plays indicated under each section After all the important thing is not the painful piling of fact upon fact but gaining an intelligent working knowledge of the whole and knowing exactly where to turn for detail when it is needed The information has been gathered from many works upon the various phases to which the writer is deeply indebted all of which are indicated in the bibliographies We purpose then to take a sort of Cook s Tour over the whole domain of the drama touching the main points of interest and leaving the reader to return and explore at leisure **Chief Contemporary Dramatists** Thomas H.
