LOST ANZACS

The Story of Two Brothers

GREG KERR

Lost Anzacs

Si Sheppard

Lost Anzacs:

Lost Anzacs Greg Kerr, 1998 This is a fascinating account of two very different Anzac experiences of World War I Drawing on letters diaries and photographs from his grandfather and great uncle Greg Kerr relates the bitter experiences of Hedley Kerr killed at Gallipoli on April 25th 1915 and George Kitchin Kerr who was wounded at Gallipoli and later survived three years in a Turkish prison camp

Lost Boys of Anzac Peter Stanley, 2014-04-01 Australians remember the dead of 25 April 1915 on Anzac Day every year But do we know the name of a single soldier who died that day What do we really know about the men supposedly most cherished in the national memory of war Peter Stanley goes looking for the Lost Boys of Anzac the men of the very first wave to land at dawn on 25 April 1915 and who died on that day There were exactly 101 of them They were the first to volunteer the first to go into action and the first of the 60 000 Australians killed in that conflict Lost Boys of Anzac traces who these men were where they came from and why they came to volunteer for the AIF in 1914 It follows what happened to them in uniform and using sources overlooked for nearly a century uncovers where and how they died on the ridges and gullies of Gallipoli where most of them remain to this day And we see how the Lost Boys were remembered by those who knew and loved them and how they have since faded from memory

Captive Anzacs Kate Ariotti, 2018-05-11 During the First World War 198 Australians became prisoners of the Ottomans Overshadowed by the grief and hardship that characterised the post war period and by the enduring myth of the fighting Anzac these POWs have long been neglected in the national memory of the war Captive Anzacs explores how the prisoners felt about their capture and how they dealt with the physical and psychological strain of imprisonment as well as the legacy of their time as POWs More broadly it explores public perceptions of the prisoners the effects of their captivity on their families and how military government and charitable organisations responded to the POWs both during and after the War Intertwining rich detail from letters diaries and other personal papers with official records Kate Ariotti offers a comprehensive nuanced account of this aspect of Australian war history

Shadows of ANZAC David W. Cameron, 2013-03-01 On 25 April 1915 with the landing of the Australian and New Zealand Army Corps ANZAC below the slopes of Sari Bair on the Gallipoli peninsula the ANZAC legend was born Nine months later having suffered thousands of casualties from disease hand to hand fighting bombing sniping and forlorn charges across no man s land the politicians and senior military commanders in London called it quits While the Turks also suffered terribly they at least emerged victorious The fighting at Anzac was not restricted to the ANZACs and Turks alone British troops also fought at Anzac from the earliest days of the invasion and large numbers of British and Indian troops were committed to the Anzac sector during the failed August offensive designed to break the stalemate The invasion was also supported by large numbers of men often non combatants who performed vital roles Naval beach officers kept logistics operating in some form of orderly fashion Indian mule handlers moved supplies of food water and ammunition to the front lines and medical staff and army chaplains worked on the beach caring for the wounded and the dead All these men were

frequently under fire from the Turkish battery known as Beachy Bill Others surveyed the narrow beachhead and bored deep holes for drinking water signallers tried desperately to establish and maintain communications and the gunners hunted the battlefield for suitable places to site their guns Off the peninsula but just as vital were the nursing and medical staff on the hospital ships at Lemnos Alexandria Cairo and Malta and the airmen who flew above the battlefield spotting for the navy and artillery Shadows of Anzac An intimate history of Gallipoli tells the story of the ordinary men and women who participated in the Gallipoli campaign from April to December 1915 and gave the Anzac legend meaning Drawing on letters diaries and other primary and secondary sources David Cameron provides an intimate and personal perspective of Anzac a richly varied portrayal that describes the absurdity monotony and often humour that sat alongside the horrors of the bitter fight to claim the peninsula

ANZAC Soldier vs Ottoman Soldier Si Sheppard, 2023-03-16 In 1915 18 ANZAC and Ottoman soldiers clashed on numerous battlefields from Gallipoli to Jerusalem This illustrated study investigates the two sides fighting men The Gallipoli campaign of 1915 16 pitched the Australian and New Zealand volunteers known as the ANZACs into a series of desperate battles with the Ottoman soldiers defending their homeland In August 1915 the bitter struggle for the high ground known as Chunuk Bair saw the peak change hands as the Allies sought to overcome the stalemate that set in following the landings in April The ANZACs also played a key part in the battle of Lone Pine intended to divert Ottoman attention away from the bid to seize Chunuk Bair The Gallipoli campaign ended in Allied evacuation in the opening days of 1916 Thereafter many ANZAC units remained in the Middle East and played a decisive role in the Allies hard fought advance through Palestine that finally forced the Turks to the peace table The fateful battle of Beersheba in October 1917 pitted Australian mounted infantry against Ottoman foot soldiers as the Allies moved on Jerusalem In this book noted military historian Si Sheppard examines the fighting men on both sides who fought at Lone Pine Chunuk Bair and Beersheba The authoritative text is supported by specially commissioned artwork and mapping plus carefully chosen archive photographs

ANZACS on the Western Front Peter Pedersen, 2018-02-14 A newly updated lavishly illustrated account of the ANZACs involvement in the Western Front complete with walking and driving tours of 28 battlefields With rare photographs and documents from the Australian War Memorial archive and extensive travel information this is the most comprehensive guide to the battlefields of the Western Front on the market Every chapter covers not just the battles but the often larger than life personalities who took part in them Following a chronological order from 1916 through 1918 the book leads readers through every major engagement the Australian and New Zealanders fought in and includes tactical considerations and extracts from the personal diaries of soldiers Anzacs On The Western Front The Australian War Memorial Battlefield Guide is the perfect book for anyone who wants to explore the battlefields of the Western Front either in person or from the comfort of home It does far more than show where the lines that generals drew on their maps actually ran on the ground and retrace the footsteps of the men advancing towards them It is a graphic and wide ranging record of the Australian and New Zealand achievements and of

the huge sacrifices both nations made in what is still arguably the most grueling episode in their history A complete guide to the ANZAC battlefields on the Western Front featuring short essays on important personalities and events details on relevant cemeteries museums memorials and nearby places of interest and general travel information Carefully researched and illustrated with colorful maps and both modern and period photographs Includes information about the Sir John Monash Centre near Villers Bretonneux in France a new interpretative museum set to open on Anzac Day 2018 coinciding with the centenary of the Year of Victory 1918 Anzacs On The Western Front The Australian War Memorial Battlefield Guide is the perfect book for historians history buffs military enthusiasts and Australians and New Zealanders who want to explore the military history and battlefields of their heritage

Gallipoli 1915 Tim Travers, 2016-07-11 Why was the Allied naval assault of February March 1915 so unsuccessful Did the Ottoman Turks have knowledge of the Allied landings of 25 April 1915 And did Sir Ian Hamilton the overall commander of the Allied forces at Gallipoli really make a mistake in his intervention at Suvla These questions and the key issue of why the Ottoman Turks won the 1915 Gallipoli campaign or why the Allies lost it have never been satisfactorily answered This new history of the Gallipoli campaign aims to answer them while also telling the story of what actually happened through the voices of British Australian and Turkish soldiers In order to properly understand the bloody events of 1915 Tim Travers is the first historian of Gallipoli to use the general Staff Ottoman archives in Ankara to tell the other side of the story Wide ranging research in the Turkish archives as well as those in Australia Britain France and New Zealand plus a significant newly discovered German source has produced a startling new interpretation of the 1915 conflict Moving from a study of the Western Front Tim Travers has produced a challenging analysis of the enduring mysteries of the Gallipoli campaign

Goodbye Cobber, God Bless You John Hamilton, 2007-11-10 On August 7th 1915 men of the 3rd Light Horse Brigade staged one of the most tragic brave and futile charges of the First World War Seeking to break out of the Anzac position at Gallipoli they attempted to storm an extraordinarily strong Turkish position defended by artillery machineguns and thousands of men using nothing but fixed bayonets and raw courage The first wave of Light Horsemen were killed within seconds of leaving their trench yet over the course of the next few minutes three more lines went over the top across the bodies of their dead and dying comrades only to be instantly cut down themselves All of them knew they were about to die None held back It was a massacre immortalised in Peter Weir's film Gallipoli Just before the order was given to send the third line Trooper Harold Rush turned to his mate standing next to him and said Goodbye cobber God bless you These words appear on his headstone in the little cemetery near the scene of the charge John Hamilton's book follows the men who fought and died in this action from the recruiting frenzy of August 1914 to their training camps to Egypt to the peninsula itself to that fatal morning It is a work of meticulous research and detail which puts flesh on the bones of long dead men and boys We see through their eyes the excitement fear and horror of a generation encountering the carnage of modern war for the first time Goodbye Cobber God Bless You is compelling

personal and painfully moving **We Who Proudly Served** Peter Francis Kenny, 2015-05-27 Although Australia is only a young country in comparison to other nations it can hold its head up high and proudly proclaim that it is one of the giants in this world of toil and trouble in which we live When the odds are stacked against Australians they don't turn and run instead they stand and fight and overcome the obstacles that face them The contents of this volume are a tribute to all the men and women of this proud and great country who have come from all walks of life to give of their time and unfortunately some have even given their lives to defend this great land and keep it free There have been politicians doctors nurses police officers average everyday citizens musicians actors artists farmers graziers authors sportsmen and women journalists and a host of others who have taken up the cause for their country and the monarchy serving from the Crimean to the war in Vietnam and beyond Their heroic deeds and their many sacrifices have ensured that today's generation can rest easier proud in the knowledge that these servicemen and women have paved the way for our freedom Now they come together once again as one big family to shed an insight on their achievements so that you can fully understand and appreciate what they have and had experienced I dedicate this work to the memory of all those who have made the supreme sacrifice in order that we may live in peace and prosperity and also to the families of those who did not return The book is not a glorification of war but a glorification of the individual and his or her actions and deeds The Fair Dinkums Glenn McFarlane, 2016-03-22 A chronicle of sad loss Sydney Morning Herald eloquent heartbreaking a sterling tribute The stuff of legends Nick Richardson Herald Sun FAIR DINKUM def honesty guts directness fortitude courage truth You had to be fair dinkum to enlist after the hell of Gallipoli hit home A new breed of warrior and patriot stepped up as Anzac's second wave Among them were 152 men of the 7th Battalion fruit pickers and farmers bootmakers and blacksmiths miners and mailmen They fought under the colours of mud and blood in the searing sands of Egypt on Gallipoli's fatal shore across killing fields in France and beyond Born in the right place at the wrong time the bravery and ingenuity of these young Australian men forged a legendary band of brothers The Fair Dinkums

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, **Lost Anzacs** .
