Lost Mountain Days

Linus Pierpont Brockett

Lost Mountain Days:

Lost Mountain Days Robert Lee Howell, 1973 **Men of Our Day** Linus Pierpont Brockett, 1868 Georgia, a Guide to Its Towns and Countryside Best Books on, 1940 compiled and written by workers of the Writer's program of the Work Projects Administration in the state of Georgia sponsored by the Georgia Board of Education *The American Annual Cyclopædia and Register of Important Events of the Year ...*, 1865 **The Road Past Kennesaw** Richard M. McMurry, 1972
Kentucky William Henry Perrin, J. H. Battle, G. C. Kniffin, G. S. Kniffin, 1887 *To Succeed or Perish* Lawrence Lee Hewitt, Thomas E. Schott, 2024-01-12

With the Conscription Act of 1862 the Confederacy enacted the first military draft in American history. Rather than face duty with strangers in an uncertain locale, twenty-eight-year-old Edmund Trent Eggleston of Warren County, Mississippi, took advantage of a thirty-day grace period and joined his neighbors in volunteering for duty in Company G of the 1st Mississippi Light Artillery Regiment. Throughout his service, Eggleston kept a detailed account of his daily activities and those of his unit, a diary that remains one of the very few primary sources from a Confederate artilleryman in the West. In *To Succeed or Perish*, editors Lawrence Lee Hewitt, Thomas E. Schott, and Marc Kunis present Eggleston's diaries along with his letters and ledgers to offer a rare personal perspective on life behind the cannons in the Civil War's Western Theater and a fascinating window into the world of the Confederate soldier. Eggleston describes garrison duty near Vicksburg where he enjoyed visits from his wife and children, the battery's first engagement with the enemy at Champion Hill on May 16, 1863, and his service during the 1864 campaigns in Georgia and Tennessee. He offers a significant firsthand account of the Atlanta campaign, including the fighting at Resaca, Cassville, New Hope Church, Kennesaw Mountain, and the Chattahoochee River, as well as the siege of Atlanta. Because of the destruction of Hood's Army, Confederate records of these engagements are extremely rare, and Eggleston's observations are invaluable. In Tennessee, he recounts the action at the Battle of Nashville and the capture of his battery. Featuring an introduction that traces the wartime actions of Company G as well as a complete roster of the men with whom Eggleston served, *To Succeed or Perish* provides an important primary account of artillery service in an underrepresented theater of the Civil War. Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University. He is the author of *Port Hudson: Confederate Bastion on the Mississippi* and co-editor of six anthologies dealing with America's Civil War. Thomas E. Schott worked as a historian for the Department of Defense. He is the author of *Alexander H. Stephens of Georgia: A Biography*, winner of the Jefferson Davis Award, and co-editor with Lawrence Hewitt of *Lee and His Generals: Essays in Honor of T. Harry Williams*. Marc Kunis is a certified public accountant and the director of accounting at Resolution Productions. *The American Annual Cyclopædia and Register of Important Events ...*, 1865

The Rebellion Record: in two divisions, omitting "Diary of events" Frank Moore, 1866 **Atlanta Campaign Staff Ride** Edward P. Shanahan, 2003 *"Our Connection with Savannah"* Russell K. Brown, 2004

From the outset, the 1st Battalion Georgia Sharpshooters had problems. Much of the trouble lay in the organization of Civil War regiments and

companies Most companies in the early years of the war were made up of men from the same town or county The concept of the sharpshooters was alien to this home town tradition Men were asked to leave the comfortable companionship of their neighbors and friends and go into a unit with people they had never met before Despite its uncertain beginning the battalion was molded into a fine unit by the skill and energy of its officers and non commissioned officers The sharpshooters early won the praise of higher level commanders and inspecting officers However as the war dragged on the battalion was reduced in numbers morale and efficiency Notwithstanding its poor performance in the last months of its life the unit has a high reputation that was well deserved A Civil War veteran and historian called the sharpshooters one of the best drilled and most efficient battalions in the service This book objectively examines the organization leadership and performance of the sharpshooters follows their wartime experiences and devotes considerable attention to the individual soldiers If the story of the 1st Battalion Georgia Sharpshooters has not been a well known story it is now *The War of the Rebellion: v. 1-53 [serial no. 1-111] Formal reports, both Union and Confederate, of the first seizures of United States property in the southern states, and of all military operations in the field, with the correspondence, order and returns relating specially thereto. 1880-1898. 111 v* United States. War Department,1880 Official records produced by the armies of the United States and the Confederacy and the executive branches of their respective governments concerning the military operations of the Civil War and prisoners of war or prisoners of state Also annual reports of military departments calls for troops correspondence between national and state governments correspondence between Union and Confederate officials The final volume includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published Accompanied by an atlas *The War of the Rebellion: v.1-53 [serial no. 1-111] Formal reports, both Union and Confederate, of the first seizures of United States property in the southern states, and of all military operations in the field, with the correspondence, orders and returns relating specially thereto. 1880-1898. 111v* United States.
