of this little known sportswoman a versatile female athlete comparable to Babe Didrikson Zaharias Booklist starred review Lottie Dod was a truly extraordinary sports figure who blazed trails of glory in the late nineteenth and early twentieth centuries Dod won Wimbledon five times and did so for the first time in 1887 at the ludicrously young age of fifteen After she

grew bored with competitive tennis she moved on to and excelled in myriad other sports she became a leading ice skater and tobogganist a mountaineer an endurance bicyclist a hockey player a British ladies golf champion and an Olympic silver medalist in archery In her time Dod had a huge following but her years of distinction occurred just before the rise of broadcast media By the outset of World War I she was largely a forgotten figure she died alone and without fanfare in 1960 Little Wonder brings this remarkable woman's story to life contextualizing it against a backdrop of rapid social change and tectonic shifts in the status of women in society Paving the way for the likes of Billie Jean King Serena Williams and other top female athletes of today Dod accepted no limits no glass ceilings and always refused to compromise Eighty five years before Billie Jean King and Bobby Riggs fought the battle of the sexes a Victorian teenager showed what women could do Abramsky celebrates her as a brave and talented and determined original The Atlantic **Love Game** Elizabeth Wilson, 2016-05-06 A journey through the history culture and mystique of tennis from an original and provocative mind The Wall Street Journal If you've watched Rafael Nadal spin a forehand at 4000 rpm Maria Sharapova arabesque out of a serve Serena Williams utterly destroy a short ball or Roger Federer touch a volley into an impossibly angled winner you know how exciting tennis can be This book reveals the long history and unique culture behind the sport With a penchant for tennis's inherent drama historian Elizabeth Wilson finds its core a psychological face off between flamboyant personalities navigating the ebbs and flows of fortune in the confines of a 78 x 36 foot box whether of clay grass or DecoTurf Walking the finely kempt lawns of Victorian England she shows how tennis's early role as a social pastime that included both men and women and thus lots of sexual tension set it apart from most other sports and their dominant masculine appeal Even today when power and endurance are more important than ever tennis still demands that the body behave gracefully and with finesse In this way Wilson shows tennis has retained the vibrant spectacle of human drama and beauty that have always made it special not just to sports fans but to popular culture Telling the stories of all the greats from the Renshaw brothers to Novak Djokovic and of all the advances from wooden racquets to network television schedules Wilson offers a tennis book like no other keeping the court square in our sights as history is illuminated around it A sporting history unlike any I've read one that in its sophistication and thoughtfulness shows up the hollowness of most other accounts Observer **Sport in Britain** Richard William Cox, 1991 **Beyond SW19** Kevin Jefferys, 2021-05-24 Wimbledon has long stood at the pinnacle of British and world tennis But as Kevin Jefferys shows in this ground breaking new study Britain has a rich history of international standard play beyond SW19 in top level tournaments and Davis Cup competitions at iconic venues such as Queen's Club Eastbourne and Edgbaston The book traces the fluctuating fortunes of a dozen or so tournaments that have brought the world's finest players to English shores during the 140 year history of lawn tennis Taking a tour around different regions of the country the author sheds fresh light on the best known events and on largely forgotten but once high profile tournaments held in Bristol Torquay and Scarborough Both a record and a celebration of England's tennis heritage the book is packed with stories about

memorable players and matches full results for singles finals and anecdotes about quirky or controversial incidents ranging from the courtside fire that halted a tournament final to the anti apartheid protests that disrupted a Davis Cup tie

Sport'S Great All-Rounders James Holder,2015-08-26 On July 3 1958 Arthur Milton and MJK Smith opened the batting for England in the third Test against New Zealand at Headingley Coincidentally Milton was the last Englishman to play football and cricket for England and Smith the last Englishman to play rugby and cricket for England However both before and after that Test in 1958 there have been a number of sportsmen and sportswomen who have represented their country in more than one sport In this book are listed biographical details of 172 sportsmen and sportswomen including some of whom are disabled who have excelled at more than one sport Some such as CB Fry and Denis Compton will be well known others such as Aramugam Vijiaratnam who represented Singapore in four sports and Ken Hough who played three different sports for three different countries may be less well known But everyone listed has excelled at more than one sport and this book serves to recognize their achievements
