Everybody's Uncle Eugene Patrizi,2010 I have an unusual life story to tell by the circumstances that came together as life went on A depression baby I experienced many days of hard times A son of Italian immigrants I spoke Italian at home A deep desire to become educated was my dream To be educated was always my dream despite negative oppositions My becoming an uncle at the age of three resulted in growing up with many nieces and nephews not brothers and sisters How I managed to overcome great obstacles to be educated is worthy of this reading A never give up attitude led to my achievements Simultaneously the title of the Uncle grew not only from a huge family but includes many friends as well Being a talented artist from a youngster to adult I flourished in painting and art to become well received as an artist and teacher From my earliest of days well into my teens I was always singled out by teachers and people of knowledge to encourage me to be an artist Despite my obvious talents I hardly felt that I was special Not until adulthood did I realize that my creative art works and mentality were truly far above average In college my talents of all kinds were allowed to flourish What a blessing indeed to have that opportunity after years of uncertainty Always doing my very best at any chore given to me led to my achievements Also being accepted as Uncle to numerous families encouraged me to feel I had wonderful support that was so needed As you read my story please try to imagine the periods it all occurred the state of my demeanor and how I succeeded
