Lost Christianities The Battles For Scripture And The Faiths We Never Knew:

Lost Christianities Bart D. Ehrman, 2005 Focusing on key historical texts a biblical authority offers a revealing look at the early church and the intense struggle to form the canon of the New Testament 11 halftones [Lost Christianities: The Battles for Scripture and the Faiths We Never Knew and Lost Scriptures: Books That Did Not Make It Into the New Testament](#) BART D. EHRMAN, Bowman and Gordon Gray Professor of Religious Studies Bart D Ehrman, 2004-09-02 This unique set combines two of Bart Ehrman's most popular works on the early Christian church Lost Scriptures and Lost Christianities and gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era **Lost Christianities** Bart Ehrman, **Lost Christianities** Bart D. Ehrman, 2023 **Lost Christianities** Bart D. Ehrman, 2003 [The Reception and Interpretation of the Bible in Late Antiquity](#) Lorenzo DiTommaso, Lucian Turcescu, 2008 The volume is a Festschrift offered to Charles Kannengiesser on the occasion of his 80th birthday and honours him for his numerous scholarly accomplishments Its twenty five contributions discuss some of the major issues pertaining to the reception and interpretation of the Bible in late antique Christianity and Judaism They focus on the ways in which communities and individuals understood the Bible and interpreted its traditions to address their historical social and theological requirements Since the Bible was by far the most important book during these centuries a discussion of its influence in such contexts will illuminate significant aspects of the formation of western civilisation **Scripture and Scholarship in Early Modern England** Ariel Hessayon, Nicholas Keene, 2006 This volume of essays is the first to embrace both orthodox and heterodox treatments of scripture in early modern England and in the process to question challenge and redefine what historians mean when they use these terms The collection dispels the myth that a critical engagement with sacred texts was the preserve of radical figures anti scripturists Quakers Deists and freethinkers While the work of these people was significant it formed only part of a far broader debate incorporating figures from across the theological spectrum engaging in a shared discourse **Found Christianities** M. David Litwa, 2022-02-24 M David Litwa tells the stories of the early Christians whose religious identity was either challenged or outright denied In the second century many different groups and sects claimed to be the only Orthodox or authentic version of Christianity and Litwa shows how those groups and figures on the side of developing Christian Orthodoxy often dismissed other versions of Christianity by refusing to call them Christian However the writings and treatises against these groups contain fascinating hints of what they believed and why they called themselves Christian Litwa outlines these different groups and the controversies that surrounded them presenting readers with an overview of the vast tapestry of beliefs that made up second century Christianity By moving beyond notions of gnostic heretical and orthodox Litwa allows these lost Christianities to speak for themselves He also questions the notion of some Christian identities surviving or perishing arguing that all second century Catholic groups look very different to any form of modern Roman Catholicism Litwa shows that countless discourses ideas and practices are

continually recycled and adapted throughout time in the building of Christian identities and indeed that the influence of so called lost Christianities can still be felt today

Changing the Goalpost of New Testament Textual Criticism Abidan Paul Shah, 2020-10-02 Before the 1960s the goal of New Testament Textual Criticism was singular to retrieve the original text of the New Testament Since then the goalpost has incrementally shifted away from the original text to retrieving any text or many texts of the NT Some scholars have even concluded that the original text is hopelessly lost and cannot be retrieved with any confidence or accuracy Other scholars have gone a step further to claim that the idea of an original text itself is a misconception that needs to be abandoned If this new approach in NTTC is correct then the authority of Scripture is weakened or no longer valid It will be shown in this book that such is not the case Furthermore emphasis will be placed on the need to return to the traditional goalpost of NTTC i e to retrieve the original text Without a generally definitive text the door will be left wide open to recreate any desired text of the NT An unsettled original text will result in an unsettled biblical theology due to a lack of any authoritative and standard text Consequently it will lead to an unsettled Christian faith and practice

The Intolerance of Tolerance D. A. Carson, 2012-01-31 Carson traces the subtle but enormous shift in the way we have come to understand tolerance over recent years from defending the rights of those who hold different beliefs to affirming all beliefs as equally valid and correct He looks back at the history of this shift and discusses its implications for culture today especially its bearing on democracy discussions about good and evil and Christian truth claims from publisher description

Jesus, Joshua, Yeshua of Nazareth Gordon Clouser, 2016-04-08 Who was Jesus really Did he advocate the Jewish prophetic kingdom of God Did he manifest theological convictions that prominently surfaced after his death In the final analysis does it make any difference for faith One typically bypasses the fact that gospel authors not only did not support the theology of Paul but actively contended against it The mental insertion of Pauls theology into the gospels constitutes the most prominent misreading of the New Testament Because of the disconnect between these authors and Paul later church scribes attempted to fine tune the gospels to become more consistent with orthodox theology How was it

possible that Paul believed Jesus would return to judge the world when no thinking prior to Paul envisioned such a role for a messiah Why did gospel authors reflect an identity for Jesus as the Son of Man a prominent figure of Jewish apocalyptic literature These and other questions are addressed How the Bible was Formed James E. Smith, Ph.D., 2019-07-03 A survey of the history of how the several books of the Bible were brought together into one volume

is difficult to read This volume eliminates both these obstacles James Payton has condensed Against Heresies by cutting out most of the interaction with the Gnostics allowing Irenaeus rich presentation on the Christian faith to shine through Furthermore the author has refurbished the English prose to make it accessible to contemporary readers With this distillation readers now have access to Irenaeus rich presentation of the Christian faith saturated in a thorough knowledge of Scripture and steadfastly rooted in the apostolic tradition of the early church Anyone who wants to know what the early Christian church had received and passed on from the apostles can do no better than to begin with this book *Faith's Defenders* Dr. Octavian Caius Obeada, 2024-07-28 *Faith's Defenders* The Christian Apologetic Mission offers a comprehensive exploration of the crucial role of apologetics in the Christian Church It examines the foundational beliefs historical challenges and modern day threats to Christianity while providing a detailed overview of apologetics from early Christianity to the present The book emphasizes the need for respectful and intellectually rigorous strategies to engage with contemporary culture address doubts and reinvigorate faith Drawing on insights from renowned defenders of the faith it highlights the importance of apologetics in strengthening the Church's witness and fostering meaningful dialogue making a compelling call for the Church to present the gospel with confidence clarity and compassion You can find the PAPERBACK version on Amazon <https://amzn.to/4jiSDjr> *Christianity* Dumke, Russell, 2024 Dive into the depths of Christianity with Russell Dumke's enlightening guide Perfect for believers seekers and anyone looking to enrich their understanding of one of the world's great religions this book offers a comprehensive exploration of Christianity's fundamental aspects From the very first page Dumke addresses the common knowledge gaps that many Christians experience He identifies the Grandma Syndrome where religious beliefs are inherited but not deeply understood and offers a solution a structured approach to learning that fosters mature informed faith The book is divided into four crucial areas every Christian should know biblical scholarship Christian history worship and spirituality Dumke's accessible yet thoughtful insights make complex historical events and theological concepts clear and relevant Whether you're reaffirming your faith or seeking to expand your knowledge this book is a valuable resource that promises to enrich your understanding [The De-Judaization of the Image of Jesus of Nazareth \(The Virgin Mary\) at the Time of the Holocaust: Ensoulment and the Human Ovum](#) Thomas Alexander Blüger, 2021-03-09 Thomas has been researching his family's Jewish background for the last thirty years Herein he investigates how his Jewish grandparents and aunt defined as a nonprivileged Mischling survived the war while living in the heart of Nazi Germany This led Thomas to research Hitler's fear of having partial Jewish ancestry and expanded into a full blown study of following Christianity's understanding of the Jewish identity of Jesus of Nazareth throughout history Not leaving matters here Thomas outlines how Marian dogmatic theology used at the time of the Shoah brought to conclusion the Church's long journey in defining the time of ensoulment as articulated in the papal document *Ineffabilis Deus* promulgated by Pius in 1854 This happened twenty seven years after the discovery of the human ovum in 1827 by Karl Ernst von Baer Years later with the

emergence of Nazi racial ideology many anti Christian Christians attempted to invert Christianity's core message of salvation through faith toward biological ends This would not do Roman authorities had consistently held throughout the centuries that faith is about salvation and not about biology According to that same end the ideal of ensoulment since the time of the Church's renewed understanding of it beginning in 1854 and indeed as it was first articulated through the writings of Aristotle and received into Christianity through the writings of Saint Augustine and later Thomas Aquinas was newly preserved within the confines of Western civilization This is the first book the author knows of that follows Augustine's concept of ensoulment as well as Aquinas's thinking on the matter while linking these to Karl Ernst von Baer's discovery of the human ovum in 1827 up until the events of Shoah and beyond This study is phenomenological in nature in that it does not follow Jesus of Nazareth the Virgin Mary throughout history but rather follows the image of Jesus of Nazareth the Virgin Mary a monumental difference This study supports the Second Vatican Council the Church's latest and ongoing efforts in affirming the Jewish identities of both Jesus of Nazareth and the Virgin Mary John Paul II's call for a purification of memory beginning in a year of Jubilee as well as the many present efforts in Catholic Jewish relations This study builds upon the author's past article Following the Virgin Mary through Auschwitz Marian Dogmatic Theology at the Time of the Shoah published in Holocaust Studies A Journal of Culture and History Vol 14 winter 2008 No 3 pp 1-24
