Sos For Catholic Schools:

S.O.S. for Catholic Schools C. Albert Koob, Russell B. Shaw, 1970 **The Praeger Handbook of Faith-Based Schools in the United States, K-12** Thomas C. Hunt, James C. Carper, 2012-08-06 Exploring a subject that is as important as it is divisive this two volume work offers the first current definitive work on the intricacies and issues relative to America's faith based schools The Praeger Handbook of Faith Based Schools in the United States K 12 is an indispensable study at a time when American education is increasingly considered through the lenses of race ethnicity gender and social class With contributions from an impressive array of experts the two volume work provides a historical overview of faith based schooling in the United States as well as a comprehensive treatment of each current faith based school tradition in the nation The first volume examines three types of faith based schools Protestant schools Jewish schools and Evangelical Protestant homeschooling The second volume focuses on Catholic Muslim and Orthodox schools and addresses critical issues common to faith based schools among them state and federal regulation and school choice as well as ethnic cultural confessional and practical factors Perhaps most importantly for those concerned with the questions and controversies that abound in U S education the handbook grapples with outcomes of faith based schooling and with the choices parents face as they consider educational options for their children Jspr Vol 25-N1 Journal of School Public Relations, 2004-05-27 The Journal of School Public Relations is a quarterly publication providing research analysis case studies and descriptions of best practices in six critical areas of school administration public relations school and community relations community education communication conflict management resolution and human resources management Practitioners policymakers consultants and professors rely on the Journal for cutting edge ideas and current knowledge Articles are a blend of research and practice addressing contemporary issues ranging from passing bond referenda to building support for school programs to integrating modern information **Crabgrass Catholicism** Stephen M. Koeth, 2025-08-19 How suburbanization was a crucial catalyst for reforms in the Catholic Church The 1960s in America were a time of revolt against the stifling conformism embodied in the sprawling uniform suburbs of the 1950s Typically the reforms of the Catholic Church's Second Vatican Council which aimed to make the Church more modern and accessible are seen as one result of that broader cultural liberalization Yet in Crabgrass Catholicism Stephen M Koeth demonstrates that the liberalization of the Church was instead the product of the mass suburbanization that began some fifteen years earlier Koeth argues that postwar suburbanization revolutionized the Catholic parish the relationship between clergy and laity conceptions of parochial education and Catholic participation in US politics and thereby was a significant factor in the religious disaffiliation that only accelerated in subsequent decades A novel exploration of the role of Catholics in postwar suburbanization Crabgrass Catholicism will be of particular interest to urban historians scholars of American Catholicism and religious studies and Catholic clergy and laity **Tuition Tax Credits** United States. Congress. Senate. Committee on Finance. Subcommittee on Taxation and Debt Management, 1981

Alternative Futures in American Education ,1972 *Oversight on Private Schools* United States. Congress. House. Committee on Education and Labor. Subcommittee on Elementary, Secondary, and Vocational Education,1981 **Catholic Schools** Gerald Grace,2002-11-01 In this ground breaking book Gerald Grace addresses the dilemmas facing Catholic education in an increasingly secular and consumer driven culture The book combines an original theoretical framework with research drawn from interviews with sixty Catholic secondary head teachers from deprived urban areas Issues discussed include Catholic meanings of academic success tensions between market values and Catholic values threats to the mission integrity of Catholic schools the spiritual moral and social justice commitments of contemporary Catholic schools This book will be equally useful to leaders of Catholic and other schools and to all those interested in values and leadership in schooling

The Spirit of Vatican II Colleen McDannell,2011-03-01 In 1962 a group of Catholic leaders traveled to Rome charged by Pope John XXIII with the task of making the gospel of Christ relevant in a modern world The Second Vatican Council transformed the lives of Catholics through sweeping reforms yet its effect on the daily lives of practicing Catholics has never been fully understood In this illuminating study religious historian Colleen McDannell presents new insight into Vatican II by shifting the framework of its analysis from men to women from urban to suburban from theory to practice Using the story of her Catholic mother s life as a narrative thread McDannell presents in *The Spirit of Vatican II* a refreshingly positive portrayal of the state of modern Catholicism and a testament to the lasting effects of its liberalization **Tuition Tax Credit--1983** United States. Congress. Senate. Committee on Finance,1983
