30 Days of Night: Return to Barrow #4 Steve Niles, Part 1 of 6 30 Days of Night was one of the undisputed success stories of modern comics spawning a bestselling trade paperback a major motion picture deal and the attention of thousands of fans longing for an innovative tale of terror Now the same creative team revisits Barrow Alaska the town where it all began as the long night creeps once more over the tundra Some things may have changed but the horror remains

Silent Hill Rolando Fernández Benavidez, 2020-01-07 Silent Hill es uno de esos videojuegos que desde sus inicios como g nero del survival horror fue tomando un asombroso rumbo que impactar a directamente a diferentes reas del entretenimiento Lo que en un principio empez como un videojuego se convertir a en toda una exitosa franquicia para la empresa Konami Desde comics hasta pel culas han cautivado los gustos de miles de personas en todo el mundo interesadas en su propuesta de llevar al espectador a un terror de tipo psicol gico Silent Hill a lo largo de los diferentes videojuegos publicados tanto por el Team Silent de la propia Konami como de estudios independientes contratados por ellos ha desarrollado una compleja historia la cual raya en los l mites de toda una cosmolog a incluso si analizamos con mayor detalle descubriremos que sobre estos videojuegos se ha formalizado una compleja teolog a inspirada en algunas religiones como el cristianismo los aztecas los mayas y algunos mitos de antiguas tribus indias que existieron en tierras norteamericanas Lo

novedoso de su planteamiento teológico es que a diferencia de la mayoría de religiones y culturas el mito cosmológico de la creación en el universo de Silent Hill apunta a que la humanidad existió en un principio y una deidad superior es creada a posteriori motivado todo por el deseo de esos primeros humanos. Los videojuegos están repletos de misterios simbolismos y secretos que no solo han atrapado el interés de los gamers también han comenzado a despertar curiosidad en filósofos teólogos demonólogos psicólogos escritores cineastas y artistas del diseño. El primer videojuego de Silent Hill fue lanzado en el año de 1999 para la consola Sony PlayStation a la fecha de hoy existen varios títulos de la franquicia para las consolas de última generación para los verdaderos fans de la saga este libro puede ser bastante interesante ya que se expone la historia completa de Silent Hill narrada desde la versión oficial de Konami Computer Entertainment Tokyo. Muchos foros en internet detallan teorías expuestas por fans de todo el mundo sin embargo yo he preferido redactar solo detalles basados en pruebas obtenidas desde los videojuegos y material oficial de la propia Konami para preservar la idea original del Team Silent. Videogame player text examines the playing and playful subject through a series of analytical essays focused on particular videogames and playing experiences. With essays from a range of internationally renowned game scholars, the major aim of this collection is to show how it is that videogames communicate their meanings and provide their pleasures. Each essay focuses on specific examples of gameplay dynamics to tease out the specificities of videogames as a new form of interaction between text and digital technology for the purposes of entertainment. That modes of engagement with the videogame text are many and varied and construct the playing subject in different ways provides the central theme of Videogame player text. Online play, clan membership, competitive or co-operative play, player modification of game texts and the solo play of a single player are each addressed through individual analyses of the gameplay experiences produced by, for example, The Sims, Grand Theft Auto, Prince of Persia, Doom, Quake, World of Warcraft, StreetFighter and Civilisation.
