Love And Hatred The Troubled Marriage Of Leo And Sonya Tolstoy:

Love and Hatred William L. Shirer, 2007-06-26 Love and Hatred is a groundbreaking brilliant and touching work that explores the marriage of Leo Tolstoy an extraordinary Russian writer and his wife Sonya Bestselling author of The Rise and Fall of the Third Reich William L Shirer portrait of a long and stormy marriage that serves as a biography and historical recount of the lives of both Tolstoy's **Love and Hatred** William Lawrence Shirer, 1994 Love and hatred William L. Shire, 1999 **Russia in the Age of Alexander II, Tolstoy and Dostoevsky** Walter Moss, 2002 Russia in the Age of Alexander II Tolstoy and Dostoevsky is both history and story incorporating in its analysis of Alexander II's turbulent reign the lives and ideas of the period's great writers thinkers and revolutionaries who made this the Golden Age of Russian literature and thought In his combination of considerable biographical material with the presentation of the main ideas of the era's chief writers and thinkers Walter G Moss has written a history that is of interest not only to scholars and students of the period but also to more general readers The Nursery of Heaven George Zachariah, 2020-07-30 At a time when divorce and broken families are common Christian families are seeking God's blessing and wisdom to preserve and make fruitful their marriages and journey together The author has been married for sixty one years and through his experiences conversations and counseling with many couples he has garnered important insights on how Christians may have good and productive marriages This book provides guidance that Christians can prayerfully use to enrich their journey in married life with their partners if they choose to listen The author's six decades with his partner Susan have encouraged him to share his and her insights with fellow Christians *Tolstoy on the Couch* Daniel Rancour-Laferriere, 1998-07-08 In his 1889 novella The Kreutzer Sonata Lev Tolstoy declared war on human sexuality Having fathered thirteen children by his wife and at least two children by peasant women the great Russian writer now has the arrogance to suggest that people should stop having children Psychoanalysis of Tolstoy's diaries and other private materials reveals that Tolstoy's anti sex position was grounded in a sadistic attitude towards women including his wife Sonia and a punishing masochistic attitude towards himself These feelings in turn were related to the trauma of maternal loss in Tolstoy's early childhood **Tolstoy's Quest for God** Daniel Rancour-Laferriere, 2017-07-28 The religious dimension of Tolstoy's life is usually associated with his later years following his renunciation of art In this volume Daniel Rancour Laferriere demonstrates instead that Tolstoy was preoccupied with a quest for God throughout all of his adult life Although renowned as the author of War and Peace Anna Karenina The Death of Ivan Ilych and other literary works and for his activism on behalf of the poor and the downtrodden of Russia Tolstoy himself was concerned primarily with achieving personal union with God Tolstoy suffered from periodic bouts of depression which brought his creative life to a standstill and which intensified his need to find comfort in the embrace of a personal God At times he was in such psychic pain he wanted to die Yet Tolstoy felt that he deserved to suffer and he learned to welcome suffering in masochistic fashion Rancour Laferriere locates the psychological underpinnings of Tolstoy's suffering in a bipolar

illness that led him actively to seek suffering and self humiliation in the Russian tradition of holy foolishness With voluntary suffering and Jesus Christ as his model Tolstoy advocated nonresistance to evil and in his daily life he strove never to return evil actions or words with physical or verbal resistance On the other hand being bipolar Tolstoy in some situations would drift in a manic direction indulging in delusions of grandeur Indeed the aging Tolstoy occasionally went so far as to equate himself with God as can be seen from his diaries and personal correspondence The pantheistic world view which Tolstoy achieved at the end of his life meant that God was within himself and within all people and all things in the entire universe By this time Tolstoy was also utilizing images of a mother to represent his God With this essentially maternal God so conveniently available there was nowhere Tolstoy could be without Her For in the end Tolstoy s quest for God was a The Hidden Writer Alexandra Johnson,2010-07-07 Whom do I tell when I tell a blank page Virginia Woolf s question is one that generations of readers and writers searching to map a creative life have asked of their own diaries No other document quite compares with the intimacies and yearnings the confessions and desires revealed in the pages of a diary Presenting seven portraits of literary and creative lives Alexandra Johnson illuminates the secret world of writers and their diaries and shows how over generations these writers have used the diary to solve a common set of creative and life questions In Sonya Tolstoy s diary we witness the conflict between love and vocation in Katherine Mansfield and Virginia Woolf s friendship the nettle of rivalry among writing equals is revealed and in Alice James s diary begun at age forty the feelings of competition within a creative family are explored The Hidden Writer shows how the diaries of Marjory Fleming Sonya Tolstoy Alice James Katherine Mansfield Virginia Woolf Ana s Nin and May Sarton negotiated the obstacle course of silence ambition envy and fame Destined to become a classic on writing and the diary as literary form this is an essential book for anyone interested in the evolution of creative life *Three Plays of Maureen Hunter* Hunter, Maureen,2003 Book is clean and tight No writing in text Like New Embracing Grace Scot McKnight,2005-11-01 This fascinating book explains that the gospel is about the restoration of cracked Eikons fallen humans so that humans can be in union with God and in communion with the saints In the candid and lucid style that has made McKnight s The Jesus Creed so appealing to thousands of pastors lay leaders and everyday people who are searching for a more authentic faith he encourages all Christians to recognize the simple yet potentially transforming truth of the gospel message God seeks to restore us to wholeness not only to make us better individuals but to form a community of Jesus a society in which humans strive to be in union with God and in communion with others *Kay Boyle* Kay Boyle,2015-06-15 One of the Lost Generation modernists who gathered in 1920s Paris Kay Boyle published more than forty books including fifteen novels eleven collections of short fiction eight volumes of poetry three children s books and various essays and translations Yet her achievement can be even better appreciated through her letters to the literary and cultural titans of her time Kay Boyle shared the first issue of This Quarter with Gertrude Stein and Ernest Hemingway expressed her struggles with poetry to William Carlos Williams and voiced warm admiration to Katherine Anne

Porter fled WWII France with Max Ernst and Peggy Guggenheim socialized with the likes of James Joyce Marcel Duchamp and Samuel Beckett and went to jail with Joan Baez The letters in this first of its kind collection authorized by Boyle herself bear witness to a transformative era illuminated by genius and darkened by Nazism and the Red Scare Yet they also serve as milestones on the journey of a woman who possessed a gift for intense and enduring friendship a passion for social justice and an artistic brilliance that earned her inclusion among the celebrated figures in her ever expanding orbit 1 Peter Scot McKnight,2011-03-01 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written
