislocation of migration L A's urban renewal and restrictions on black mobility Jones characterizes their works as modern migration narratives that look to the past to consider real and imagined futures She also attends to these artists' relationships with gallery and museum culture and the establishment of black owned arts spaces With *South of Pico* Jones expands the understanding of the histories of black arts and creativity in Los Angeles and beyond *American Multiculturalism in Context* Sāmi Ludwig, 2017-03-07 In March 2015 a group of experts from four continents and a wide range of disciplines met with the leading African American writer Ishmael Reed in Mulhouse France and Basel Switzerland Guided by Swiss cultural and literary theorist Sāmi Ludwig and deliberately migrating back and forth across a political border

in the heart of Europe they not only listened to Reed and discussed his work but also looked more widely at the different meanings assigned to multiculturalism in the United States Europe and other parts of the world This volume brings together their reflections

Matter, Magic, and Spirit David Murray, 2013-04-23 The spiritual and religious beliefs and practices of Native Americans and African Americans have long been sources of fascination and curiosity owing to their marked difference from the religious traditions of white writers and researchers Matter Magic and Spirit explores the ways religious and magical beliefs of Native Americans and African Americans have been represented in a range of discourses including anthropology comparative religion and literature Though these beliefs were widely dismissed as primitive superstition and inferior to higher religions like Christianity distinctions were still made between the supposed spiritual capacities of the different groups David Murray's analysis is unique in bringing together Indian and African beliefs and their representations First tracing the development of European ideas about both African fetishism and Native American primitive belief he goes on to explore the ways in which the hierarchies of race created by white Europeans coincided with hierarchies of religion as expressed in the developing study of comparative religion and folklore through the nineteenth century Crucially this comparative approach to practices that were dismissed as conjure or black magic or Indian medicine points as well to the importance of their cultural and political roles in their own communities at times of destructive change Murray also explores the ways in which Indian and African writers later reformulated the models developed by white observers as demonstrated through the work of Charles Chesnutt and Simon Pokagon and then in the later conjunctions of modernism and ethnography in the 1920s and 1930s through the work of Zora Neale Hurston Zitkala Sa and others Later sections demonstrate how contemporary writers including Ishmael Reed and Leslie Silko deal with the revaluation of traditional beliefs as spiritual resources against a background of New Age spirituality and postmodern conceptions of racial and ethnic identity

African American Humor, Irony and Satire Dana A. Williams, 2009-03-26 African American Humor Irony and Satire Ishmael Reed Satirically Speaking includes select proceedings from the annual Heart's Day Conference sponsored by the Department of English at Howard University Among the collection's many strengths is the range of essays included here Essays on Ishmael Reed center the collection and satirists from George Schuyler to Aaron McGruder are examined as are popular culture comedians Richard Pryor and Dave Chappelle Thus the collection adds broadly to the body of scholarship on traditional and non traditional interpretations of humor irony and satire What these essays also reveal is how the lens of humor irony and satire as a way of reading texts is especially useful in highlighting the complexity of African American life and culture The essays also uncover crucial but not so obvious connections between African Americans and other world cultures

The Cultural Memory of Africa in African American and Black British Fiction, 1970-2000 Leila Kamali, 2016-12-10 This book offers a new approach to reading the cultural memory of Africa in African American fiction from the post Civil Rights era and in Black British fiction emerging in the wake of Thatcherism The critical period between the decline of the Civil

Rights Movement and the dawn of the twenty first century saw a deep contrast in the distinctive narrative approaches displayed by diverse African diaspora literatures in negotiating the crisis of representing the past Through a series of close readings of literary fiction this work examines how the cultural memory of Africa is employed in diverse and specific negotiations of narrative time in order to engage and shape contemporary identity and citizenship By addressing the practice of remembering Africa the book argues for the signal importance of the African diaspora s literary interventions and locates new paradigms for cultural identity in contemporary times
