

JOHN REED

Died at his revolutionary post, October 17, 1920

Lost Revolutionary John Reed

Slavoj Žižek

Lost Revolutionary John Reed:

The Lost Revolutionary Richard O'Connor, Dale L. Walker, 1967 **John Reed** Kenneth Z. Chutchian, 2019-10-22 John Reed was one of America's most dynamic journalists during the World War I decade. An unabashed advocate for the working class and an outspoken critic of capitalism, Reed was a star reporter before his relentless crusade turned him into a target of the U.S. government. Reed set the standard for descriptive writing at labor strikes in New Jersey and Colorado in Mexico while riding with Pancho Villa in Germany's trenches and in Russia. America had no shortage of rebels, socialists, anarchists, and revolutionaries at that time, but with his outsized personality and command of language and audiences, Reed may have been the most dangerous rebel of them all. Neither adversaries nor allies expected Reed to go the distance or to Russia with his convictions. He seemed to enjoy life and merriment too much to sacrifice everything for a second American revolution. But they all underestimated the anger that fueled him: the memory of a father who sacrificed his reputation to fight white collar crime. This career biography details Reed's extraordinary decade before his death at age 32, a chaotic period of constant movement and remarkable accomplishment while placing him in context among those who shaped him and touching upon the people with whom he worked.

The Illusion of Ignorance Janice Lee Jayes, 2011-02-16 *The Illusion of Ignorance* examines the cultural politics of the American encounter with Porfirian Mexico as a precursor and model for the twentieth century American encounter with the world. Detailed discussions of the logistics of conducting diplomacy, doing business, or traveling abroad in the era give readers a vivid picture of how Americans experienced this age of international expansion while contrasting Mexican and American visions of the changing relationship. In the end, Mexico's efforts to promote Mexico as a partner in progress with the U.S. was lost to an American illusion, schizophrenically divided between fantasies of American leadership toward and refuge from modernity. *The Illusion of Ignorance* argues that American ignorance of the experience of other nations is not so much a barrier to better understanding of the world but a strategy Americans have chosen to maintain their vision of the U.S. relationship with the world.

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves. However, until now, historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature. *The Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921, and covers all the key events of the intervening years. As such, it identifies these crucial years as something more than simply the creation of a communist state.

Literature Suppressed on Political Grounds, Fourth Edition Nicholas Karolides, 2019-08-01 Throughout history, tyrants, totalitarian states, church institutions, and democratic governments alike

have banned books that challenged their assumptions or questioned their activities Political suppression also occurs in the name of security and the safeguarding of official secrets and is often used as a weapon in larger cultural or political battles Literature Suppressed on Political Grounds Fourth Edition illustrates the extent and frequency of such censorship in nearly every form of writing Entries include Animal Farm George Orwell The Appointment Herta and Paul Amirson Collection Born on the Fourth of July Ron Kovic Burger's Daughter Nadine Gordimer Cancer Ward Aleksandr Solzhenitsyn Doctor Zhivago Boris Pasternak The Fugitive Pramoedya Ananta Toer Girls of Riyadh Rajaa Alsanea The Grapes of Wrath John Steinbeck Gulliver's Travels Jonathan Swift The Hate U Give Angie Thomas The Jungle Upton Sinclair Kiss of the Spider Woman Manuel Puig Manifesto of the Communist Party Karl Marx and Friedrich Engels Les Misérables Victor Hugo Mein Kampf Adolf Hitler Slaughterhouse Five Kurt Vonnegut Jr Snow Orhan Pamuk The Struggle Is My Life Nelson Mandela The Things They Carried Tim O'Brien The Van K Plays Václav Havel and more

The Liberation of Marguerite Harrison Elizabeth Atwood, 2020-09-01 In September 1918 World War I was nearing its end when Marguerite E Harrison a thirty nine year old Baltimore socialite wrote to the head of the U S Army's Military Intelligence Division MID asking for a job The director asked for clarification Did she mean a clerical position No she told him She wanted to be a spy Harrison a member of a prominent Baltimore family usually got her way She had founded a school for sick children and wangled her way onto the staff of the Baltimore Sun Fluent in four languages and knowledgeable of Europe she was confident she could gather information for the U S government The MID director agreed to hire her and Marguerite Harrison became America's first female foreign intelligence officer For the next seven years she traveled to the world's most dangerous places Berlin Moscow Siberia and the Middle East posing as a writer and filmmaker in order to spy for the U S Army and U S Department of State With linguistic skills and knack for subterfuge Harrison infiltrated Communist networks foiled a German coup located American prisoners in Russia and probably helped American oil companies seeking entry into the Middle East Along the way she saved the life of King Kong creator Merian C Cooper twice survived imprisonment in Russia and launched a women's explorer society whose members included Amelia Earhart and Margaret Mead As incredible as her life was Harrison has never been the subject of a published book length biography Past articles and chapters about her life relied heavily on her autobiography published in 1935 which omitted and distorted key aspects of her espionage career Elizabeth Atwood draws on newly discovered documents in the U S National Archives as well as Harrison's prison files in the archives of the Russian Federal Security Bureau in Moscow Russia Although Harrison portrayed herself as a writer who temporarily worked as a spy this book documents that Harrison's espionage career was much more extensive and important than she revealed She was one of America's most trusted agents in Germany Russia and the Middle East after World War I when the United States sought to become a world power

Claude McKay, Rebel Sojourner in the Harlem Renaissance Wayne F. Cooper, 1996-02-01 Cooper paints a meticulous and absorbing portrait of McKay's restless artistic intellectual and political odyssey The definitive

biography on McKay Choice Although recognized today as one of the genuine pioneers of black literature in this century the author of *If We Must Die* *Home to Harlem* *Banana Bottom* and *A Long Way from Home* among other works Claude McKay 1890 1948 died penniless and almost forgotten in a Chicago hospital In this masterly study Wayne Cooper presents a fascinating detailed account of McKay s complex chaotic and frequently contradictory life In his poetry and fiction as well as in his political and social commentaries McKay searched for a solid foundation for a valid black identity among the working class cultures of the West Indies and the United States He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen and also to influential West Indian and African writers such as C L R James and Aim C saire Knowledge of his life adds important dimensions to our understanding of American radicalism the expatriates of the 1920s and American literature Mr Cooper s most original contribution is his careful and perceptive analysis of McKay s nonfiction writing especially his social and political commentary which often contained prophetic statements on a range of important social political and historical issues New York Times Book Review

Harvard Guide to American History Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others *The Lost Summer* Tony Buttita, 2003-12-31 [The Lost History of 1914](#) Jack Beatty, 2012-02-02 In *The Lost History of 1914* Jack Beatty examines the First World War and its causes testing against fresh evidence the long dominant assumption that it was inevitable Most books set in 1914 map the path leading to war Beatty writes this one maps the multiple paths that led away from it Radically challenging the standard account of the war s outbreak Beatty presents the assassination of Archduke Franz Ferdinand not as the catalyst of a war that would have broken out in any event over some other crisis but rather as its all but unique precipitant Chronicling largely forgotten events faced by each of the belligerent countries in the months before the war started in August Beatty shows how any one of them a possible military coup in Germany the threat to Britain of civil war in Ireland the murder trial of the wife of the likely next premier of France who sought d tente with Germany might have derailed the arrival of war Europe s ruling classes Beatty shows were so haunted by fear of those below that they mistook democratisation for revolution and were tempted to escape forward into war to head it off Beatty s deeply insightful book as elegantly written as it is thought provoking and probing lights a lost world about to blow itself up in what George Kennan called the seminal catastrophe of the twentieth century *The Lost History of 1914* is a highly original and challenging work of history *The Last Romantic* William L. O'Neill, 2020-03-02 Poet and Journalist Max Eastman is perhaps the most famous example of an American intellectual who during his life moved across the entire political spectrum This re examination of his career and his place in history reveals the dynamics behind his several careers and political transformations offering new insight into one of the most influential writers of the twentieth century

Three Revolutions Simon Hall, 2025-07-01 A salve for our current reactionary times ANDREW HARTMAN The gripping untold story of how six epic journeys launched the three communist revolutions that changed world history forever From the streets

of Petrograd during the heady autumn of 1917 to Mao's stunning victory in October 1949 and Fidel's triumphant arrival in Havana in January 1959 the history of the twentieth century was transformed in dramatic and profound ways by the Russian Chinese and Cuban revolutions In *Three Revolutions* the stories of these epoch defining events are told together for the first time At the heart of each revolution was an epic journey Lenin's 1917 return to Russia from exile in Switzerland Mao's Long March of 1934-35 covering some 6 000 miles across China and Fidel Castro's return to Cuba in 1956 following his exile in Mexico Told in tandem with these are the corresponding journeys of three extraordinary journalists John Reed Edgar Snow and Herbert L Matthews whose electric testimony from the frontlines of each revolution would make a decisive contribution to how these revolutions were understood in the wider world Here in Simon Hall's masterful retelling these six remarkable journeys are brought vividly to life Featuring a stellar cast extraordinary drama and an epic sweep *Three Revolutions* raises fundamental questions about the nature of political power the limits of idealism and the role of the journalist questions that remain of utmost urgency today

In Defense of Lost Causes Slavoj Žižek, 2009-10-19 The renowned philosophical sharpshooter looks for the kernel of truth in the fascist politics of the past offering an adrenaline fueled manifesto for universal values Is global emancipation a lost cause Are universal values outdated relics of an earlier age In fear of the horrors of totalitarianism should we submit ourselves to a miserable third way of economic liberalism and government as administration In this combative major work philosophical sharpshooter Slavoj Žižek takes on the reigning ideology with a plea that we should re appropriate several lost causes and look for the kernel of truth in the totalitarian politics of the past Examining Heidegger's seduction by fascism and Foucault's flirtation with the Iranian Revolution he suggests that these were the right steps in the wrong direction He argues that while the revolutionary terror of Robespierre Mao and the Bolsheviks ended in historic failure and monstrosity this is not the whole story There is in fact a redemptive moment that gets lost in the outright liberal democratic rejection of revolutionary authoritarianism and the valorization of soft consensual decentralized politics Žižek claims that particularly in light of the forthcoming ecological crisis we should reinvent revolutionary terror and the dictatorship of the proletariat in the struggle for universal emancipation We need to courageously accept the return to this Cause even if we court the risk of a catastrophic disaster In the words of Samuel Beckett Try again Fail again Fail better

In Defense of Lost Causes Slavoj Žižek, 2009-10-19 No Marketing Blurb

Alexander Gumberg and Soviet-American Relations James K. Libbey, 2014-07-15 Born in Russia in 1887 Alexander Gumberg immigrated to the United States in 1903 He returned to Russia in 1917 as an American businessman sympathetic to the progress of Russia's Revolution After the Bolshevik seizure of power on November 7 Gumberg became a secretary translator and adviser to the American Red Cross Commission and the Committee on Public Information Through him a Soviet American dialogue formed despite the lack of official relations Gumberg advised congressmen who hoped to establish diplomatic ties between the two countries He helped American publicists publications and institutions which sought to

present a favorable or at least balanced picture of Soviet Russia Gumberg did not seek to start a revolution to change the world or to alter the morality of man He did contribute quietly to a better understanding between the future superpowers when their normal ties had been broken

American Radicals and the Mexican Revolution, 1900-1925 Diana K. Christopulos, 1982

Roosevelt's Lost Alliances Frank Costigliola, 2013-02-24 This study brings to light key overlooked documents such as the Yalta diary of Roosevelt's daughter Anna the intimate letters of Roosevelt's de facto chief of staff Missy LeHand and the wiretap transcripts of estranged advisor Harry Hopkins The book lays out a new approach to foreign relations history

The Provincetown Players and the Culture of Modernity Brenda Murphy, 2005-12 A study of the most influential theatre group of the twentieth century the Provincetown Players

Revolution and Ideology John A. Britton, 2021-09-15 Mexico and the United States share a border of more than 2 000 miles and their histories and interests have often intertwined The Mexican Revolution which began in 1910 and continued in one form or another for the next thirty years was keenly observed by U S citizens especially those directly involved in Mexico through property ownership investment missionary work tourism journalism and education It differed from many other revolutions in this century in that Marxist Leninist theory was only one of many radical and reformist influences Historian John A Britton examines contemporary accounts written by Americans commenting on social upheaval south of the border radical writers John Reed Anita Brenner and Carlton Beals novelists Katherine Anne Porter and D H Lawrence social critics Stuart Chase and Waldo Frank and banker diplomat Dwight Morrow to mention a few Their writings constitute a valuable body of information and opinion concerning a revolution that offers important parallels with liberation movements throughout the world today Britton's sources also shed light on the many contradictions and complexities inherent in the relationship between the United States and Mexico

Land of Desire William R. Leach, 2011-06-15 This monumental work of cultural history was nominated for a National Book Award It chronicles America's transformation beginning in 1880 into a nation of consumers devoted to a cult of comfort bodily well being and endless acquisition 24 pages of photos
