Desmond Alexander, 2018-01-16 For here we have no lasting city

but we seek the city that is to come Hebrews 13:14 At the very heart of God's plan for the world stands an extraordinary city Beginning with the garden of Eden in Genesis and ending with the New Jerusalem in Revelation the biblical story reveals how God has been working throughout history to establish a city filled with his glorious presence Tracing the development of the theme of city in both testaments T Desmond Alexander draws on his experience as a biblical scholar to show us God's purpose throughout Scripture to dwell with his redeemed people in a future extraordinary city on a transformed earth Part of the Short Studies in Biblical Theology series

**The Real Story of Creation** Willie J. Alexander, 2012-11-30 In his first book *Entering The Promised Land* Willie's quest to understand how embedded social biases affect business success led to a much broader revelation Religious Scholar by training Willie's source for study was biblical Scripture In the course of his research he literally stumbled upon a new methodology for biblical study He named this new tool the Defined Word Approach Much to his surprise by using this tool he found a rich cultural heritage for individuals of African descent hence the title *Entering The Promised Land* In his latest writing *The Real Story of Creation* Willie lays out an entirely new perspective on Creation as recounted in the Holy Bible Using the Defined Word Approach he breaks down the meaning of the classical Hebrew words used to write the Scripture The take away is vastly different from the biblical teachings of the past two centuries Willie feels that using the Defined Word Approach to read and understand the Bible could be the impetus for re-energizing religious study and understanding Willie continues to pursue his research and writing while providing leadership and guidance through his service and active participation in industry business and civic associations

Doctrine of Creation Marty Folsom, 2025-05-06 Karl Barth's Church Dogmatics is considered by many to be the most important theological work of the twentieth century. For many people, reading it or at least understanding its contents and arguments is a lifelong goal. Yet its enormous size—over 12,000 pages in English translations and enough print volumes to fill an entire shelf—makes reading it a daunting prospect for seasoned theologians and novices alike. Karl Barth's Church Dogmatics for Everyone, Volume 3: The Doctrine of Creation, helps bridge the learning gap for would-be Karl Barth readers from beginners to professionals by offering an introduction to Barth's theology and thought like no other. User-friendly and creative, this guide helps readers get the gist, significance, and relevance of what Barth intended for the church to restore the focus of theology and revitalize the practices of the church. Each section contains insights for pastors, new theologians, professionals, and ordinary people, including summaries of the section, contextual considerations, and other visually informative features that reinforce the main points of Barth's thought. In addition, each volume features the voices of authors from different academic disciplines who contribute brief reflections on the value of Church Dogmatics for creative discovery in their disciplines. Volume 3 reflections include Samuel Adams (Biblical Studies), Gary Deddo (Systematic Theology), Cherith Fee Nordling (Embodied Theology), Will Willimon (Pastors), Jeff McSwain (Ordinary People), Daniel J. Price (Mental Health), Geordie Ziegler (Spiritual Formation), Ross Lockhart (Missions), David McNutt (The Arts), and Jonathan Lett (Science). Whether you are just discovering Barth or want a fresh look at his magnum opus, this series invites you to an enjoyable and insightful journey into the Church Dogmatics. *A Synopsis of Chronology from the Era of Creation, according to the Septuagint, to the year 1837; with a discourse on the astronomical principles of the scriptural times, etc.* William CUNINGHAME (of Lainshaw.), 1837
