Love Detour:

Romance, A Heart's Detour Becomes Destiny Michael Paul, 2025-06-03 Sometimes the wrong turn leads to the right person When Tony and Catherine meet in the chaos of their lives love doesn't arrive perfectly but it arrives when it matters most Love isn't always a straight line Sometimes it's a detour that becomes everything Tony Reynolds and Catherine Langley didn't meet at the perfect moment in fact they met in the middle of personal wreckage He's a down and out architect struggling to rebuild his purpose She's a driven museum curator barely holding herself together behind a polished mask Their lives collide in a rainy Chicago café where a delayed meeting becomes the first chapter of an unexpected connection Together they embark on a journey filled with vulnerability second chances and the slow discovery that love isn't about perfection it's about persistence From abandoned exhibit spaces to transatlantic letters from the weight of grief to the joy of slow mornings Tony and Catherine learn to build something stronger than structure trust commitment and home *Romance A Heart's Detour Becomes Destiny* is a soul deep love story about two people learning to grow not in spite of their past but because of it For anyone who's ever wondered if it's too late for love this book proves that the long way around can lead exactly where you're meant to be

Cosmically Curious Len Jepson, 2018-04-23 *Cosmically Curious* can be a convincer for being very curious about everything It can change one's views of existence which can be fun strange or creepy Len Jepson a longtime pastor and lifelong philosopher draws upon philosophies theologies and physics to reveal new curiosities about consciousness He observes that if there is anything we feel with certainty it is that the world we experience is real Each morning we take for granted that the iPhone with the alarm set is real because we can see touch and hear it and turn it off We can climb into a vehicle and drive to work We can observe the yellow arches of McDonalds still lighted in the predawn grayness and a myriad of lighted arch rivals It seems without question that out there around us independent and apart from us exists a physical world But what if our assumptions are wrong Join the author as he questions reality explores unknowns examines a spectrum of spirituality and encourages everyone to be very curious

inspiration Do not be conformed to this world but be transformed by the renewing of your mind you may prove the will of God what which is good acceptable and perfect the book dares women to explore critical issues in their lives such as self esteem courage honesty identity through the lens of scripture and experience and offers the positive message that we are all loved and valued by God The author is certainly someone that dares to be rare She is also a woman of faith and courage who has overcome cancer and still finds time to preach the Word and raise a family This book is great for personal use but perhaps ideally suited for small groups that can be formed from fellow church goers Go on give this book a try and you too can Dare to be Rare Leave Society Tao Lin, 2021-08-03 From the acclaimed author of Taipei a bold portrait of a writer working to balance all his lives artist son loner as he spins the ordinary into something monumental An engrossing hopeful novel about life fiction and where the two blur together In 2014 a novelist named Li leaves Manhattan to visit his parents in Taipei for ten weeks He doesn't know it yet but his life will begin to deepen and complexify on this trip As he flies between these two worlds year by year over four years he will flit in and out of optimism despair loneliness sanity bouts of chronic pain and drafts of a new book He will incite and temper arguments uncover secrets about nature and history and try to understand how to live a meaningful life as an artist and a son But how to fit these pieces of his life together Where to begin Or should he leave society altogether Exploring everyday events and scenes waiting rooms dog walks family meals while investigatively venturing to the edges of society where culture dissolves into mystery Lin shows what it is to write a novel in real time Illuminating and deeply felt as it builds toward a stunning if unexpected romance Leave Society is a masterly story about life and art at the end of history A VINTAGE ORIGINAL
