I Exist: Coelho's Compass Monica Lilly & Jai Krishnan, The plan and purpose of the book I Exist Coelho's Compass is to explore the deep philosophical and existential themes in Paulo Coelho's writings and it further focuses on the intersection of Philosophy and Existentialism. We primarily wanted to address the conflict and existential crisis that people undergo in everyday life. We strived hard to find the stress management and survival techniques which indeed is the primary goal of this small book by taking the lens of Coelho. We are certain that literature shapes our experiences in this world and this book is an amateur attempt to exhibit the same. The book brings in the elements of Philosophy and Existentialism with the utmost passion for both concepts.
